Sally sat in the chair opposite the Headmaster with her mum and dad. Mum was a little teary and dad sat with his arms folded. It had been three days since Sally had been suspended from the College and mum and dad had made hasty arrangements to keep her at home or at work with them.

“How is she feeling about everything, Mr and Mrs Kafoops?” asked the Headmaster.

“Sally is really upset about being suspended and we have asked her to think about what she will say today. She wants to give you a reassurance that it will not happen again,” said Mr Kafoops.

“We have taken away a few privileges at home as well” said Mrs Kafoops. “No more mobile phone for a while and she was not able to go to Isabelle’s party on the weekend.”

The Headmaster asked Sally into the office.

“Why were you suspended, Sally?”

“I threw a rock and it hit someone. But she started it when she made a dumb face at me”. Sally started by focusing on the last event and by blaming somebody else.

“What about the other things that were in your diary – the swearing; the hitting; refusing to follow instructions?” asked the Headmaster. “Don’t you think that these all added up to the suspension as well?”

“Other kids swear; other kids hit,” said Sally. “They get away with it more than me.” I should have just got a detention. The rock slipped out of my hand when I was waving it to show it to my friends. I have been sick you know and nobody plays with me.”

Dad and mum were disappointed. So was the Headmaster. This would be a long interview.

That evening the Headmaster was driving home from the College after a long meeting. It was late and he was tired and irritable. Suddenly the car behind turned on its blue and red flashing lights. Instinctively he looked down at his speed. OK – relief! The driver behind slowed and put on the passenger side blinker.

The Headmaster pulled over and wound down the window. Moments later, a voice in the dark said, “Do you realise that you sped up way too much when you passed a car back there. It’s an 80 zone and you were well over 90.”

A hat-load of excuses / reasons passed through the Headmaster’s mind. “I knew I should not have ordered that Lime Green SS Commodore – it just draws attention; I was overtaking; of course I sped up; What about that “P” plater who just passed me; I’m a good driver with a good record; I’ve had a long day and I am keen to get home; I sneezed and depressed the accelerator; I had an attack of heartburn after a dodgy kebab; must get that speedo fixed.”

Then he remembered Sally. He had hoped that day that she would recognise that she had done the wrong thing so that there was a starting point for moving forward. Her parents wanted that too. Instead she had resorted to blame and excuses rather than taking an opportunity for growth and maturity. In the end, those who cared for her wondered whether she had really learnt anything at all.

And so, in the end, he meant it when he said,

“I’m Sorry Officer. I should have been more careful”.

From the Headmaster, Dr Stuart Quarmby

**SPECIAL TERM EVENT - TOMORROW NIGHT, FRIDAY, 20 JUNE 7.00 PM!**

Some tickets still available!

In place of our usual Term Service we have accepted the opportunity to host a Colin Buchanan Concert in our Auditorium. Due to limited seating in our Auditorium and to help the event to run smoothly, a ticketing system has been set up. We have been given this tremendous opportunity to host this, while Colin is in Sydney. The tickets will be $5.00 each to partially recover costs. To purchase a ticket, you will need to access the [www.wac.nsw.edu.au/events](http://www.wac.nsw.edu.au/events).

As this is not a normal Term Service, College uniform does not need to be worn and Community Service Merit awards will not be distributed. There will be a few of our College student leaders who will be in uniform on the evening as they will be representing us in a formal capacity.

After the Performance, Colin and his Team will be selling merchandise and he will be available to sign autographs!!
FOOD DRIVE AT THE COLIN BUCHANAN CONCERT

Our College has a wonderful team of volunteers who provide short term relief by cooking meals or providing care parcels to College families who may be undergoing loss, trauma, illness or hardship. To help this team we are conducting a food drive specifically for this purpose.

Please make sure all food is in date and non-perishable. Below is a list of helpful items if you are wishing to contribute to the Drive:

- Rice - Basmati or long grain
- Pasta - dried, any variety including lasagna sheets
- Dried instant mashed potatoes
- Dried pulses eg lentils, soup mix
- Tinned tomatoes, crushed/diced/whole
- Tinned beans eg cannellini, five bean mix
- Tinned vegetables eg mushrooms, corn
- Tomato paste
- Tinned Custard
- Cooking sauces eg Chicken Tonight products, Kantong
- Cake mixes
- Blocks of Chocolate
- Bags of Lollies
- Biscuits eg treats like Tim Tams
- Vegetable Oil
- Olive Oil
- Salt
- Pepper
- Plain flour
- Longlife milk (for white sauces)
- Gravy mix
- Vegeta/vegetable stock powder
- Gladwrap
- Gladbake
- Foil
- Plastic food gloves
- Foil roasting trays with lids (from House Warehouse in packs of 4, size 22.9 x 16.5 x 5cm - $2.00 per pack)

These products will be used by our team to cook relief meals and make up parcels. If you do not have time to shop but would still like to contribute, any donation of coins or gift cards are very much appreciated. Please bring your contributions along to the Concert, there will be a place to put your items in the foyer and Mrs Lynette Buick will be there to receive your contributions.

If you are interested in joining this group of cooking volunteers, please contact me at the College Office.

Class Changes in Secondary
At the end of the Semester there is an opportunity to review the class placements in Years 7-10. There is the potential for students to be moved due to their academic performance or for pastoral reasons. Parents should note that their child’s position in the Grace class is not permanently guaranteed. Students need to work to a high standard to maintain a position in the Grace class.
Parents will be notified if their child is going to be moved.

Year 9 Subject Selection – 2015
The Year 8 Information Night was held last Tuesday evening.
The selection of courses will be made online. This is the same process that was used last year.
The following steps should assist you in the process:
1. After reading the Subject Selection Handbook and having a family discussion, access the following site https://web.edval.com.au
2. An individual family web code will be sent via email and use this to access the page to enter your child’s subject choices. (This will only work if we have an up-to-date email for you).
3. Using the drop down windows, list the subject preferences. Choices need to be listed in order of preference.
   The software allocates the subject lines to those with the highest preferences.
4. Two preferences and three reserve preferences need to be made.
5. Submit your choices.
Please remember that although a course may be offered there isn’t a guarantee that it will run. The decision as to whether courses operate is based on the number of students selecting those courses and the Headmaster’s discretion.
If you have difficulties in accessing the site, please contact the College Office.

Gold/Silver Expedition – Wild Dog Mountains
Our most recent expedition occurred from Thursday, 12 June to Sunday, 15 June for Gold Level students and Friday, 13 to Sunday, 15 June for Silver Level students. 12 students and three staff braved the cold weather to hike in the Blue Mountains and the Wild Dog Mountains near the Cox’s River and Megalong Valley.
This is a challenging hike as the country is quite hilly and remote. The students were up for the challenge and carried themselves well. Highlights included Splendour Rock, The Grand Canyon, campfires, Elvish singing, sighting various wildlife and a visit from Gollum.

Congratulations to our Gold Level students – Alex Denley, Georgina SaintJohn-Viney, Sam Gardiner, Andrew Russell and Laura Fleming.
Well done our Silver level students – Nathan Moore, Thomas Shakeshaft, Nicholas Gregory, Alex Gaidzionis, Grayce Keen, Tyler Wilson and Gabby Apps.
Once again I would like to thank Mrs Cochrane and Mr Hicks for their assistance with the hike.

FOUNDATION DAY FLAG RAISING — FRIDAY, 13 JUNE
Senior Chapel
On Thursday, 12 June all students in Years 9 - 12 meet for our Senior Chapel service. This term the theme focused on the area of Christian service. We were fortunate to have the Reverend Alan Wood and his wife Helen speak to our students about their journey in this area as well as providing some guidance to our students about how this can be practised as part of their daily lives. The Chapel also had a bit of a World Cup Soccer theme to it with the students viewing a testimony from Brazilian soccer player Kaka and participating in a House based penalty shoot-out challenge.

Congratulations to Wollemi who won this challenge. The following students received Australian soccer jerseys as a prize, so that they can support the Socceroos as they compete at the World Cup:
Year 12 – Montana Walker
Year 11 – Jemma Hahn
Year 10 – Thomas Angel
Year 9 – William Girvan

I would like to thank our College Captains Thomas Hart and Emily Clark for running the Chapel and commend all students on their behaviour and involvement in the service.

Finishing Well
Towards the end of the term Mr Croger, often speaks with students about ending the term well. In his absence Dr Quarmby echoed these sentiments on the Secondary Assembly last Monday. I would like to add my support to this idea also as it is very much a consistent message that is communicated to our students when we reach this point in the term.

Students can do this by:
- Ensuring that they are prepared for all lessons both in terms of equipment and in attitude.
- Demonstrating Pride in Belonging in the way they wear their uniform at all times.
- Being respectful, courteous and showing empathy toward their peers.
- Following teacher instructions at all times and being co-operative in their attitude in the classroom, playground and beyond.
- Staying on top of homework and assessment tasks.
- Involving themselves in a positive manner in the College events that are upcoming.
- Keeping their hands and feet to themselves.

I have highlighted some of the ways above and ask for the support of parents to assist in the process in the Term finishing well.

Diaries
The student diary is the primary medium through which communication about student progress at the College is conducted. It is essential that students sit down with parents and view the diary, at a minimum, on a weekly basis. The College has processes in place in which staff take the time each week to see that students are having their diaries signed in the relevant area by parents as we believe this to be an important part of our partnership with parents in the education of their children. In the diaries, information about homework, assessment tasks, detentions, uniform infringements and awards can be accessed.

All of this information can be used both by the students and parents to evaluate progress and set goals for the future. This is particularly important as we close a semester and a new one will commence. A number of students have been spoken to recently about writing in the diaries of other people and the state in which their diaries are being kept. There are some instances that can lead to the College asking students to purchase a new diary from the College Office.

Please ensure that the diary is maintained in an appropriate state and that where required parents sign to acknowledge comments, uniform infringements and detentions to support our processes here at the College.

Open Classroom Afternoon (Transition to Year 6)
Once again parents are invited to attend the open classrooms. This will be held on Thursday, 26 June, starting at 2.40 pm and finishing at 3.30 pm. This is a great opportunity for the children to show the work and learning that they have been doing this Term.

Junior Formal Assembly
Parents of our Kindergarten to Year 4 students are invited to attend the Junior Formal Assembly this Friday, 20 June at 8.30 am in the Auditorium.

The inaugural performance from our Junior Band under the direction of Mr Coutts-Smith will no doubt be a highlight.

Our Kindergarten students will be performing. Always a delight!
Come and help us celebrate the Term that was.

T-2 Athletics Carnival
Date: Friday, 27 June
Time: 1.30 pm - 2.20 pm
T-2 parents and friends are invited to attend the T-2 Athletics carnival on Friday, 27 June. The carnival will begin at 1.30 pm and go through until 2.20pm

Students will need to ensure that they are wearing their College sport uniform, including correct footwear. It is recommended that students bring an extra drink bottle in order to remain hydrated throughout the afternoon.

At the conclusion of the carnival all T-2 students will be dismissed from the sails area as per usual.

Head Lice
We have a few cases of Head Lice at the moment, please find the enclosed helpful ‘Check and Treatment’ pamphlet.

TAHMOOR UNDERGROUND

GLENCOE
The Trip:
Chatting and excitement were all to be found on the Year 5 excursion bus. The long journey to Canberra was filled with adventure and knowledge. We passed the ancient, widespread plain of Lake George and drove past the beautiful Parliament House. We were now close to our first Scientific Investigation Organisation, Questacon - 8 galleries high of exploration, mind testing illusions and Science.

Questacon:
From earthquake simulators to rooms of illusions, everything was something new to our minds. Lightning chambers, non-string harps and a walking talking robot were all to found in one spectacular place, Questacon. Enter the New Castle Earthquake, magnitude of 5.5 and experience the most terrifying minutes in the history of Australia. My friends and I experienced the rumbling and shaking of the earthquake, having such a terrific time. Soon it was time to leave and off to a new place filled with outstanding science.

CSIRO:
From extracting DNA from cow peas to meeting the exotic stick insects Cookie, Paul, Peter and Terry and exploring the Commonwealth Scientific Industrial Research Organisation (CSIRO). The CSIRO building was huge! The roof went way too high, and there were the endless corridors and exhibits. Also this organisation has created common items such as Aerogard and the plastic, almost unbreakable money notes.

The Trip Home:
Sing-Alongs, chatting and sleeping were occurring on the way home. The sun had fallen and the moon had risen and it was very dark inside our 5 star bus. A movie was played, 8 Below Zero and many students had fallen asleep during the movie. Soon we arrived back at the College and I couldn’t wait to go home and lay my head against my pillow.

By Jack Carroll

Stage 3 Excursion
On the Friday, 13 June Years 5 and 6 travelled to Canberra to visit Questacon and the CSIRO. It started as an early morning (leaving at 6.50 am). We started our drive. We arrived at Questacon at about 10.00 am, all very energetic to start the exciting trip.

Before we made our way into Questacon, we stopped for morning tea. When we had finished eating, we made our way into the eight story discovery land. First we watched a presentation about the four most common natural disasters that befall in our nation. After that, we made our way up the very tall flight of stairs. As we made our way through the earthquake house to the big dip, it was all a great learning experience, (much better than the classroom).

Our next destination was the Commonwealth Scientific Industrial Research Organisation. Even the name couldn’t hold us back. We were all eager to see the magnificent exhibits in the CSIRO. We did many amazing activities such as making pea juice DNA and trying to untangle many ropes.

The trip home was much quieter then the trip down as we snuggled up to watch a movie (Eight Below). There were tears, laughs and sleepy heads that were just too tired. Although it was a long day it was a great experience.

STAGE 3 EXCURSION
HSC Resources: The Sydney Morning Herald published their HSC guide in conjunction with BOSTES giving helpful tips on subjects, exams and how to do well. Year 11 and 12 students should have received an email link to the resource. Hard copies of all the information are available for students from Years 11 and 12 to collect from Flynn IRC. You can also access the information through logging onto the paper archive through the College library and use the College usernames and passwords. If you need help to do this please see me.

HSC Lectures: English – Belonging. Times and dates for these are available from Flynn IRC.

Scholastic Book Club: Order forms went out last week for Issue 4. These are due back to the College office by Friday – this is when the orders will be sent off so that we get them back before the end of Term.

Volunteers: Thank you to all the wonderful people who have been giving up their time to cover books. Some kind ladies have been taking home books and covering them at night and we have been able to get lots more books onto the shelves. Thanks especially to Mrs Bell-Mackie, Mrs Forbes, Mrs J Rigg, Mrs Burrett and Mrs Moon.

ESSAY COMPETITION

“Why the Centenary of ANZAC is Important for Modern Australia”

The Member for Baulkham Hills David Elliott today urged young people across Western Sydney to embrace the ANZAC legend and enter the ANZAC Youth Ambassadors Essay Competition, sponsored by Clubs NSW.

Mr Elliott is offering six students the opportunity to visit Gallipoli, France, Ypres and Westminster Abbey for Remembrance Day this year and to engage with the community on the importance of the ANZAC legacy.

The prize will be open to school students aged 16 -17 years, with students to visit sacred Australian historical sites and attend the Westminster Abbey Remembrance Day Service.

Entrants are to submit a 1000 word essay entitled “Why the Centenary of ANZAC is Important for Modern Australia” by email to baulkhamhills@parliament.nsw.gov.au by 5.00 pm Thursday, 31 July 2014.

Mr Ian Croger
Deputy Headmaster
It was wonderful to complete a whole show run through at rehearsals this week and to identify the areas that still need refining. All of the costumes have been purchased or hired and many have already arrived. We can't wait to see the cast all dressed up during rehearsal week. In the first week of the holidays, the side stages and sets will be positioned and we also hope to have the lighting rigged in. This will ensure that we maximise rehearsal time.

Parents and students are reminded that all students (cast and crew) are required to attend all holiday rehearsals (Monday, 7 July - Friday, 11 July from 9.00 am to 4.30 pm) and every rehearsal / show from the start of Term 3.

**WAC SPORTS CHAMPION!**

On the weekend Jye Bashford played in the u/11’s rep hockey team representing Macarthur at their first carnival for the year where he and his team played against other u/11 boys from across NSW.

Jye’s team, Macarthur Green, won the day and were presented with medals for coming first. Jye plays the position of goalkeeper. Well Done Jye!
ARTIST OF THE WEEK

In Term 1, Year 10 Visual Arts students learnt about the Archibald Prize at the Art Gallery of New South Wales and the history of portraiture in Australia. They learnt how to apply tone and capture an emotion in their art making, to create realism or expressionism in their own self-portrait. Year 10 have used their skills with graphite, charcoal and pen to create a self portrait. The students selected an emotion at random and had to portray that emotion in their self-portrait.

Congratulations to Maddison Lane in Year 10 for our Artist of the Week. Maddison has used graphite on paper to create her large scale self-portrait titled "Victorious". Maddison's artwork is currently on display in the Flynn library.

NSW TITRATION COMPETITION

On Tuesday, 10 June Wollondilly Anglican College again acted as a host site for the NSW Titration Competition. We had six teams of three students competing this year. No team had a collective score to make it into the final, however, we had three students who performed particularly well on the day. The aim is to get a low score (closest to the mark) and Bethany Wadling (45) and Laura Fleming (1), both of Year 11, did very well. Alexandra Amos of Year 12 had a perfect score (0), an outstanding performance in the State, let alone the College!

Dr Andrew Eaton
Science Coordinator
**SECONDARY SPORT**

The Secondary Athletics Carnival is on Friday, 20 June. Students are reminded that if they wish to compete in the 1500m race they will have to be up at the back oval for an 8.00 am start. Also the students will have to bring their lunch for the whole day as they will not be allowed back down to the Canteen at any stage during the day.

A reminder for parents attending the Athletics Carnival, please do not park up at the oval, please use one of the car parks and walk up.

Congratulations to all our cross country runners who competed in the CIS carnival last Thursday, you all ran amazingly. A special congratulations to Kevin Galwey who came 6th at the CIS carnival, he now goes on to represent CIS in the All Schools State Cross Country well done Kevin this is a massive achievement!

Next week in MISA we have trials for Term 3 sports and they are;

- Year 7 Girls’ Netball
- Year 8 Girls’ Netball
- Years 7 - 9 Girls’ Soccer
- Years 10 -12 Girls’ Soccer
- Year 10 -12 Boys’ & Girls’ Basketball
- Years 7 & 8 Boys’ Rugby League
- Years 9 &10 Boys’ Rugby League

There has been an unexpected rise in children saying they can't do Tuesday sport for various reasons and they are bringing a note in from home. Understandably from time to time children get sick or injured, playing their normal weekend sports, and a note for that week is sufficient.

However, If your child has a long term medical injury, illness or medical condition, that prevents them from taking part in their normal sport rotation, then a medical certificate will need to be provided and shown to the teacher on the relevant sport and also the sports coordinator. If you have any questions regarding this then please do not hesitate to contact me. Please remember: Physical activity is a compulsory component of the NSW curriculum and the College is required to sign off on a Student's completion of credentials. Sport is good for your child, after all, and participation is in their best interests.

Mr Richard Madden  
Secondary Sports Coordinator

**PRIMARY SPORT**

Congratulations to all Primary Students on a very successful carnival today. More detailed results will be included next week.

Next Wednesday, all IPSSO teams will be travelling to Broughton Anglican College (Menangle Road, Menangle Park). The Junior games will start at approximately 12.00 noon and the Senior games will start at approximately 12.45 pm.

Friday, 27 June is the T-2 Athletics Carnival. Further details are included in this week's Waratah Weekly.

HELP REQUIRED!!!!!

Most of our parents, carers, grandparents & friends either have their own business, work for someone or know someone who may be interested in any one of our fabulous sponsorship opportunities, like our Car Show, Country Fair, Golf Day or Recipe Book.

If we could all help each other it makes fundraising for our College a lot easier. If anyone is interested in receiving a sponsorship letter please contact: Danielle Turner on pandfpresident@wac.nsw.edu.au with mention of which business you require the letter for & what event they are interested in sponsoring, this way we don’t approach any business more than once.

If a sponsorship is not possible, perhaps a donated item towards our Golf Day or Country Fair is possible. Every small donation helps our College & most importantly our children.

With thanks, Mrs Danielle Turner & Mrs Karen Johnson

I consider that our present sufferings are not worth comparing with the glory that will be revealed in us. Romans 8:18 NIV

Hope always makes endurance possible. Like a long journey to the beach in a brown people-mover, we are prepared to endure the embarrassment of the trip for the sake of what awaits us. The knowledge that our faith in Jesus guarantees our eternal glory with God is a great reason to trust his care for us during our daily struggles.
This week’s Pretend Headmaster Isaac Maher (KC) welcomes Dilly back from China and Vietnam.

**Prayer Points**

**Thank God**
- For our Police officers, Paramedics, Nurses, Fire fighters and those who work daily to keep us safe
- For His assurance that those who know Jesus are forgiven rather than accused
- For the hard work, often unseen, by our wonderful Parents’ and Friends’ Association

**Ask God**
- That we will be more ready to apologise than to blame or to reach for an excuse.
- For His continued blessing over the planning of infrastructure and staffing for 2015
- For wisdom and forgiveness as we deal with those who are less than perfect – each other
