Thank God – for all you have done

As I was pondering what to talk about at the end of Term 2 for the Middle Formal Assembly, I searched back through past newsletters and speeches looking for inspiration. None came. Instead, I was distracted the hopes, prayers and ambitions of the past. It was 2006 and the College was in its third year. Our oldest group was in Year 9 and our youngest was in our new Transition program.

If you are like me, then sometimes we pray about things and then, sadly, forget all about answers that God gives. Sadder still: this can even happen when His answers far exceed our expectations.

In 2006, in Term 2, we were celebrating answered prayer –

- A part-time Teacher/Librarian and our first Information Resource Centre. Now we have four.
- A brand new Transition program for our 4 year olds. These students are now in Year 7.
- An expansion of elective options for stage groups in Years 9 and 10 to include German, Visual Arts, Music, Wood, Design and Tech, Commerce, Food Tech, Computing and Sport Science. Now Year 9 & 10 are offered even more options and in Year groups rather than Stage groups.
- We had an outdoor education program with students excited about travelling to different parts of Country NSW. Today, they fly to Vietnam, Germany, New Zealand and Arnhem Land.
- We were looking forward to getting an upgrade to broadband so that we could run class sets of computers more quickly. Now we have a microwave dish that links us to the top of Sydney Tower and there are nearly 500 computers with rapid access.
- The band was improving and a new strings group in 2006 was a wonderful addition to the College. Now every student in Year 3 learns a strings instrument and every student in Year 5 and 6 a band instrument.
- The new Dance group in 2006 is now the College Dance Company
- Our Sport program has expanded from 2006 where we could not field teams in all sports for MISA or IPSSO, to a sporting heritage that now celebrates several world champions and a League 7’s team that will again defend their NSW Champion title.

These were a few of the highlights in the end of term 2 speech for 2006. The theme was “Thanks God, for all you have done!”

It was interesting to look back at 2006 in 2014. God has blessed us with staff of high calibre and I pray that He will continue to richly bless us with the new additions for 2015. The rollout of Interactive Whiteboards continues across the College. Students can access and complete assignments online. Parents have up-to-the minute information on student progress through the parent portal and the new phone app has been well received by all. (Apps had not been invented in 2006). We are on target this year to be a level one Corporation school. There are now five buses transporting students from out of the area. There are six building projects currently in progress or in planning. And I am delighted to announce that our College has just exchanged contracts for the purchase of the Olive Farm to our North. This will provide our students with even more facilities and allow for future expansion.

It could be that I lack imagination. It could be that the phrase is just stuck in my head like one of those annoying pop-songs such as Olivia Newton-John’s “Let’s get Physical” (sorry – I just did it to you too), or it could be that it is a dominant daily thought, (I hope it is the latter), but I could not come up with a better title for my Middle Formal speech in 2014 than the one used in 2006 –

Thanks God – for all you have done
PARENT TEACHER INTERVIEWS 2014

Parent Teacher interviews will be held for students in Transition to Year 10 early in Term 3 on **Thursday, 24 July (today)** and Wednesday, 6 August. The Parent/Teacher interviews provide parents with the opportunity to discuss the progress of their child with their child’s teacher.

Similar to last year, the College is using an online interview request system which streamlines the interview process. It also ensures that, wherever possible, parents obtain interviews with the teachers they want to see within the most efficient time frame.

Once the Semester Reports have been finalised parents of students in Years T-10 will receive an email with their Access Code and an outline of the process required to complete their online booking.

This process requires parents to:
2. Use their student booking code to request interviews.
3. Indicate the teachers they wish to see in order of priority.
4. Revisit the site after a designated date to access their schedule of interviews.

If you have not supplied your current email address and SMS details please contact Mr Jonathan Shaw at the Office on 4684 2577 as soon as possible. Also, if you would like assistance with the process, please contact the College in entering your interview requests and we will assist you.

Important Reminders
As we begin Term 3 or the second semester of the year the following are some reminders to ensure that we quickly get back into the swing of things:

- Students need to ensure that they have their diaries with them each day and that they take them to assembly, roll call and into every class. The diary should be used to assist with student organisation and is important with regards to communication with parents.
- Diaries need to be signed in the appropriate section each week by parents. This was not happening as regularly as expected for some students. We believe that this is an essential form of communication with parents and that it engages all parties in the learning process. Students who do not have their diaries signed weekly by their parents will receive warning letters and consequences for not completing this important process.
- Students who do not have their diaries at the College will be asked to report to the front office and will be issued with a Temporary Diary. This will be recorded and on the third occasion they will be issued with a lunch-time detention. Ongoing issues in this area will lead to a Formal detention that will be recorded in the Discipline welfare section of the diary.
- Students should arrive to the College and leave the College each day wearing their blazer or bomber jacket. On Sports days students should arrive and leave in their Sports/PE Jacket and Tracksuit pants.
- To students who have returned to the College and have been asked to address issues to do with haircuts, hair colour or other aspects of uniform, please ensure that these are completed by the timeframes that have been provided. The College greatly appreciates parental support in such instances.

Pastoral Program
The focus of the pastoral program in Term 3 is on student wellbeing, mood and resilience. A number of sessions have been planned that will run during Roll Call time and in the extended pastoral period. Please take the time to discuss these sessions with your children and to reflect on these concepts. Thank you to Mrs Rigg and Mrs Madden for preparing these activities and to the Roll Call teachers for delivering them to your groups.

There will also be some trivia sessions in Roll Call this semester with the points from these sessions being allocated to the overall House Shield pointscore.

Time: 7.00 pm Clifford Warne Auditorium

Musical Cast and Crew
Secondary cast and crew need to arrive at 5.00 pm on Friday for the dress rehearsal and every evening performance next week. Junior cast members need to arrive at 6.15 pm on Friday for the dress rehearsals and for every evening rehearsal next week. We expect to finish dress rehearsals this Friday at 10.00 pm. We are aiming for the shows to finish at 9.45 pm each night.

As has been indicated previously, students will arrive with their foundation, mascara and eyeliner already applied. Their hair should also be done. Please ensure your child brings a bottle of water and a small snack. Students may not eat in their costumes, they may like to bring a dressing gown to cover their costume for this reason.

Please ensure that provided snacks are nut-free and please do not send your child with egg-based foods. In addition, no food at all is permitted in the Transition classroom, so primary students will be provided with a space in the secondary green room where they can eat and leave their snacks as they arrive.

The matinee performance will take place next Monday, during College hours. Secondary cast and crew will go straight to the auditorium after arriving at the College. Primary cast members will be collected from their classes at an appropriate time and taken to the auditorium. All female cast need to come wearing their make-up. Male students are not required to wear make-up for the matinee. All students (Secondary and Primary) need to arrive at the College and leave the College in full Winter uniform.

Parent Helpers Needed - As many of you know, during intermission light refreshments are served for the audience. We are looking for two parents to volunteer each night to help with the set up and distribution of this supper. The College will provide all of the refreshments, your role would be to help prepare these items, to distribute them and to help clean up afterwards. You would need to arrive at 7.00 pm and your duties would finish at around 8.30 pm.

Unfortunately, you won’t be able to watch the show on the nights when you volunteer for this task. Please contact Mrs Karen Zvargulis via email to volunteer (k.zvargulis@wac.nsw.edu.au).

At the end of Term 2 the Year 9 German class put their German reading skills to work, reading a recipe in German and following the directions. Students made Kartoffelpuffer (potato pancakes). This recipe is a traditional dish, which the kids enjoyed cooking and eating.

BUILDING PROGRAM FRONT CARPARK CHANGES

Some of you will already be aware that work has begun on our new buildings, a Trade Skills Centre and Administration building at the front of our College just south of our soccer field.

The entire area will be fenced off and will be out of bounds to all but the builders and their trades people. Access for the builder and deliveries to the building site will be through the front car park near the flagpoles and then through the farm gate onto the present Administration driveway.

We will be sectioning off an area of the front car park for the builders and trades to park their vehicles. All truck access will be through the front car park during non peak College times. For these reasons it will be best for staff, parents and visitors to park in our other car park areas as much as possible and to minimise risk of damage to vehicles.

Your assistance with this is appreciated.

PRIMARY SPORT

Welcome to Term 3! This Term is a quieter term for sport with only the NASSA Athletics and CIS Athletics Carnivals currently on the sporting calendar. Notes for the NASSA Athletics will be handed out early next week. The date for this carnival is Thursday, 21 August 2014 at Campbelltown Athletics Stadium.

IPSSO sport resumes next week and all games will be held here at the College. The Year 3 - 4 game starts at approximately 12.00 pm which is followed by the Year 5 - 6 game starting at approximately 12.45 pm. Parents are welcome to come and support our students.

It has been noticed over the past few IPSSO games, children have been playing and using electronic devices on the bus and/or while waiting for their team to play. All electronic devices are not to be used on the bus or while at sport waiting for their team to play. Any devices seen by a staff member, will be asked to be put away and if it appears again, will be taken and returned at the end of the day. All waiting children should be cheering on the playing team or quietly sitting down and talking. Children can read a book if they would like. If you have any questions, please do not hesitate to speak to me.

WAC TRIP TO VIETNAM

Over the school holidays 24 students from Years 10 and 11 travelled to Vietnam to participate in Community Service and to develop their cultural awareness. A summary of the itinerary can be found on the College website http://www.wac.nsw.edu.au/vietnam.

The students represented the College in an exemplary manner both in the way that they worked and their behaviour on and off the worksite. Highlights of the trip were the home stay and build, visiting the war memorial, Cu Chi Tunnels, visiting the orphanage and, of course, shopping.

It was a great opportunity for the students to see the world from a broader point of view. Seeing the lingering effects of the Vietnam War was emotional for the students and staff alike but an important part of seeing what Vietnam is like.

Thank you Mrs Huxtable for giving up your holidays to help supervise!
The Prince of Preachers - Charles Spurgeon recounts this soul-stirring anecdote of a young boy:

Is it not a sad thing that we should think it wonderful for God to hear prayer? A little boy in one of the schools in Edinburgh, who had attended a prayer meeting, had much better faith. He said to his teacher who had conducted the prayer meeting, "Teacher I wish my sister could be made to read the Bible. She never reads it."

"Why should your sister read the Bible Johnny?"

"Because if she would once read it, I am sure it would do her good, and she would be converted and saved."

"Do you think so Johnny?"

"Yes, I do sir, and I wish the next time there's a prayer meeting you would ask the people to pray for my sister that she may begin to read the Bible."

"Well it shall be done, John."

So the teacher mentioned that a little boy was very anxious that prayer should be offered so his sister might begin to read the Bible. John was observed to get up and go out. The teacher thought it very rude of the boy to disturb the people in a crowded room, and so the next day when the lad came, he said, "John, I thought it was very rude of you to get up in the prayer meeting and go out. You ought not to have done so."

"But sir," said the boy, "I did not mean to be rude. I thought I would just go home and see my sister reading her Bible for the first time."

And Jesus said: ‘Truly I tell you, unless you change and become like little children, you will never enter the kingdom of heaven." (Matthew 18:3)

The faith of a child is authentic; they are the baseline of spiritual quality, eligibility and acceptability.

Envy, NO COPY the faith of a child for it is a bright light to an educated adult soul.

ARTISTS OF THE WEEK

Sarah Laverty and Georgia McCorkell
‘Change in my pocket’, 2014
Acrylic on canvas

As a part of the Wollondilly Shire Community in partnership with Tharawal Local Aboriginal Land Council, the students were invited to create an artwork about the 2014 National Reconciliation Week Theme “Let’s Walk the Talk”. Sarah Laverty and Georgia McCorkell have worked together to create their acrylic on canvas artwork ‘Change in my pocket’, 2014

Artist statement:
‘Change in my pocket’ is a reflection of seeing the small things and making them larger, to obtain an audiences’ attention. The artwork consists of two large paintings, one of a fifty dollar note and the other of a two dollar coin. This money is a celebration of Australia’s Indigenous Heritage. However do we really pay attention to these small objects or simply find that the objects are exchanged back and forth between our hands. ‘Change in my pocket’ references the ‘Reconciliation’ as we have the potential to make change.

WAC FOOD DRIVE

Thank you to all those people who generously donated food items at our Term 2 Food Drive. These items have all been put to good use to assist families in need.
HELP REQUIRED!!!!!

Most of our parents, carers, grandparents & friends either have their own business, work for someone or know someone who may be interested in any one of our fabulous sponsorship opportunities, like our Car Show, Country Fair, Golf Day or Recipe Book.

If we could all help each other it makes fundraising for our College a lot easier. If anyone is interested in receiving a sponsorship letter please contact: Danielle Turner on pandfpresident@wac.nsw.edu.au with mention of which business you require the letter for & what event they are interested in sponsoring, this way we don’t approach any business more than once.

If a sponsorship is not possible, perhaps a donated item towards our Golf Day or Country Fair is possible. Every small donation helps our College & most importantly our children.

With thanks, Mrs Danielle Turner & Mrs Karen Johnson

*Jesus wept. John 11:35 ¶*

Lazarus was not only dead, he had been in the burial tomb for four days. Then Jesus came, planning to bring Lazarus back to life. And yet, he joined the family and community in grief, sobbing over the death of his friend. As we reflect on the tragedy of the weekend, along with all of our other grief and loss, we find hope in the fact that God not only has a plan to make all things good, but he also grieves with us. He shares our pain while he gives us hope and purpose.
Psalm 127:1 Unless the Lord builds the house, its builders labour in vain.

Excellence, Endurance, Eternity.

This week’s Pretend Headmaster Lucinda Dennis (KS) assures Dr Quarmby that the ship is in safe hands while he is at a meeting.
