Courage 

Courage is the resistance to fear, mastery of fear – not the absence of fear. – Mark Twain

Often our view of courage is shaped by the versions we see at the movies or on television. The tough heroes typified in movies such as Die Hard characters like James Bond, superheroes like Batman, Superman and Wonder Woman have little resemblance to the courage shown by many people in real life. They are characterised as tough, strong, resourceful; fighting for justice against extreme odds – almost bullet proof beings who survive every encounter. We look up to them because we admire many of these qualities even though we know they are fictional characters.

Courage can be demonstrated in varied forms and it can be displayed in different situations from unexpected sources.

Some years ago a little girl named Liza was in a hospital in the US suffering from a rare and serious disease. Her only chance of recovery appeared to be a blood transfusion from her 5 year old brother, who had miraculously survived the same disease and had developed the antibodies needed to treat the illness. The doctor explained the situation to her little brother, and asked the boy if he would be willing to give his blood to her. He hesitated for only a moment before taking a deep breath and saying, “Yes I’ll do it if it will save Liza”.

As the transfusion progressed, he lay in a bed next to his sister and smiled, as did his parents, seeing the colour return to her cheeks. Then his face grew pale and his smile faded. He looked up at the doctor and asked with a trembling voice “Will I start to die straight away?” Being young, the boy had misunderstood the doctor; he thought he was going to have to give her all of his blood. (Dan Millman, Chicken Soup for the Soul).

Some people show great courage battling illness or disabilities in their lives or dealing with great hardship and loss. They wouldn’t be considered as being heroic yet they show courage in their perseverance and overcoming the difficult circumstances they face. Some names include Turia Pitt, Kurt Fearnley, Bethany Hamilton, Janine Shepherd and Paul de Gelder. Maybe not all familiar to you (Google them).

Of course real life heroes do exist but they don’t always typify the characteristics we expect and they aren’t bullet proof like the superheroes. In February this year, Corporal Cameron Baird from the Second Commando Regiment was awarded the Victoria Cross for acts of extraordinary bravery while serving in Afghanistan. ‘With disregard for his own safety’ he drew fire from the enemy away from his comrades. He was killed in action. His courage led him to make the ultimate sacrifice. We might remember him and the many other sacrifices made by our servicemen and women as we near ANZAC Day.

At Easter we remember another sacrifice from someone not considered a hero in the action drama genre of the movies. Some might consider Jesus ‘soft’ because he preached about love, peace and forgiveness. However he showed great strength and courage. How tough must it have been for Jesus to knowingly go to his own death even though he had an understanding of God’s plan for Him? He would have understood the consequences of his actions and what awaited him with his torture and punishment. In my view he was certainly not a wimp.

We remember His death and sacrifice on the cross on Good Friday and celebrate His victory over death and new life on Easter Sunday.

His sacrifice was made on our behalf and we can directly benefit from this. This was an expression of His love for us.

16“For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. 17For God did not send his Son into the world to condemn the world, but to save the world through him. John 3:16-17
**College Days**

College Days for students applying for Transition 2015 will commence in Term 2. If you have applied for a place for your child in Transition, you will receive a call during the next few weeks to organise a day for your child to come in and spend a morning with our current Transition class.

**Tours During the Holidays**

The College Office will be open during the holidays. Tours for new enrolments will be available on request. If you have friends or family wanting to know more about the College, please advise them to contact the Office to book a tour.

**Scholarships**

First Round Scholarship applications for 2015 have closed. There may be other, more limited, opportunities for Academic, Dance and Music scholarships later in the year.

Scholarships for students entering Years 5, 7, 9 or 11 in 2016 will open in September 2014.

FROM THE ACTING DEPUTY’S DESK

BYOD Bring Your Own Device
Many schools have been making decisions regarding the student use of devices such as iPads, laptops, iPhones and so on. Some schools have gone down the track of making it compulsory for students to buy an iPad or another device. Some have allowed students the choice. What are we doing here at WAC?
We have not wanted to make decisions regarding this area in a hurry. There have been many things to consider such as:
• wireless internet access and usage, what should be screened? Some schools have decided not to screen anything rather to educate about appropriate use, others have screened heavily which is more difficult when you have many devices using wireless.
• cost to parents or the College.
• maintenance requirements.
• which devices?
• which classes? All or some?
What we have and will do:
• We have researched and looked at what problems other schools have faced.
• We have given staff some devices to try out with students.
• We have purchased a set of Google Chromebooks and a trolley for use with Secondary Students
• We will trial with Year 11 and 12 students and with Stage 3 students the idea of optional devices at different levels of use.
By careful decision making, we hope to have plans that will best suit the needs of our students and parents as we live in this technology heavy world.

Progress Reports
Progress Reports will be uploaded to the Parent Portal by the end of the week. Please contact the College if you have any concerns about the reports.

FROM THE ACTING DIRECTOR OF STUDIES

This week the Year 12 students finished their half yearlies. It is a great opportunity for them to see how they are going and if the study program that they developed is on track. Today they were given a reflection sheet that helps them reflect on their preparation. It's always important to take time to reflect on things if you are going to make positive change.
It's much easier to learn to make those changes early in your learning career. If your son and daughter has done an assessment task recently I encourage them to look at the corrected work and any teacher comments. Encourage them to reflect on what they might have done differently and how they might have prepared better.

Mr Tim Hicks
Director of Studies

YEAR 10 EXCURSION

On Thursday, 8 May all of Year 10 will travel to Wollongong for their Coastal Management Field Study. This Field Study is a mandatory part of their Geography course and is linked to their second assessment task.
Students will be visiting a number of sites during the day. Initially we will stop at the Mt Keira lookout, then we will travel on to Fairy Meadow Beach and finally to the Harbour front and Flagstaff Hill precinct.
Students must wear their winter College sports uniform. We will depart the College at 8.20 am and return by 2.30 pm. It promises to be a great day!

Pastoral Care Matters

Start to Term 2
This week we have spoken to students about finishing the Term well. There have been many great things that have happened as part of Term 1, 2014 and much more to continue to look forward to on return from the holiday break.

Students and parents are reminded to:
- Check that all aspects of the winter uniform have been purchased and fit correctly ready for the start of Term 2.
- Have a chat about progress so far this year, focusing on areas that can be commended but also on those where new goals and improvements that need to be sought.
- Open up a discussion particularly if your child is in Years 5 -12 about the use of Social Media. The focus of next Term’s Pastoral Program is on this topic. Parents can attend the information night on Thursday at 7.00 pm in Warne and use this as a discussion starter.
- Plan for a shorter term, but one that contains Half Yearly Examinations and other items of assessment.
- Look at what you might want to get involved in at the College and speak with a staff member about how to access this.

Community Service
There are a number of opportunities to be involved in Community Service during the College break. I would encourage students to be involved in the ANZAC day marches and services in the local area. This is a great opportunity to represent the College and demonstrate pride in belonging wearing the College uniform and contributing to a sense of community.

Pastoral Program Term 2
The Pastoral Program for Term 2 for students in Years 5 -12 will focus on Cybersafety. This is an important area that requires regular attention due to it being a rapidly changing landscape. Students enjoy the opportunity to discuss issues in this area and staff also enjoying the opportunity to assist students to think about their actions and the consequences of these, much like we would do in the real world.

A focus on becoming a responsible global citizen in terms of how we use the great social media opportunities that are currently available will be a focus of this educational process. Students will have an opportunity to be involved in an extended pastoral period focusing on this topic, Years 9 –12 will meet at this time for our Chapel service.

Student Leadership
It has been great to see the number of students involved in leadership based activities in recent times. I would like to commend the Term 1 Years 3-5 SRC representatives on their contributions this Term, they have again been very positive. The feedback on our students from the Do Good Things Workshop in Picton last Friday was very pleasing with the organisers reporting great things about our students.

Our students have also recently participated in a forum to discuss issues about being a young person growing up in the Wollondilly area. The information collated from this is being put together to make an iFlip book as well as being the preview for a family movie to be screened in the Picton Botanical Gardens as part of Youth Week. All students involved in these activities are to be commended on their positive contributions.

EASTER PERFORMANCE!

On Tuesday and Thursday this week students from Year 10 Drama performed Easter Presentations at Colo Vale and Mittagong Primary Schools. These presentations included the Christian message of Easter.

There have been comments made that our students were like the Wollondilly Hi-5 (except there were 12 of them). The SRE staff at the schools were very grateful for our contribution. We prayed that our work would help bring glory to God and His kingdom. What a great opportunity!

AUF DEUTSCH BITTE!

In Term 1 secondary students studied a variety of German festivals. Year 7 studied Ostern (Easter) and decorated eggs using traditional sorbian patterns. Year 9 even tried traditional hot wax decorations on hardboiled eggs, which are used by the Sorbs, an ethnic minority in the east of Germany.

Years 8 and 9 also learnt about Fasnet or Fasching and decorated masks, using photos of authentic masks from Swabia (in Germany's south).

Junior Music

Throughout this term, there has been a great deal of improvement in the Junior String and Band Program (Years 3 - 6). Both Ms Bridge and I have been very impressed with the amount of knowledge the students in Years 3 and 4 have gained through their research tasks which have now been displayed in bottom area of Elizabeth. Ms Bridge and I have been equally impressed with the students' progress of holding and playing their instruments.

In addition, the students in Years 5 and 6 have been progressing with their band instruments. I have been told by Mr Coutts-Smith that the students in the Stage 3 Band have also been progressing well.

I encourage all the students to continue to practice over the holidays and look forward to further improvement next Term.

**MUSICAL 2014 - BEAUTY AND THE BEAST**

Term 1 has flown by! We have asked all students to be learning songs and lines over the coming holidays, ready for next Term. This assists us to make the most of rehearsal time. This week we combined the Primary and Secondary casts to perform Act 1. It was great to see the show coming together so well. We will be moving into Act 2 from the first rehearsal back next Term, so students should be looking ahead and learning songs/lines for this part of the show, as well as revising what has already been completed.

Next Term rehearsal times will change for Primary. Primary will be rehearsing until 5.45 pm. For Primary this will mean that they are working in Elizabeth until 4.15 pm at which point they will have a break before joining the Secondary cast in the auditorium for the second half of rehearsals. This means that all students involved in the show, both Primary cast and Secondary cast will need to be collected from Warne auditorium at 5.45 pm every Monday in Term 2.

**WAC DANCE COMPANY UPDATE**

As first Term draws to a close the Wollondilly Anglican College Dance Company members are looking forward to a well deserved break after an energized and enthusiastic start to the year. Over the past 11 weeks, students have worked tirelessly developing their fitness and technical dance skills in preparation for a year of exciting performances.

There are many exciting performance opportunities awaiting us in Terms 2 and 3! We have recently received an invitation to participate in the annual MISA Dance Festival and will also be preparing several Hollywood themed performances to feature in upcoming performances at the Queen Victoria Hospital and Wollondilly Anglican College Car Show.

We are welcoming new company members in Term 2, no auditions necessary! Rehearsals are held every Tuesday afternoon from 2.45 pm - 4.15 pm in the Warne Auditorium. We hope to see you there!

Happy dancing!

**AUF DEUTSCH BITTE!**

Students from Years 5 to 12 have been using the computer program *Language Perfect* to learn new German vocabulary. Generally our students enjoy competing against their friends and the program is an effective way to reinforce the vocabulary they have learnt at College.

I am excited to tell you that next Term we will be participating in the World Championships which will see Wollondilly College competing against approximately 15 other countries. The competition organisers are expecting about 400 000 participants this year. They also tell me that there will be a $30,000 pool of prizes. Details will follow, but the competition starts on Monday, 19 May and runs for 10 days. During that time students will be encouraged to go online and learn German vocabulary, as often as possible!

In the mean time, remember "Monolingualism is curable. Learn a second language!"

Rebecca Butler B.MUS (AGMS), PdipAGM, AAGM(TD), LIMEB(T)

Rebecca has been studying the piano since the age of 9, under the instruction of Christinne Patton from the Keiraville Music Academy, Wollongong and within that time has completed her A.MUS and L.MUS Teaching Diplomas in Pianoforte with the IMEB, as well as a Bachelor Degree in Music in 2007 AGMS, Melbourne.

As well as a love for the piano, Rebecca is also very passionate about singing, and recently completed her Grade 8 Modern Singing Certificate with the IMEB. Within her busy teaching schedule, Rebecca has been performing with a vocal group '4 Degrees of Sound' at local community events and private functions as well as participating in many mid and end of year music concerts with the Vocalise Performing Arts Academy, Leumeah.

Rebecca is currently teaching private lessons in piano, singing and music theory at WAC and is thoroughly enjoying working with such lovely, talented young people. She is very dedicated to each individual student, helping them discover their musical interests, advancing their knowledge and techniques each lesson and encouraging them to feel confident when playing/singing or performing. Over all, her vision, is not only to assist students in becoming proficient in their chosen instrument, but also to help them develop a love and appreciation for music.

DOLLARMITE INFORMATION MORNING

Mark it in your calendars:
Commonwealth Bank staff will be holding an information stand at the College on Wednesday, 30 April outside the Canteen (from 7.50 am to 8.30 am).
This is a great opportunity for parents to speak directly to CBA staff. And they are also able to open Dollarmite accounts on the spot!
**SECONDARY SPORT**

Thank you to all the students who tried out for the Term 2 MISA teams. The lists should be up on the sports notice board by now.

Congratulations to Tim Ryan, who attended the Peter O’Malley Junior Golf Masters last weekend in Bathurst. After a 17 over the card on Saturday - including rain delays and a sustaining a bee sting to the thumb ! Tim came back on Sunday to shoot 8 over the card to take out the Nett Championship for his age division by one shot. He tied 10th in the scratch out of 26 players in the Under 13 years. Well Done!

- 8/9 Girls- Cheyanne Allen
- 10 Boys- Heath Kerr
- 10 Girls- Jayde Gitto
- 11 Boys- Callum Boyle
- 11 Girls- Isabelle Robertson
- 12/13 Boys- Cody Whitelaw
- 12/13 Girls- Flynn Noakes

Notes for the NASSA Cross Country Carnival will be handed out next Term.

The **T-2 Cross Country** will be held on the first Friday back of next Term. The first event will be the Year 2s and they will be starting at approximately 1.30 pm. All parents are welcome to come and cheer on our T-2 children.

Last week we held our trials for the winter IPSSO teams. Any children who were absent on this day will have an opportunity to try out for these teams on the first Wednesday back of next Term. It has been a very busy term in sport. Well done to all children from Years T-6.

PRIMARY CROSS COUNTRY
HELP REQUIRED!!!!!

Most of our parents, carers, grandparents & friends either have their own business, work for someone or know someone who may be interested in any one of our fabulous sponsorship opportunities, like our Car Show, Country Fair, Golf Day or Recipe Book.

If we could all help each other it makes fundraising for our College a lot easier. If anyone is interested in receiving a sponsorship letter please contact Danielle Turner on pandfpresident@wac.nsw.edu.au with mention of which business you require the letter for & what event they are interested in sponsoring, this way we don’t approach any business more than once.

If a sponsorship is not possible, perhaps a donated item towards our Golf Day or Country Fair is possible. Every small donation helps our College & most importantly our children.

Much appreciated
Mrs Danielle Turner & Mrs Karen Johnson
Hi everyone, I would like to invite you all to our first Country Fair Meeting for 2014. I am very excited to be back convening this wonderful event along with the P & F. I would love to see some of the familiar faces return that have helped me out in the past, along with those that have continued on with their hard work and support. I am also encouraging all the new families of the College to get involved, we would love to have you onboard.

The Country Fair is a fantastic event to be a part of and I know from past experience I have made a lot of lifelong friends through the fair. This year we have some new and exciting ideas. I would love to share these with you all, so please come along, get involved and help make this Country Fair a success. If you cannot make the meeting due to other commitments but would still love to help out in any way, please contact me on 0425 281 031.

I look forward to seeing you all there.

Let us draw near to God with a sincere heart in full assurance of faith. Hebrews 10:22
Assurance is a great word. It talks about complete confidence that the future is under control, and that it will be good. While life itself is full of uncertainties, where we are constantly wishing that we could know what is coming, we can know our eternal hope without any doubt at all. This Easter, find out about this hope at a Church near you.

**Prayer Points**

**Thank God**
- For the sense of community pride that abounds at the College
- For our hard working P & F and their efforts to ‘friend raise and fund raise’
- For sending His Son Jesus so that we might be saved.

**Ask God**
- To keep Dr and Mrs Quarmby safe as they travel through China and Vietnam
- For courage so that we are able to make a positive difference in the world
- To grant wisdom, patience and discernment for Mr Croger, Ms Huxtable and Mr Hicks who are in acting leadership positions during Dr Quarmby’s sabbatical.
