COUNTRY FAIR INFORMATION

The countdown is on and our 10th Anniversary year Country Fair will be certainly something worthwhile to visit. We can guarantee that all members of the family will have a fun filled day with lots to see and do. For the teens, there will be some great rides to enjoy, airbrush tattoos, armoured personnel carrier rides, dog agility and obedience to watch, admire your works in the photo competition and art display, showbags and popcorn to nibble on while watching your friends on the stage performing. Our Mums will really love the amount of market stalls to wander through (especially with the kids on the rides) plus enjoy the various displays of art works, photos, colouring in and a walk down memory lane with the 10 Year Anniversary display, there will be quite a collection of things to see there. Mums can also relax with a morning tea at the cake and coffee stall and enjoy the stage performances over lunch, a full day all planned! Why not come early and join in the Fun Run or cheer the runners in while you enjoy a freshly brewed coffee. To make it enjoyable for everyone we ask that no pets be brought to the Fair. We look forward to seeing you there!

PARKING

Parking is only to be done on the College grounds, it is not recommended that you park out of the College gates on Remembrance Drive. The local RFS (Rural Fire Service) will be volunteering their services to allocate parking to the designated areas. We kindly ask that parking is done in an orderly fashion and full co-operation is given to the RFS to avoid congestion and accidents in the parking areas. The RFS do a wonderful job not only in their roles as our local Rural Fire Service but also on events like ours. They will have a gold coin donation bucket at the gate if you wish to donate.

ENROLMENTS

We are now taking enrolments for 2015. Please contact the College office for an application package.

WITHDRAWALS

Parents are reminded that if you intend to withdraw your child/ren, you are required to give the College a Term's notice. That means that now is the time to let us know if you are not intending to return to the College in Term 1, 2014. Advice of such an intention over the Christmas holiday period or during Term 4 is not sufficient.

MESSAGE FROM THE OFFICE

It is that time of the year again! The time when we plead with you to write your child/ren's name clearly on their uniform. We have a lot of items of uniform handed in to Lost Property and we try our best to return named items to their owners; it is very difficult to do this if you haven't written names on the items in the first place.

Please take some time this weekend to:

1. Write your child/ren's name on all pieces of their uniform.
2. Re-write names on uniform where original markings have become faded.
3. Re-write names on uniform from the Clothing Pool where items may have other people's names on them.
4. Check you have all your own uniform at home and not someone else's and return anything that isn't yours to the College Office.

We thank you in advance for your support in this matter.

Mrs Christine Mozejko
Development Manager

Subject Selections 2014
From time to time people in the wider community and those making enrolment enquiries, ask questions with regard to our curriculum offering. Some of these people are under the mistaken belief that because we are a relatively smaller College, that we aren’t able to offer a wide range of subject choices for our students in the secondary school. Listed below indicates the elective subjects that will be running in 2014.

For Year 11 2014, 87% of students were successful in achieving their preferences. The subjects running include: English Advanced, English Standard, English Extension 1, Mathematics, General Mathematics, Mathematics Extension 1, Business Studies, Earth and Environmental Science, German, Information Processes and Technology, Industrial Technology Furnishings, Chemistry, Design and Technology, Drama, PDHPE, Ancient History, Food Technology, Modern History, Music, Biology, Physics, Sport Lifestyle and Recreation, Visual Arts, Dance and TAFE courses.

This is a good range of courses for approximately 50 students who will be in Year 11 next year.

Due to the large increase in numbers in Years 9 and 10, the elective groups will be in separate year groups, rather than Stage Classes. All students received at least one of their first or second preferences with 85% receiving both of their first two preferences.

Student Representative Council

As part of SRC discussions earlier this year the group collectively decided to use the funds collected from this Term’s Mufti Day to support Mission Aviation Fellowship. The Term 3 Mufti Day will take place on Friday, 20 September. All students are required to bring in a gold coin to support the work of this organisation. Students are encouraged to be generous to aid the work of this important cause. Students can pay the money to their Roll Call teacher in the Middle/Senior School on Thursday, 19 September or Friday, 20 September. Students in Transition-Year 4 can pay the money to their Class teacher on the same days.

Below is a brief outline of the work this organisation conducts:

MAF is a not-for-profit team of aviation professionals providing air transport in places of deepest human need - remote places where flying is not a luxury, but a lifeline. For over 60 years, MAF has flown over jungles, mountains, swamps and deserts to bring thousands of men, women and children medical care, emergency relief, long-term development and Christian hope.

Dress Standards for Mufti Day

- The normal College expectations apply to hair and jewellery.
- Students must wear enclosed shoes – no thongs or sandals.
- Singlet tops or tops showing exposed mid riffs are also excluded. Shirts cannot be of a sleeveless nature.
- Clothing worn should not have slogans with inappropriate language or messages.
- Shorts - leg length should be at least to mid-thigh

Students have been warned that if they don’t comply with these rules, they may be sent home or withdrawn from the day’s activities.

SRC students are also reminded that this Term’s lunch will take place in the cafeteria on Monday, 16 September. All representatives from Years 3-5 are invited to attend to recognise their contributions during this Term.

Student Leadership

In the last two weeks of Term 3, Year 9 students will be interviewed to assess both their interest in and ability to deliver the Peer Support Program that will commence next year and be delivered by our Year 10 students. The teaching staff have completed a process where they have nominated certain Year 9 students whom they believe would be appropriate for the program. This information will be collated along with information gathered from the interviews with Year 9 and the successful applicants informed early in Term 4. Students who are successful will receive training in Term 4 this year on the content and how to facilitate sessions with small groups of Year 7 students. This is an exciting new program that will develop the leadership skills of Year 10, 2014 as well as greatly assist our new Year 7 students to better transit into Secondary schooling.

**Overdue Books:**
There are quite a large number of outstanding books at the moment. Secondary students are asked to write their overdues in their College Diary, so please encourage students to return any outstanding books.

**Year 11 Students:**
All Year 11 students need to return all their textbooks in the first week of next term. They will be issued with Year 12 textbooks in the first couple of days next term.

**Contact:**
The Library will once again be co-ordinating the orders for book covering contact. This is done once a year as a service to parents and it allows you access to the easy-to-use contact that we utilise. Order forms will be available in the coming weeks. This will be the only time you can purchase the contact as we do not sell it any other time of the year. Details in next week’s issue of the Waratah Weekly.

**Scholastic Book Club:**
Orders for Book Club have been placed and we hope they will be distributed to the students late next week.

**WAC EQUESTRIAN NEWS**

It was a very hot day in Camden last Saturday but despite the heat and flying ants, our Equestrian Team represented the College with pride. All the students received ribbons across a range of events and are to be congratulated on their efforts. We had representatives from Transition (Olivia Carter) through to Year 9 (Maddison Lane) with a total of 10 in the team. Unfortunately Dane Clark was sick on the day but hopefully he will join us for the next interschools.

Congratulations to the following students:
Olivia Carter - Transition; Bree Watson - Year 2; Dane Clark - Year 2; Amy Hvejsel - Year 5; Nina Hvejsel - Year 6; Ruby Wenman - Year 6; Ella Saint John - Year 6; Bailey Tzitziris - Year 7; Olivia Smith - Year 8; Maddison Lane - Year 9.

AUF WEIDERSEHEN!

After almost three months our two German exchange students, Chris Adams and Paula Fischer returned to Germany on Saturday afternoon. The two students quickly became part of life at Wollondilly College. They were willing back stage assistants with our musical and participated in the College athletics carnival. Paula even represented the College at NASSA. The two students made many new Australian friends and some of our students are looking forward to travelling to Germany soon and catching up with Chris and Paula there. They will be particularly missed by the Year 11 German class, who really valued their contributions to our lessons.

AUF DEUTSCH BITTE!

The NSW Language Perfect Competition has started. Students are participating in their German lessons, but are also strongly encouraged to log in online at home. There are some great prizes to win and every 50 points gains students a chance to win an i-pod shuffle. The competition began on Monday, 7 September at 8.00 am and ends on Monday, 16 September at 8.00 pm.

In the lead up to the week long competition, Wollondilly students have answered over 93 000 vocabulary questions. What an awesome way to learn German vocabulary. Well done Wollondilly!

TERM SERVICE - FRIDAY, 6 SEPTEMBER 2013

Friday night provided the College community an awesome opportunity to draw together and consider God's love for us. The ever popular Natalie Miller and her puppets challenged us to examine our attitude to God and encouraged us to love every opportunity to learn more about Him, whether that involves chapel, morning devotions, church on Sunday or even Term Service. Natalie is headed off to America and we wish her well in her puppet ministry there.

A special thank you must go to the Male Staff Choir, Year 12 and our Student Leaders and Musicians, who all stepped up and honoured God with their very willing service. Thanks must also go to Mrs Ede and all of the College families, who donated food to the less fortunate in our community.

It was our last Term Service for this year, so we look forward to sharing with you again in 2014.

**Year 12 Study Camp**

The staff at the College have organised a three day Study Camp for our Year 12 students to be held during the October holidays. The camp will provide our Year 12 students with the opportunity to have sustained, structured and focused study time, supported by staff volunteers from the College.

From a Pastoral Care perspective, we hope to support those students who may feel anxious about the upcoming exams. We also hope to assist students who have difficulty organising their own time and disciplining themselves to focus. Academically, the staff volunteers will be able to provide valuable advice and guidance on past examination questions and answers.

**Where?**

I am pleased to announce that Steven Harriman was the AICES Athletics Champion for his age.

Great success was had by some of our teams in the MISA competition this week. The Year 8 Girls' Netball Team won 23-8 against Broughton, the Year 7 girls’ Netball Team lost 15-3, which is a vast improvement on their earlier performance against Mount Carmel. The Year 7 and 8 Boys’ Rugby League Team had a narrow loss.

Team of the week must go to the Years 7-9 Girls’ Soccer Team who, in spite of Mr Van Netten’s coaching, heralded a much celebrated victory. After a couple of draws and a handful of defeats, the girls were determined to prevail through the heat and wind to a 2-0 victory over Broughton Anglican College. The two goal scorers, Caitlin Gardiner and Indiah McInnes exemplified hard work on the field and were backed up by their fellow strikers; Cassandra Morrison, Olivia Smith and Rebecca Ryan. Olivia’s progress has been most excellent this term as she has become a speeding flash across the field on many an occasion. Special mention must also go to the team captain, Dominique Palmer. She is a force ever to be reckoned with and her ability to read the game is only matched by her incredible footwork and ball skills. This win would also not have been possible without the incredible supporting midfield and impenetrable defence of the rest of the team. The outstanding work throughout the season of center-back Tara Shaw and goalie Emily Wood have also ensured that an exceptional defence was maintained. This week’s first victory of the season was met with great cries of joy and celebration by the 16 girls on the team, who have shown great sportsmanship and grown in their skills extraordinarily. It has been a pleasure coaching the team over the term and I am ecstatic over their very well deserved victory.

Next week in MISA we have trials for Term 4 sports; they are
Boys’ & Girls’ Volleyball (Years 10 & 11) – WAC
Boys’ & Girls’ Oztag (Years 7-9) – WAC
Boys’ Cricket (Year 7 and Years 8 and 9) – Tahmoor Oval

Upcoming dates:

A Reminder to MISA Teams
All Secondary Team MISA students are to return uniforms to your coaches by the end of this Term!

Last Wednesday, our Senior AFL Mixed IPSSO Team travelled to Macarthur for the finals. It was a great game and we played hard and well but unfortunately we were convincingly defeated. Well done team and Mrs Vidler.

Last Thursday the WAC Primary Athletics Team participated in our first NASSA Athletics Carnival. Every child participated extremely well with many children receiving a placing and/or achieving a new personal best time/distance. Special congratulations to Regan Boyle who broke two records.

As a result of our amazing achievements, 13 children travelled to Sydney yesterday to represent NASSA at the CIS Athletics Carnival.

Congratulations to all of our athletes on your achievements over the past week.

Mr Stuart McIntosh
Primary Sports Co-ordinator
On Friday, 6 September, some students from Years 3, 4 and 5 performed at the Performance Assembly in the Warne Auditorium. These students showcased skills, on their string and band instruments, that they have been developing throughout this year in Music classes. It was a fantastic opportunity for the students to perform for the rest of Kindergarten-Year 6 and their parents and friends. Congratulations to all students who performed!

A special thank you must go to Ms Jillian Bridge for her work with the Year 3 and 4 students during their Music classes and another special thank you must go to Mrs Jeffreys for her voluntary assistance with the Flutes in Year 5.

If you have a special talent with brass or woodwind instruments and you would like to assist with the Year 5 band classes, please contact Mr Grant or Ms Huxtable.

BRINGING YOUR INSTRUMENT TO THE COLLEGE FOR MUSIC

Just a note to all parents of students in Years 3, 4 and 5, it is compulsory for students to bring their string or band instrument to the College on the specified Music class day. If for whatever reason this is not possible due to unforeseen circumstances, please write a note in your child’s diary explaining the reason, addressed to Mr Grant.

The schedule for Music lessons for Year 3, 4 and 5 are as follows:

**SCIENCE OPEN DAY**

This term our Open Day will be about Science to be held on Thursday, 19 September at the end of the College Day. Everyone is welcome to come and see what Kindergarten-Year 6 have been learning about in Science and Technology this term. It is a great opportunity for you to talk to your child about their learning of Science.

**PUBLIC SPEAKING**

First of all students had to present their prepared speech and they all presented their speeches very well. The adjudicators thought that the standard was very high.

After a short break students were giving four minutes to prepare an Impromptu speech on *What Animal would I be?* This was a difficult task, to write a one and a half minute speech in four minutes!!! All students did very well and the Eagle and Wolf appeared in speeches the most.

After all the speeches it was time for the presentation. All Wollondilly students spoke very well and are congratulated on their speaking skills. Maddilyn McKinley and Brianna Ollis received a special mention and were recipients of Highly Commended Certificate.

Congratulations to all on a great day!

Michael Matthews

**KOORONG KIDS**

Koorong Kids orders are due back to the College Office by no later than Friday, 13 September.

In the latest issue of Koorong Kids, in last week’s Waratah Weekly, there are some fabulous children's titles. They have a great devotional written for children by Sarah Young, titled *Jesus Calling*. This is one of their most popular children's devotionals at Koorong and is a great resource for both parents and teachers. There is also a new VeggieTales DVD called, *The Little House that Stood*. There are many books in the catalogue, all of which are carefully chosen as Koorong aim to supply Christian books that encourage and inspire children. Their primary goal is to help children understand and relate to a God who loves them.

Wollondilly Anglican Community Church (WACC) meets in the Clifford Warne Auditorium every Sunday at 9.00 am.

So whether you eat or drink or whatever you do, do it all for the glory of God. 1 Corinthians10:31

As we enjoy the tenth year of both the College and the Church that meets in the College, it is good to remember the motto on our logo, "For Christ's Glory." This helps us to realise that the picture is bigger than just the wonderful results and achievements. They are not just moments in themselves, they are part of our celebration of eternity with Jesus.

There is still one "Uncorked" wine tasting event for this year. The theme is "Fun" and it will be on Friday, September 20. Please call me and I'll be happy to explain.

Thank God
- For our Christian heritage that our government changes with a handshake rather than a bullet
- For the Education reforms and funding initiatives of the former Federal Government
- For the cast of thousands who are putting the final touches on our 10th Annual Country Fair

Ask God
- That more in our great land will remember that the gift of a democracy does not come without the blessings, philosophies and instruction manuals of the giver – Christ.
- That the new government will pray earnestly – and listen for God’s leading
- That we may learn to contribute more than we withdraw from the deposits of our forebears into the spiritual bank account of Australia.

Psalm 127:1 Unless the Lord builds the house, its builders labour in vain.

Excellence, Endurance, Eternity.
