You’re a Shining Star - No Matter Who You Are

From the Headmaster, Dr Stuart Quarmby

Sowing the Seed of Success

The following is an edited version of a story that was sent to me via email. I hope you like it too -

It was time for a businessman to choose a successor to lead his business. Instead of appointing one of his directors, or one of his children, he decided to call the company's young executives together and said, "I have decided to select one of you." I am going to give each of you a seed. Plant the seed, water it, and one year from today bring what you have grown from the seed I have given you. I will judge the plants you bring, and choose our next CEO."

Jim excitedly told his wife. She helped him get a pot, soil and compost, and he planted his seed. Every day, he watered it and watched. Soon some of the other executives began talking about their seeds and the plants beginning to grow.

Jim kept checking his seed, but nothing grew. Six months passed. He concluded he had killed his seed, but said nothing to his colleagues. Jim continued watering and fertilizing the soil. When the year ended, the young executives were instructed to bring their plants to the CEO for inspection. Jim told his wife he refused to take an empty pot to his workplace, but she urged him to be honest about what had happened. It was embarrassing, but he knew his wife was right.

Jim took his empty pot to the boardroom. When he arrived, the variety of plants the other executives had grown amazed him. They were beautiful – in many shapes and sizes. When Jim put his empty pot on the floor, his colleagues laughed. Then the CEO arrived. "My, what wonderful plants, trees and flowers you have grown," said the CEO. "Today one of you will be appointed the next CEO!" Then the CEO noticed Jim’s empty pot. He invited Jim to the front. The CEO asked what had happened to his seed. Jim explained despite his best efforts, nothing had grown. The CEO turned to the group and asked everyone to sit down, except Jim. He then announced, "Behold your next Chief Executive Officer! His name is Jim! Then the CEO explained: "One year ago today, I gave everyone in this room a seed. I told you to take the seed, plant it, water it, and bring it back in a year. But I gave you all boiled seeds; it was not possible for them to grow. All of you, except Jim, have brought healthy plants and flowers. When you found the seed would not grow, you substituted a different one. Jim was the only one with the courage and honesty to bring me a pot with my seed in it.

It is said: If you plant honesty, you will reap trust. If you plant goodness, you will reap friends. If you plant humility, you will reap greatness. If you plant perseverance, you will reap contentment. If you plant hard work, you will reap success. If you plant faith, you will reap a harvest.

Author unknown. Source: http://www.cbmcint.org/

It’s a nice story if we stop right there, but it has limitations as a Christian analogy. It is not God’s way to hand us a boiled seed. Instead, He gives us all gifts and reassures us that each of us has a purpose and is deeply loved. Like any proud father, God rejoices and celebrates it when we use our talents – but these are not only physical and mental talents – they extend to integrity, honesty and trustworthiness. So with these values in mind we can return to the story. Jesus was not talking about great marks in exams or winning a race when he said, “This is to my Fathers glory, that you bear much fruit, showing yourselves to be my disciples” (John 15:8). He was talking about us (and people like the new CEO).
Vietnam Meeting

We had a great trip and now it is time to remember what we saw, did and learned. Please come to the Flynn Amphitheatre on Wednesday, 27 August at 7.00 pm.

Bring your family along. We’ll take time to share memories, look at a video and catch up with what the trip meant to us.

This is a great opportunity to share with your families what you experienced.

Tea and biscuits will be provided.

All welcome!

**Year 12 – ‘Keeping the Main Thing – The Main Thing’**

I met with Year 12 on Monday and explained to them the importance of using the feedback provided by their teachers from the Trial HSC Examinations. Each student is capable of improving by 3 to 5 marks at a minimum for each of their subjects.

Over the remaining weeks of the term, the students who have been working consistently, have the opportunity to consolidate their learning and improve their examination performance to extract those extra marks that can make a significant difference to their HSC performance and their ATAR.

For some students, their results may make them realise that they need to be working harder, smarter, or both, to maximise their marks to achieve their goals. The feedback from their teachers is equally as valuable and there is still enough time remaining, before the HSC examinations, to improve and make a difference to their results.

The next few weeks are a critical time for Year 12 students. They need to ‘Keep the Main Thing – The Main Thing’. In other words, their HSC should be their focus – use the teacher feedback, finish off their course content, revise their work and practise past HSC papers, attend class every day and attend the HSC Study Camp.

I encourage them to take up the challenge, overcome any disappointments they may have from their Trial HSC results, work towards achieving their goals and ask for assistance where required.

**Year 11 Subjects 2015 – TAFE Delivered VET (TVET)**

The Subjects for next year are in the process of being finalised. For students who indicated an interest in doing a TVET course, the information is now available. Students who are interested should see Mr Croger.

**Duke of Edinburgh’s Award Expedition**

- **Silver Expedition** - Friday, 22 August to Sunday, 24 August
- **Bronze Expedition** – Saturday, 23 August to Sunday, 24 August

Students have been provided with a permission note and details.

**WORKING BEE - TERM 3**

Our Term Three Working Bee is happening from **8.00 am until 3.00 pm on Saturday, 30 August** and there are a number of jobs which need doing. Our Country Fair is on the **Saturday, 13 September** so it will be nice to have the College shining ready for this important event on our calendar.

- We have heaps of wood chip mulch on site which can be placed on our gardens, so this is the major job for the day. If you have a trailer and some garden forks or mulch shovels please bring them along.
- Mr Rollason will bring his Kabota tractor to load the trailers, we just need lots of folk to rake and shovel it off the trailers onto gardens.
- The College carpark gutters can be swept or blown to rid them of leaves which can then be put on the gardens as compost.
- Mrs Saint John would love some cover girls in the Flynn building from 9.00 am to help cover books on the day.
- The College gardens always have weeds which can be removed.
- A good job for our students is the picking up of rubbish around the field and College areas using our rubbish tongs and bucket.

A scrumptious Morning Tea will be provided by the Wollondilly Anglican Community Church and lunch will be provided by the P&F.

During these next few weeks we may find more jobs to add to this list so please check the Waratah Weekly for updates next week.

Mr Fred Schroder  
Property Manager
SRC
SRC students are reminded that a great opportunity to serve the other students of the College presents this Friday, 22 August at the Primary Disco. It would be a great encouragement to both staff and fellow students to see as many SRC reps as possible come along to support the running of this enjoyable event.

The disco runs in two sessions, the first from 6.00 pm to 7.00 pm and the second from 7.15 pm - 8.15 pm. Please ensure that you have transport arrangements in place to be collected promptly at 8.15 pm if staying for both sessions. A reminder also that the next SRC meeting is on Monday, 25 August, first half of lunch in Flynn 2.

Senior Chapel
All students in Years 9 -12 will gather next Thursday, 28 August in Warne Auditorium for our Senior Chapel for this Term. At the same time students in Year 5 - 8 will complete an Extended Pastoral Period that focuses on mood, wellbeing and resilience. The details for the morning are that it will run from 8.10am - 9.00 am.

Years 9 -12 students will meet on the lawn for Roll Marking unless part of a Banksia group. If you are in Year 9 -10 and in Banksia you will firstly report to your Roll Call room and have your name marked off by your teacher.

At the end of last year all students in Years 9 -12 were surveyed with regards to topics that they would like to learn more about in Chapel. The topic of living through hardship was one that appeared frequently and has been chosen as the one that will be addressed on this occasion. As a lead-up to this being addressed in Chapel all students in Years 9 -12 Roll Groups will discuss the topic in Roll Call this Thursday as part of Chapel preparation.

Pastoral Reminders
- Students are reminded to have their diaries signed on a weekly basis by their parents. Diaries are checked weekly by staff and when students have not had their diaries signed on three occasions in a Term, a letter is sent home to parents and a consequence is issued.
- There are a couple of important Community Service opportunities coming up that we would like to encourage all students to attend. It would be great to see all students on Saturday, 30 August – College Working Bee and on Friday, 5 September at Term Service.
- Year 11 PDHPE – First Aid Training note and payment to the College office by Monday, 1 September.
- Year 11 SLR Excursion – Session 2 at Gym UFO Tahmoor on Wednesday, 27 August.

Mr Liam Toland
Director of Pastoral Care T-12
Conversations That Support Learning
The conversations parents and teachers have with children make a big difference to their learning. Our focus at WAC is on learning. We aim for our students to love learning. Our focus should therefore be on learning and this should be the topic of our conversations. We have been talking a lot with students about how they are learning and what they are learning. We have asked them to think about learning goals and what they are doing to achieve learning every lesson.

So how can parents help? Ask your child to tell you something new they learnt that day that they didn't know this morning. Get excited about it ask them why it was new to them. Ask them to predict what they might learn next.

Celebrate effort. Doing something easily should not be a cause of celebration. Learning occurs when the brain has had to work hard. Telling kids something they did is great when it isn't, doesn't help. Telling them you thought it was great when they worked hard and persisted will help them develop skills that lead to learning. Set an example, as a parent show your kids you are learning new things too.

If you can't do their Maths Homework, get them to teach you, or look it up, or come up and learn from us. Tell them you want to learn it and it will make it valuable for them as well.

Ms Jacqui Huxtable
Teaching and Learning Director (T-6)

YEAR 5 CAMP

What an amazing adventure for our Year 5 students last week. Their were many firsts as students had the opportunity to be involved in many different activities. The screams from the giant swing were deafening as each student challenged themselves to go higher and plunge themselves backwards over the valley hanging by a couple of ropes.

There were some potential cowboys and cowgirls at the horse riding. The beautiful weather also allowed from some great canoe rides on the Camden river. The night walk and toasting marshmallows was an excellent end to an amazing couple of days.

The students were outstanding and a pleasure to take away. Photos will follow next week.

DISCO FEVER HITS WOLLONDILLY……. TOMORROW NIGHT!

Friday, 22 August in the Warne Auditorium the Alumni students are looking forward to dancing the night away with the students of Wollondilly. The theme is crazy hair!

There are two sessions. 6.00 pm - 7.00 pm for students in K-2 and 7.15 pm - 8.15 pm for students in Years 3 - 6. Tickets can be purchased from the College office for $7.00. There will be no door sales on the evening.

Mrs Krystine Keen
Pastoral Care (T-4)

WHILE THE KIDS ARE DANCING WE WILL BE WRAPPING!

Do you want a sneak peek at this year’s Father’s Day gifts? We will be wrapping the presents in the Flowers Cafeteria on Friday, 22 August 6.00 pm - 8.00 pm while the disco is on.

Come along and enjoy a social and fun night! (we ask that no young children attend the wrapping, due to safety concerns).

PRIMARY SPORT

Unfortunately due the wet weather, we were unable to complete the final round for the IPSSO Winter competition. Notes will be handed out shortly to those teams who have been successful and will be playing in the finals day in two weeks time.

Today the Primary NASSA Team competed in the Athletics Carnival. Further details and results will be published next week.

Mr Stuart McIntosh
Primary Sports Coordinator

HICES DEBATING NEWS

Five of our debating teams competed in the Preliminary Finals of the HICES debating competition last week. All of the teams had progressed through the divisional rounds during terms one and two and gained a position in the finals series. The topics for the finals series gave us plenty of scope for research, focusing on issues ranging from animals in captivity to civil rights and terrorism. All of the finals debates were based on impromptu topics where the students are given only one hour to prepare their case.

The Wollondilly Junior teams, debated in the preliminary final against Thomas Hassall College and William Carey. Unfortunately, Team B were defeated. Team A won against William Carey and this Friday we will debate against The Illawarra Grammar School in the quarter final round. We wish these students all the best!

In the secondary school, our Opens and Middle School teams were narrowly defeated but our Senior team was successful against Chevalier College. This team will be travelling out to Orange to debate in the Quarter Final next week.

It is a tribute to the growing strength of Debating in the College that five teams progressed into the Finals series of this state wide competition. The debaters deserve acknowledgement for their hard work and commitment to their teams. Thanks must also go to Mr Matthews, Mr Van Netten, Mrs Saint-John and Mrs Croger for coaching the teams and adjudicating at the different competitions we have attended.

Mrs Wendy Croger
English Coordinator
Scholastic Book Club: All orders have been placed and are expected back in the College at the end of the week. They will be distributed as soon as they come in.

Premier’s Reading Challenge: The challenge closes on the Friday, 22 August. Students from Years 3 - 9 must enter their books online. Please email me if you have any difficulties with logging on. Please note the PRC site has changed in appearance and now is listed as the DET portal. Still enter the same username and password and it will segue to the PRC site.

Bookweek: The book parade for students in Transition - Year 4 will be on Friday, 22 August from 1.35 pm to 2.30 pm. It will be held under the sails and parents are welcome to attend and view the parade, take photos etc. It will be a very exciting parade as we are having special guests from Beauty and the Beast to come and party with us.

All students need to be able to change into their costume themselves as parents are not able to be in the classrooms. The students will get changed at the end of lunch time. Students who are catching a bus may wear their costume home. Students will be dismissed as normal from under the sails. If it is raining on the day the Parade will be held in Warne.

Book Week Visit: On Monday we had a visit from Picton Library to read and view many of the award winning books for this year. The students from Transition to Year 2 had great fun with the visiting dinosaur. Stage 2 enjoyed creating an acrostic poem during their library visit.

Wollondilly Anglican College is wonderful!
Our college has students from Transition to Year 12.
Library is awesome and we
Love learning to read.
Our education is important to us and we
Never stop trying our best.
Dr. Quarmby is our headmaster.
In God we trust.
Lovely teachers work at our college.
Let us welcome you here and then
You will see what we are talking about!
Hansel and Gretel: As part of our Book Week celebrations Transition to Year 4 had a visit from our German exchange students- Lotta and Lilli. They are attending our College and are in Year 11.

The visited each class and read them Hansel and Gretel which is a German Fairytale. They answered lots of questions about Germany and taught the children some simple words in German. It was a lovely sharing of language and literature.

Live a life well read.

Mrs Louise Saint-John
IRC Coordinator

BUNNINGS BBQ

It was a wet, wintry welcome to Bunnings Mittagong but we knew this was our last tour of duty at this location. The troops set up camp, pitting warm cheer and friendliness against the elements.

Thanks to Lianne Williams, John Turner, Shirley Pearson, Kathren Konzen and Mark Cupitt we raised a healthy $650.00 for the P&F. Thanks also to the Konzen and Williams families who braved the rain to cheer us on and Fred Schroder who was there for loading and unloading.

Thank you also to everyone who has helped make the Bunnings BBQs a success over the last few years.

Mrs Danielle Turner
P&F President
**ARTIST OF THE WEEK**

In Term 2, Year 11 Visual Arts students learnt about the Modernist Art movement in Europe and how art has evolved through the art history cannon. Year 11 student experiment with various painting styles from the Modernist movement and applied colour theory to their artmaking practice.

The students were challenged to create a painting based on a memory or personal experience. The Artist of the Week is Year 11 student Jasmin Law with her still life study of apples. Jasmin applied acrylic paint on canvas in an attempt at Realism and Impressionist painting styles. She was inspired by how the Realists worked with precision and detail, at the same time with visible brush strokes of the plein-air Impressionist painters captured her interest.

Her artwork will be on display in Term 4 at the MADDD night exhibition. Thank you, Jasmin for sharing your beautiful artwork with the college.

**YEAR 11 BIOLOGY EXCURSION**

Last Thursday, 14 August the Year 11 Biology class attended a study day at the Australian Botanic Gardens, Mt Annan run by staff from the ABG, the Australia Museum and Taronga Zoo.

The students completed a range of practical activities related to the fourth module of the Preliminary Biology course, the Evolution of Australian Biota.

For many students, the highlight was the close encounters with an inquisitive brush-tail possum and an independent echidna. For others, it was the opportunity to see a variety of vertebrate fossils in the brand new plant bank at the Gardens.

Thanks go to Mr Rob Rollason for volunteering his time to drive the bus and to all of the students for being such fine ambassadors for the College. They particularly excelled themselves in all of the discussions and hands-on activities.

*Dr Rob Bearlin*
*Biology Teacher*
**HSC Drama Marking Day**

Elective Drama students will be acting as audience for the upcoming HSC Drama Marking Day. This will take place on Thursday, 28 August and will mean that students miss out on their Period 6 lesson for that day. Students will need to catch up on any work missed.

Students should be able to catch buses, as per normal. However, there is a possibility that the performance may exceed normal school hours by up to an hour. Should this happen, we will need some members of the audience to remain. We appreciate that for some families this is difficult.

Students need to let Mr Denley know on the day if they cannot stay after College hours should the need arise. This particular HSC major work is confronting on some levels. Should you wish for your child, who is an elective Drama student, not to participate; please email Mr Denley and let him know s.denley@wac.nsw.edu.au

**AFL Maths Challenge**

This Term Year 7-10 students will be competing in the Mathletics AFL Maths Challenge. Students will receive their logins from their Maths teacher at the end of this week. The challenge is on Monday, 25 August to Sunday, 31 August. Students will have access to the site for a ‘warm-up’ from next Monday, 18 August. They can also win prizes for both themselves and the College.

We encourage students to make the most of this online resource while we have access to it.

**HSC Dance Studies Practical Examinations**

Last Monday marked the official start of the 2014 HSC Examinations at Wollondilly. A huge congratulations to Isabella Ainsworth, Dannica Garwood and Olivia Spinley for completing their HSC Dance Studies Practical Examinations! All students performed beautifully on the day and should be extremely proud of their achievements in Dance this year.

A special thank you must be extended to Bethany Wadling, Maddison Traynor, Brooke Charpentier and Georgia Ainsworth for all their hard work learning and performing the Year 12 core compositions.

A selection of the Dance performances were showcased at the HSC Recital Night last Friday and were well received by the audience. Well done girls and best of luck with all your remaining exams!

Thank you to those who have returned their gift plates, they look amazing! Please keep them coming in.

We need YOU!!
The Country Fair is our largest fundraiser for the year with all profits going directly to purchasing extra equipment for the College and students. A small army of volunteers is needed to make the day successful. Please register your availability to help. Any amount of time is helpful and allows some one to rest or spend time with their family. It's a great way to make new friends and be involved.

Please complete and return the inserted volunteer form to the College Office.
A Coordinator is required to oversee the Milkshake and Ice cream stall. If you are interested, please contact the Country Fair Coordinator.
If you or someone you know would like to have a stall at the Fair, please collect a form from the College Office. Not for profit stalls are free of charge. If you have any questions about the form or the requirements, please do not hesitate to contact the committee.

Are you artistic? We have a face painter for the Fair but she needs back-up and the occasional rest. If you are able to help out with face painting, please contact the Country Fair Coordinator.

Cake and Coffee Stall
The ever popular Cake and Coffee Stall will be operating again. If you are able to do some yummy home-made baking to go with a cuppa, we look forward to your support. Donations could include: cupcakes, slices, cakes, biscuits, loaves, tarts, buns, coconut ice, chocolate crackles, toffees, toffee apples or any little sweet treat you think suitable. (Please choose recipes with no nuts) Gluten free is welcome.

Donations can be left at the College Cafeteria on Friday, 12 September or brought into the stall on Saturday, 13 September, the morning of the Fair.
To contact the Country Fair Coordinator or the Fair Committee, please email pandfpresident@wac.nsw.edu.au.

Photo Competition
How are your happy snaps coming along? Great prizes this year include family movie passes and vouchers to toy and book stores.

Thank you,
Country Fair Committee
CONGRATULATIONS!

"Quality Horticulturists ~ Open 7 days"
Wollondilly Anglican Community Church (WACC) meets in the Clifford Warne Auditorium every Sunday at 9.00 am. Rev Rob Meischke 0437 533 106

God sets the lonely in families. Psalm 68:6

This Friday night, we will have our third session of "Uncorked". This time, the theme is "Family". It is so special to know that God created us to live in these amazingly special relationships that we call family. May God give us all the strength and wisdom we need to be the sort of families that honour him and build each other into truly wonderful human beings.
“Ahhh—Choo!” This weeks Headmaster Max Lennox (KS) tries to keep those nasty germs away!

Prayer Points

Thank God

- That He values integrity and honesty above gold medals and fine speeches
- For the examples of Christian leadership (everywhere) that we have at our College
- For the calibre of applicants for the staffing vacancies that we have received

Ask God

- For wisdom and discernment as the interviews begin for 2015 staff additions
- For safety on the building site
- For wisdom and patience our colleagues at Group Office as they administer 19 schools
- That our friendship and fellowship with the WACC church will continue to grow and prosper

Psalm 127:1 Unless the Lord builds the house, its builders labour in vain.
Excellence, Endurance, Eternity.
