Choose to Listen; and believe the voice of Truth

From the Foundation Headmaster, Dr Stuart Quarmby

A Tale of Two Reports

Well folks – it’s that time of the year.

Report 1.

Please read your child’s half yearly reports. Sit down with them. Raise any questions you may have with the teacher. Book a time at the Parent/Teacher interviews and make a follow-up appointment if more time is needed. I do skim read reports, but there are 700+ and one or two other competing priorities so I don’t promise much coverage of individual learning issues.

“My kid got a bad report and I waited and waited, but the teacher did not ring me" would read better as, “My kid got a bad report so I made a time to sit down with her teacher and nut out some strategies where I could assist at home.”

A College education is a team event and positive, proactive parents are one of our greatest assets as we build a learning culture together. Reports are a valuable resource in determining areas of strength to develop further and areas that just need a bit more application and TLC.

Thanks for taking the time to read them. Thanks for the feedback from parents who have also checked Progress reports on the Parent Portal at the end of Term 1.

Report 2.

Thanks Mr Croger. One of the joys of having a break at the start of this term was to arrive back and find that the Acting Headmaster had completed a few sections of the 2012 Annual report. I would rather read 700 student reports than complete one Annual Report so this is not just token thanks.

But in the end, the exercise is worth it and I would like to share a few of many highlights –

- One in five secondary students at the College have a Christian faith directly attributed to their time here
- NAPLAN results in Years 3,5,7 and 9 showed a mass of green and no red (this means the College was above average in all 5 measured areas of literacy and numeracy over all 4 years that were measured). Even when compared to “like” schools all over the country, the results were amazing – well done staff. Well done students. Well done parents. The mass of green on the myschool site is a unique set of results in our geographical area and surrounds!!
- Two of our Year 12 students were placed on the Distinguished Achivers Merit list for NSW.
- At least 74% of Year 12 students qualified for Tertiary courses
- Student attendance in every year and every category is over 90%
- The College continues to be listed among the top 25 growing independent schools (out of 220) in NSW for every year of its existence
- We celebrated several NSW, Australian and World sporting champions
- The musical Grease was sold out every night

And we have the second highest rugby league goal posts in Australia

PS: This was not really reported in the 2012 Annual Report but surely there should be a section for it!
FROM THE DEPUTY’S DESK

Semester 1 Reports
Parents should receive the Semester 1 Reports for their children during the first week of the school holidays.

Accompanying the report will be a Student Reflection Sheet for Years 7-10 and information regarding booking interviews for the Parent Teacher Evenings.

The Student Reflection sheet should be filled in and returned to the student’s Roll Call teacher at the start of Term 3. The sheet is designed for students to reflect on their progress and to develop some strategies to work towards improving their results.

Students will receive advice from their Roll Call teachers and will also need to consider the advice provided in the report and during the parent teacher interviews.

It is strongly recommended that parents have some input into the process in an effort to assist their child in setting new goals for Semester 2.

Class Changes in Secondary School
At the end of the Semester there is an opportunity to review the class placements in Years 7-10.

There is the potential for students to be moved due to their academic performance, or to better meet their needs, or for pastoral reasons.

In particular, parents should note that their child’s position in the Grace class is not permanently guaranteed. Students need to work to a high standard to maintain a position in the Grace class.

Parents will be notified if their child is going to be moved.

Bronze and Silver Duke of Edinburgh’s Award Expedition – 21-23 June
Eleven students from the Silver program embarked on the expedition last Friday with Mr Croger and Mrs Cochran. After spending a cold Friday evening, the group met up with the 23 students in the Bronze group, Ms Huxtable and Mr and Mrs Hicks on the Saturday.

Fortunately the weather stayed kind throughout the Saturday, despite the threatening clouds. However, on the Saturday night we had heavy showers and some students woke up the next morning to find they had an indoor pool in their tents.

The hike out to Otford on the next day was relatively dry until we reached the end of the walk and experienced the steady rain that had been forecast.

Trip Highlights:
• The Coastal Walk is a spectacular track which takes you along magnificent coast line, through rainforest and palm groves.
• The Friday evening nocturnal activities of the Crayfish Capturers. Although they caught four large edible crayfish in the freezing water near Uloola Falls, they practised a catch and release program.
• The two humpback whales that were sighted.
• The co-operative nature and behaviour of the students
• The determination of the students to complete the hike, despite some difficult sections.

Well done to all the students who participated.

I would like to thank Mrs Cochrane, Ms Huxtable, Mr and Mrs Hicks for their efforts over the weekend.

More photos will be posted on the Website soon.

TAFE Delivered VET (TVET) for 2014
For students in Years 11 and 12 for 2014, please see Mr Croger if you would like information on applying for TVET for next year.

Mr Ian Croger
Deputy Headmaster
Senior Formal Assembly
On Thursday, 20 June the College held its first Senior Formal Assembly. The continued growth of the College has made it necessary for this extension of the Formal Assembly program. As is always the case, it was a great opportunity to recognise significant student achievement across a range of areas. All students who received awards and performed as part of the assembly are to be commended. Special mention must go to the outstanding performance of the dance group and the work of the Creative Arts Faculty in putting the musical and dance elements to the assembly in such a capable professional manner.

Student Representative Council
On Monday, 24 June members of the College SRC from Years 3-12 met together for our end of Term lunch. This is a regular feature of the College calendar to recognise the work of all members of the SRC. It provides an opportunity to recognise the contributions of Years 3-5 students who are involved in serving on the SRC for a Term. The students that have served this Term from Years 3-5 have done an exemplary job and I am continually impressed by the manner in which they represent their peers. The SRC as a whole have had a busy Term with much involvement in Foundation Day activities and in planning for lunch-time sporting competitions that will run in Term 3 to cater for the needs of Primary students. Dr Quarmby, as always, joined the students for lunch and spoke to them, thanking them for their efforts and encouraging them to continue vigour in their roles as College leaders.

Mr Liam Toland
Director of Pastoral Care T-12

Parent Teacher Interviews
Parent Teacher interviews will be held for students in the first two weeks of Term 3 on Thursday, 25 July and Wednesday, 31 July. The parent/teacher interviews provide parents with the opportunity to discuss the progress of their child with their child’s teacher. Parents are strongly encouraged to attend the evening so that the educational partnership between parents and the College can be further developed.

This year the College is using an on-line interview request system which streamlines the interview process. It also ensures that, wherever possible, parents obtain interviews with the teachers they want to see within the most efficient time frame. Parents will receive a letter outlining the process of online booking along with each child’s semester report. These will be posted towards the end of term.

Mrs Wendy Croger
English Co-ordinator

Please Note:
Due to printer problems only some Semester 1 Student Reports have been printed in colour, the rest will be printed in black and white.

**MISA Debating Update**

On Wednesday, 26 June the Year 8 MISA debating team competed in the fourth round of this year’s MISA Competition. This round was against St Patrick’s College who hosted the debate. The Wollondilly team, made up of Jade Grindrod, Amy Bennison, Allira Betts and Lukas Potter debated the topic: *That school uniforms should be non-compulsory*.

The team did a fantastic job in preparing and presenting their argument; debating the negative side of the topic. All four students are to be congratulated for their victory in this debate, showing great aptitude as a team in preparing, debating and rebutting arguments. A special commendation is also to be given for Allira Betts who showed particular excellence in her speech and was awarded speaker of the day by the educator. It has been exciting to see the wonderful progress that this team has made since they started the competition last term.

The MISA debating competition continues to provide great opportunities for students to share ideas and develop their skills in a competitive but encouraging atmosphere.

**ARNHEM LAND TRIP**

It's finally here. We will be leaving for Arnhem Land this coming Friday. Please keep us in your prayers over the coming week.

Part of the Mission's Fundraising money has been spent to purchase sporting equipment for the community and a donation is being made on the College's behalf to Missionary Aviation Fellowship (whom we plan to work with whilst there).

Pray for

- health and safety
- good relationships with the community and missionaries
- good relationships with each other
- positive cultural learning experiences for all

Thank you for your continuing prayers.

**WHOLE COLLEGE PHOTO**

As part of the College's 10 Year celebrations, on Thursday, 15 August the College has organised for a whole College photo to be taken. The end result will be a sensational 95cm x 48cm poster of all students and staff to commemorate the occasion.

The poster will cost $49.00. Each family will receive one copy, the cost to be included in the Term 4 fees. If you do not wish to receive a copy, please contact the Office by Wednesday, 14 August. Unless we are advised, it will be assumed that your family would like a copy, and the cost of the photo will be included in the term fees.

**HOW WOULD YOU LIKE TO SAVE 4.1 BILLION DOLLARS A YEAR?**

Australian governments know just how to do it. It is very helpful to be armed with the facts at a BBQ when discussing Independent school funding.

The publication "Snapshot 2013" which is included in this newsletter has collected the facts from reputable sources such as the Australian Bureau of Statistics. There is no need for spin when the facts tell the story (and shoot down some of the rhetoric circulating).

Independent schools save State and federal Governments 4.1 Billion Dollars per year. As the popularity of these schools grows - so does the savings.
On Thursday, 20 June the Stage 5 Commerce class (Years 9 and 10) travelled to the Wollongong Court House to observe and undertake studies in the Australian legal system. This excursion is intended to establish connections between the theoretical learning that we have been doing in the classroom this year and the ‘real world’.

Students soon came to learn that the consequences of bad choices in the ‘real world’ are very, very serious and damaging to one’s future. We observed cases in the Local Court and the District Court involving traffic offences, drug possession, drug dealing, use of a telecommunications device to threaten, aggravated break and enter, malicious damage and applications for a variation to bail. We were also allowed to visit the holding cells which are used for those who are in custody and due to face court that day. Students were impressed with the reasonableness of the Magistrates and Judges, but also their diligence in meeting out justice and punishment to those deserving of it.

The students are to be commended for being especially attentive and respectful. I would like to offer my special thanks to Mrs Burrett who accompanied us and made the day possible.

SECONDARY SPORT

Due to the wet weather over the past week, we have had to move the Secondary Athletics carnival this will now go ahead on Friday, 26 July. Students are reminded that if they wish to compete in the 1500m races then they will have to be up at the back oval for the first race to start at 8.00 am. Also the students will have to bring their lunch for the whole day as they will not be allowed back down to the Canteen at any stage during the day.

This week we will try to hold MISA trials for the girls teams, if this is not possible then they will be the first day back after the holidays.

Could I please remind all players and parents that the MISA sports uniforms are due back to the coaches as soon as possible.

Upcoming dates:

WAC Secondary whole day College Athletics carnival Friday, 26 July
NASSA Soccer Gala Day Monday, 5 August
NASSA Secondary Athletics Carnival Wednesday, 21 August

PRIMARY SPORT

Last week we started our Athletics Carnival with the 100m heats and each age group participated in one of the field events. The 100m finals and the relays will be generated from the fastest times from these events and will be published early next term.

Due to the weather conditions, we have postponed the Primary Athletics Carnival to Week 1 next term (Thursday, 25 July). If you are able to help out with timekeeping and recording, please either let me know or just turn up on the day. Slugs and Spiders has also been postponed until this day. All children are to wear their coloured house shirts.

On the first Wednesday back, we resume our IPSSO Competition and all games will be here at home.

It has been a busy term for sport and I wish everyone a restful break.

PRIMARY MATTERS - STAGE THREE EXCURSION TO CANBERRA

Article by Jemima Hart

On Friday, 21 June 2013, all of Stage 3 went to Canberra. We all boarded the bus at 6.30 am sharp and headed to what we didn’t know was going to be one of the best excursions ever.

When we first arrived in Canberra we visited the Australian War Memorial. It was amazing walking through with tour guides telling us and showing us the amazing artifacts from the World Wars, looking at all the wax men and women sitting on tanks in the memorial. It was like you were sitting in the middle of a war.

After this we went into the Discovery Zone, where we could experience what it is like in a helicopter and the navy ships and wear the uniforms they used in the war. We could smell all the smells in the war that were hanging in the air, such as the gas they used in World War 1. (Not the real gas). We watched two short films on World War 1 and World War 2. They were so good it was like driving the planes at midnight. What I found really moving was walking through the Hall of Memory, looking at all the red poppies on the walls made it real for us, it was an amazing feeling.

After this we went to the Australian Botanical Gardens. There we ate and played after we ate lots of food we went on a long walk around the gardens looking at all the beautiful plants and gardens that were set up and being set up.

Then we all boarded the bus again and went to Old Parliament House. When we arrived we went in and watched an introduction film on what we were going to be looking at. The film was a one of a kind there were little people popping up in a little box talking to us about Federation and our system of Representative Democracy. After that we went into another room and did some activities on voting and how it works and how old you have to be. This was really good because a little bit later we got to use our skills and vote, using the preferential voting system, on which fruit is better; apple, peach, banana or orange. Apple won!

This was an amazing excursion and I would like to thank Ms Huxtable, Mrs Vidler, Mr Matthews, Mr Wayne, Mrs Clark and Mr Witcombe.

TRIPLE J UNEARTHED MUSIC COMPETITION!

Please register and vote for Grayce Keen and Ashlee Carlon. Please read the article below. Register and rate our WAC performers and we might win.

The radio station Triple J is holding a competition called Unearthed High that allows young, undiscovered Australian artists in high school to write, record and upload an original song to their website. The winner of the competition gets to record their original song professionally and gets it played on Triple J, and also gets a concert at their high school by San Cisco. The winner of the competition also gets to perform at this concert.

In order to win this competition, participants greatly need the support of their friends, family and surrounding community. In order to do this, people need to rate and review the songs submitted, which in turn pushes said songs higher up on the charts posted every week on the triple j Unearthed website. Getting on the charts is crucial to the competition, as it gains publicity for a song/artist which can greatly help them in the competition.

To rate and review, a Triple J Unearthed account is required, meaning that a person would have to register. From there, they would type in Grayce Keen or Ashlee Carlon’s name in the search bar located at the top right hand side of the screen, then click on their name in the search results. This would bring them to the artist profile page from which it is possible to rate, review, listen to and download any songs the artist has uploaded.

If you can please register and rate our two (so far) entrants.

Thanks for your support

Mr Simon Denley
Creative Arts Co-ordinator

Well done Grayce and Ashlee
