 Surprise!

As far as I can tell, there are four kinds of surprises in life. There may be more, but four fits.

The first kind of surprise I will call the “traditional “surprise. I recall in my early teaching days a contest between my school, which was a local State School, and a local Catholic School, which owned a lot of property. The “sporting” contest was held annually but was hardly likely to be placed on the Olympics shortlist. It was called “glass sliding.” The contest involved a best of three rounds between competitors on the “official glass-sliding outdoor setting” in the bush at the Catholic school. It involved sliding a glass along the table in an attempt to be the closest to the edge. There were loud hails of victory and celebratory drinks when a contestant achieved the pinnacle slide – the “hanger” – where the glass teetered on the edge of the table. One contestant for the Catholic school, who shall not be named, and who is now a formidable educator, decided that there was a chance of running out of petrol and so he would refill the generator (without switching the generator off and causing a delay in the contest). The resulting explosion resulted in a gentle cascade of hair from the instant removal of his eyebrows and fringe. The look on his stunned face perfectly illustrated the traditional kind of surprise.

The second kind of surprise was exhibited by my mum when I remembered her birthday, AND remembered to go to the shops and purchase a present. This is the “warm fuzzy” kind of surprise and contained the spark of hope that her teenage son may be starting to realise that there are other people on earth and that they have feelings too. It is very distinct from the traditional kind of surprise.

A third kind of surprise is a disappointed surprise – the kind of surprise on mum’s face after she has asked you politely to take the bin out – finds that you have not done it – then does it herself. This look of surprise helps teenage boys remember that mums have other kinds of feelings too.

A fourth kind of surprise is the angry surprise. Sometimes this may not really be a surprise at all. This occurs when dad says, “I’m surprised that your Maths results have not improved this term given the copious amounts of time you have spent doing your homework.” Sarcastic surprise is a subgroup of this type given a preceding lecture about having spent way too much time kicking the footy instead of doing the Maths homework. It was the kind of surprise that Jesus received from the Pharisees and church leaders of the day when he did not ritually wash his hands. The Pharisees had turned God’s Laws into a set of rules necessary to earn a place in Heaven. This was wrong on two counts. Firstly the Law was there to protect and to provide a blessing – not to condemn and make lives miserable. Secondly, every man-made religion on earth starts with earning your way to heaven (knocking on doors; special journeys; rules and pass-marks). Nothing has changed in 2013. Jesus deliberately broke a silly-man-made ritual that had become a “must do” in order to surprise the Pharisees back and make a point that God’s Law is sufficient and Man’s Law should never bend its intent.

Luke 11: 37 When Jesus had finished speaking, a Pharisee invited him to eat with him; so he went in and reclined at the table. 38 But the Pharisee, noticing that Jesus did not first wash before the meal, was surprised.

Why did Jesus refuse to wash? Because it was time to make a stand and to earn the ire of “the church” in order to gain their attention and deliver the message; time to outline the warning signs so Pharisees of every generation could be identified and confronted.

 It was time to begin the painful journey towards the Cross – and towards the first Easter.
Thank you to everyone that has been spreading the message about Wollondilly Anglican College! We continue to receive applications at a steady rate and many of those mention current families of the College as the reason they have applied. It is great to see our community hearing about the College and wanting to be a part of it.

Year 7 interviews are continuing over the next two weeks until the end of term and “College Days* are also running regularly in Transition. If you have a child turning four and are interested in having them attend transition in 2014 before commencing Kindergarten in 2015, now is the time to get your application in. Please continue to let your friends and family know. Enrolment packages can be collected from the office or downloaded from our website under the Administration section.

NAPLAN 2013 – Information for Parents
In May 2013 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by all students in Years 3, 5, 7 and 9 in all government and non-government schools. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy learning of students in all Australian schools.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child’s level of achievement. Each student’s level of achievement will be reported against the national minimum standard.

Background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student’s right to privacy is maintained.

The tests will be conducted across Australia for all students from 14–16 May 2013.

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be two Numeracy tests: one where a calculator is allowed and one where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

Friday, 17 May – A ‘catch-up’ day is scheduled for students who missed a test or were absent on a test day.

Students may be considered for exemption from the tests if:

- they are newly arrived in Australia (less than one year before the test) and with a language background other than English, or
- they have significant intellectual disability and/or significant co-existing conditions that severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments that reflect the student’s normal level of support in the classroom may be provided. Large print, braille and black and white versions of the tests are available for students with vision impairment.

Access to disability adjustments or exemption from the tests must be discussed with the school principal, and a parent or carer consent form must be signed. Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents and carers in consultation with the Deputy Headmaster. If you wish to withdraw your child from the tests, you must sign a parent/carer consent form. Consent forms are available from the College.

Please make an appointment with the Deputy Headmaster if you would like further information about your child’s participation in NAPLAN.

Additional information about NAPLAN can be found at: http://www.nap.edu.au/naplan/parent-carer-support.

Mission Fundraising – Books for Africa
All students are encouraged to contribute to this initiative by bringing in a book from home that is in good condition but is no longer wanted. Books will be collected by Primary class teachers and by Secondary Roll Call teachers in the lead-up to the book sale. Staff and parents are also encouraged to support the initiative by placing a book in the box located in the College Canteen. The final date for books to be brought in is Wednesday, 10 April. On Thursday, 11 April and Friday, 12 April a book stall will operate out of the Cafeteria. All books will be on sale for $2.00. Staff, parents and students will have access to the book stall at designated times on these days and are encouraged to purchase a book for themselves or someone else to support the initiative. The money will be used to provide books for the first library in our link school in Africa.

Uniform-Reminders
As we begin to prepare for the transition between summer and winter uniforms it is suggested that students ensure that their winter uniforms are organised and prepared for return at the start of Term 2. The winter uniform guidelines are clearly outlined in the College diary.

In recent times the College has been in contact with some students’ parents regarding the condition of their hats. The support of the parent body in ensuring that these issues have been swiftly addressed has been greatly appreciated.

Finally, students please be reminded that piercings other than those clearly specified in the College diary carry a consequence of a Formal Detention not just a uniform infringement. Further, the College has clearly specified guidelines with regards to jewellery that all students need to ensure they adhere to.

College Diary
The College Diary is an essential item to assist students to remain organised here at the College. Information about homework/assessments, awards, uniform infringements, detentions and general progress are contained within the diary. Parents need to ensure that they check their child’s diary on a regular basis and sign it each week to assist with the partnership in your child’s education. Another area in which parents may need to sign is when students receive a detention or to ensure that written communication from a staff member has been sighted.

Mr Liam Toland
Director of Pastoral Care T-12

Thank You!
A fantastic effort to all our Year 12 students on their recent Cake Drive.

Thank You to everyone in our College Community who supported our Year 12 students on their Fundraiser which was a great success!
SRC and Library Book Sale: Have you any books that you no longer want or have grown beyond? The SRC and Library are together running a book sale again this year. Donations can be left at the Canteen. On the last two days of this term we will sell all the books for $2.00 each. All money raised will go to buy books for our partner school in Swaziland which Dr Quarmby is visiting in Term 2. Our partner school in South Africa does not have a library at all and the children have limited access to books. We would love to be able to support our partner school and provide them with some culturally and linguistically appropriate books which will be purchased in South Africa with the funds raised. Donated books must be in good condition and may be adult or children’s books.

TERM SERVICE

Thanks to all the College families, who attended our first Term Service on Friday evening.

It was a great evening. An extra thank you goes to those families who were able to support our food drive for the less fortunate in our community. We were fortunate to have Kindergarten perform an awesome dance. The College Vocal Ensemble also sang a French song, which they had prepared for the World Day of Prayer. Reverend Warren Hicks challenged us all that in order to accept Jesus' gift of eternal life, we must first acknowledge our own sin and the need for God’s help. Rev Hicks also pointed out that we must want to have a genuine relationship with God. As Easter draws near it would be great to focus on this message and how it applies to each of us.

Happy Easter. We look forward to seeing you at our next Term Service on Friday, 7 June.

STAGE 5 DRAMA EXCURSION

This week 11 Year 10 Drama students travelled from the College to Colo Vale and Mittagong Primary Schools to lead their Christian Easter Scripture Services. The students have been preparing these presentations for weeks, both in class and in their recesses and lunch times. Their performances were well-received on both occasions.

The students were thrilled to participate and share the message of God's love. The theme was that 'Easter is about love, not about bunnies or chickens or chocolate' (we had a bunny, chicken and chocoholic with us for good measure). The performance included general leading, an original Drama, an animated video and a song which our students sang, played and taught their audience actions to. The primary students supplied Bible readings and prayers. It concluded with the audience acting out the key points from the story of Jesus’ death and resurrection.

The events were supported with prayers from staff, parents and students, and they were a resounding success.

Next week we will have some photos for you to enjoy, and some comments from the students involved.

Praise God for His love, His faithfulness and His answer to prayer.

Secondary Teacher (English, HSIE, Drama)

ANZAC DAY CEREMONIES

ANZAC Day this year falls on the Thursday of the second week of our College holidays and our College will be taking part in the Picton march and the Hill Top Ceremony as usual. However, for those families that would like to attend the Thirlmere Anzac Memorial, the march and ceremony will take place on Sunday, 21 April (middle weekend of school holidays) at 2.00 pm. There will also be a morning ceremony at Queen Victoria Memorial hospital on this same day, commencing at 10.30 am.

Students who attend ANZAC ceremonies in full winter uniform will be recognised in the usual way and thanked for their Community Service.

**WORLD WATER CHAMPION AWARD - REGIONAL RUNNER-UP FOR 2012**

The World Water Monitoring Challenge (WWMC) has announced that Wollondilly Anglican College was a World Water Champion for Australia and Oceania, coming runner-up in the group division of the awards. This follows our previous success as outright Water Champions for the region in 2009. Again we are the only school on the planet to win this award.

This award reflects the myriad of activities and initiatives that promote water sustainability within the College and in the local community. As in the previous award, they recognised the water monitoring of the growing Streamwatch group, as well as water recycling measures of the College. Additionally, they appreciated the efforts of Mr Cassidy in propagating plants to revegetate Xstrata mine sites, as well as acknowledging the College-wide efforts (which includes Working Bees) to plant and maintain native species in our gardens, as a water-smart measure.

Dr Andrew Eaton  
Science Co-ordinator

**MATH’S CLUB 2013**

Some very keen mathematicians keep turning up for our weekly club. We played Dice Addition games and this proved very popular. Another new game will be taught next week. It’s amazing how many students haven’t missed a week!

**When:** Every Monday at 2nd half lunch! I will pick up Years 3 and 4 from their playground and Year 5 and 6 can meet me at the door of Banks 5 IT lab at the start of 2nd half lunch.

Mr Darren Wayne  
Primary Teacher  
Maths Club Co-ordinator

**PRIMARY SPORT**

All IPSSO games next Wednesday, 3 April, will be here at the College.

Mr Stuart McIntosh

### IMPORTANT DATES

- **P & F Meeting Monday, 8 April**
- **Country Fair - Saturday, 14 September**
- **Golf Day - Tuesday, 5 November**

Wollondilly Anglican Community Church (WACC) meets in the Clifford Warne Auditorium every Sunday at 9.00 am. *"For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many."* Mark 10:45

Well, here it is, the focal point of everything the Bible teaches and of everything Christians believe. It's all about what Jesus came to do for us. In the end, it's not about his moral guidelines or his leadership style. It's not about his niceness or his example of how to live. As important as those things are, in the end, it's all about the Son of God giving up his life in our place, securing our eternity with our creator. It doesn't get better than this. Rev Rob Meischke
 BRAND NEW HEADMASTER

Pretend Headmaster, Jasmine Hemans (KC) is rugging up for the winter months ahead here at Wollondilly

Prayer Points

Thank God

- For life in His service and for the challenging surprises along the way
- For the deluge of enrolments for 2013
- That our College catches His eye, elicits His care and is buried in His heart

Ask God

- That may continue to pray with room for Him to surprise us.
- For continued growth
- That He will continue loving us – even though we know that He will anyway

Psalm 127:1 Unless the Lord builds the house, its builders labour in vain.

Excellence, Endurance, Eternity.
