To Whom It May Concern

Dear Potential Sponsor

Sponsorship Opportunity

The Wollondilly Anglican College Parents & Friends Association (“P&F”) is seeking sponsorship for our upcoming fundraising events in 2015.

Wollondilly Anglican College provides a disciplined, caring and safe learning environment for students from Pre-Kindergarten to Year 12. Since opening in 2004, the College has grown to 800 students representing a broad cross section of the community from the Wollondilly Shire and surrounding districts.

The P&F raises funds to contribute to the first class facilities that the College offers. The College’s continuing growth means there is still a lot to achieve for the students to have the optimal educational resources available. To this end, we rely upon the support of local business for our fundraising events.

Throughout this year, the P&F will be coordinating a Country Fair, Car Show and Golf Day amongst other smaller activities that serve both the College and the wider community. Sponsorship may be in the form of monetary donations or products which can be auctioned at our events. All money raised is allocated to providing student resources such as musical instruments, sporting equipment, computers and cameras.

I am therefore delighted to enclose herewith our 2015 Sponsorship brochure for your kind consideration.

We would greatly appreciate your support of the College and look forward to hearing from you.

Yours faithfully

Mr Paul Flower
President
