Looking Forward – Looking Back

I am no fan of Country and Western music but my Dad certainly was. Saturday mornings invariably began with Dad, who was a notorious early riser, turning up the volume on “The Very Best of Country Yodelling”, “Chad Morgan’s Greatest Hits”, or “Ballads of the Bushrangers,” (anything before 8.00 am was early for four teenage boys trying to sleep in). I can scarcely imagine what the “Very Worst of Country Yodelling” or “Chad Morgan’s Slightly Better than Average Hits,” might sound like but everything was muffled in the ears of 4 teenage boys pulling the pillow down over their faces and praying for a blackout.

Slim Dusty had a song that Dad liked enough to have played at his funeral. I can’t remember much through the emotional fog, but I do recall those words as we left the church and left him behind.

“Looking forward, looking back – I’ve come a long way down the track
Got a long way left to go – Making songs, from what I know
If I’m alone at night, I can see – Through all the triviality
Of the day and I’m okay – I just think of those who are dear to me”

As we look forward there are two ways of confronting the deadlines that dog us from time to time. Both are reasonable and accurate points of view. The first is to count down the days: completing all the tasks – reports; paperwork; speeches; newsletter articles. The second is to see a challenge as the next step along a glorious journey – a time to re-evaluate the urgent and the important – to contemplate and to refocus on the future.

There are many achievements at WAC every day. Some are public and others are private. Winning a race is celebrated, and so it should be. The effort is rewarded. Academic effort and achievement is celebrated, and so it should be. Equally, the moment when a difficult to understand idea finally makes sense and opens up a whole new realm of understanding – is a private moment – but no less important as an achievement. The fluster of deadlines or the challenge of the journey are both reasonable and accurate points of view. I find myself in both frames of mind at various points. The difference is – too much focus on the first way of looking at things is debilitating and energy sapping. The second is liberating. On a College scale, it reminds us of the great things that have been achieved in 13 years and allows us to dream of what is to come – if recent form is any guide – probably before anybody predicted it would be possible.

Looking forward: To accommodate the 4th stream in Year 7, going through to Year 8 and finally Year 12, we will soon be renovating and expanding the Banks building for Science and TAS classes. The purchase of the two Olive Farms next door will enable a 2nd entrance to the College; a Gymnasium; a Performing Arts Theatre; expanded hard courts; a third playing field and an Agriculture facility. This year, the Sails area will be renovated to cater for our expanding College. There will be extra seating and, in time, two giant canopies for shelter.

Looking back: In 2016, we have grown to five libraries; 90 staff; 850 students; seven world champions in Sport; 500 rapid access computers and the rollout of the iPad and Chromebook programs; 95 acres of bushland; sold out Musicals; A new Dance, Drama, German and Student support facility. Looking back can be energising too.

As I look back, who’d have ever thought that I would have missed those Saturday mornings?
Thank You
Dr Quarmby safely returned from his well-earned leave this week. It is great to have him back and ready to jump into the driver’s seat.

I would like to thank Ms Huxtable and Mr Denley for their great work in covering my role while I was Acting Headmaster. Ms Huxtable was Acting Deputy and Mr Denley was Acting Director of Studies.

Our office staff were also a tremendous support during my time in the Headmaster’s role, particularly Mrs Hay, Mrs Harper, Mrs Cook, Ms Thomas and Mr Shaw.

Year 10 Subject Information Night – (Thursday, 16 June) FOR YEAR 11 - 2017
On Thursday evening 16 June an information night will be held to assist Year 10 with their decision making for Year 11 2017. During the evening staff will address the need to make informed decisions with regard to returning to the College and subject selections.

The students and parents who attend the evening will also receive information on how students can nominate their preferences for the subjects to be delivered for Year 11 2017. Parents and students will also have the opportunity to ask questions and gain further information from the staff present at the evening.

The evening will commence at 7.00 pm in Warne Auditorium. Students attending will need to wear their College uniform.

Year 10 Students will receive their Subject Information Booklets next week. It is recommended that parents read through the booklet and discuss some options with their son or daughter before the information evening.

Careers Expo
Year 12 will be attending a Careers Expo on Friday, 3 June. Mr Cassidy has been completing the organisation. Students who are not attending the Expo are encouraged to attend the College and work in the Flynn IRC. Year 12 teachers will be available to assist them with their work.

Class Changes in Secondary School
At the end of the Semester, there is an opportunity to review the class placements in Years 7-10. There is the potential for students to be moved due to their academic performance or for pastoral reasons. Parents should note that their child’s position in the Grace class is not permanently guaranteed. Students need to work to a high standard to maintain a position in the Grace class. Parents will be notified if their child is going to be moved.

Mr Ian Croger
Deputy Headmaster

**Foundation Day**
Foundation Day will take place this year on Friday, 10 June. The focus of the day is to raise funds for missions that are supported by the College. Students are asked to bring in $5.00 each or $10.00 per family to contribute toward missions fundraising. In the lead-up to Foundation Day, students will learn about some of the missions supported and participate in some service based programs to gain greater appreciation for the important role they can play serving the needs of others.

The collection of Foundation Day money will take place on Wednesday, 8 June to Friday, 10 June during Roll Call time. An earlier lunch will be taken on the day and the afternoon will consist of a T-12 event where students spectate the Relays component of the Athletics Carnival.

There are two shields that are presented on the day. One for the House Fundraising Champion which is currently held by Telopea and the other for the Activities Champion which is determined by the House that gains the most points in the Relays afternoon. These shields will be presented on the day to the House Captains of the winning House. Relay runners and House Captains will be asked to ensure they are present at the WACA prior to the rest of the College moving to watch the races.

This is a fantastic event and one in which we encourage the College community to give generously toward. Further details will be provided through the Pastoral Program and future Waratah Weekly articles.

**Pastoral Program**

**K-8 Buddies**
On Friday, 27 May the first session of Buddies for Term 2 took place. It is a program that allows cross year group support for one another and an opportunity for students to build a positive relationship with another student at the College in an ongoing way. For our younger students involved it is an opportunity to build relationship with and have a go to supportive peer in an older year group, which is a great protective factor in the development of young people. Our older students have the opportunity to understand and have a greater empathy for our younger students at the College and provide them with a positive role model to aspire to.
Overall House Shield
The Overall House Shield represents the collective points gained by all Houses at the College across a range of areas. Students can earn individual points for awards received across the four areas of the award system. This is then combined with points from House events and Community Service Initiatives to finalise the total for each House. The House Captains of the winning House accept the Shield on behalf of all House representatives at Presentation Night. Below is an update only based on the Award system points. An update of the standings with other totals included will be provided prior to the end of Term.

SRC
As part of a focus on service, which is certainly a theme at the College currently in the lead-up to Foundation Day and also as part of the Pastoral Program, the SRC in conjunction with the House Captains have organised and commenced a Canteen service roster. This is staffed by different students across the two week timetable to assist Mrs Richards and the other parents who serve in the Canteen. The SRC will also be involved in an exciting initiative in conjunction with Picton Rotary and IBM to assist in the formulation of questions and data collection specific to young peoples need in the area of mental health. This will involve SRC students from Year 3-12 working with Picton Rotary and IBM to pilot an App that assists young people to improve their knowledge of and access to mental health services specifically in the local area. Once the data has been collected and the App finalised students will be engaged in a trial of the App to analyse the benefits that may be available as a result.

White Awards
White Awards are presented to students who have earned 15 Academic Effort and Achievement Awards or eight awards in Sport, College Contribution and Community Service. White Awards are presented as part of Formal Assemblies at the end of each Term. Students reaching White Awards and their parents will be notified prior to the Formal Assemblies and we encourage parents to attend these assemblies and then join with their child at the morning tea that follows. White Awards are a great achievement within the College Award System and I commend those who will receive them as part of the Formal Assembly program.

THURSDAY, 9 JUNE 2016
PRIMARY PHOTO DAY
This day will include all Primary student individual portraits and all Primary student year groups only.

Individual photos will take place in Deakin 3. All group photos will take place at the top of the front playing field, beneath Deakin rear veranda. An alternative group photo location will be advised on the day in the event of bad weather.

Order Envelopes
Individual order envelopes have been distributed to Primary students today and should be completed and sealed with your payment as appropriate. Instructions regarding payment methods including combined payments are provided on the envelope. Students must then bring their sealed envelope to College on Primary Photo Day to give directly to the photographer when they attend for their photographs. Please note that envelopes should NOT be returned to the College Office.

Should any student forget their envelope on Photo Day, they will be provided with a replacement and parents will then be able to contact the photographer afterwards to arrange their order and payment.

UNIFORM & HAIR
I would take this opportunity to remind all parents to check the College guidelines for uniform in the College diary. Please assist by ensuring all students follow these guidelines, especially with regards to hair, hair accessories, jewellery, and make-up. Please note that NO elaborate hair styles are permitted. Students can become very upset if their hairstyle is incorrect, so please help us to avoid any issues arising by adhering strictly to the uniform guidelines. I attach below an excerpt from the College Uniform Guide regarding hair.

Hair: Should be one natural colour (original or close to original), no streaks.

Boys: Should not cover their eyes. Should be above the collar.
Should be minimum length 3 for buzz-cuts.
Should not be excessively spiked or messy.

Girls: Should be tied back at the nape of the neck (for safety).
Should allow a hat to be easily worn.
Hair adornments, eg ribbons etc need to be dark green, black or white only.

ON THE DAY
On the day, Mrs Lucy Gregory and myself will be managing the photography schedule, as well as any uniform or hair issues.

Should you have any queries, please do not hesitate to contact me at the College Office or at l.harper@wac.nsw.edu.au.

**YEAR 12 STUDY CAMP 2016**

The staff at the College have organised a three day Study Camp for our Year 12 students to be held during the July holidays. The camp will provide our Year 12 students with the opportunity to have sustained, structured and focussed study time, supported by staff volunteers from the College.

From a Pastoral Care perspective, we hope to support those students who may feel anxious about the upcoming HSC Trial examinations. We also hope to assist students who have difficulty organising their own time and disciplining themselves to focus. Academically, the staff volunteers will be able to provide valuable advice and guidance on past examination questions and answers.

**Where ?**
- Wollondilly Anglican College - Flynn Building

**When ?**
- Second week of the July school holidays
- Wednesday, 13 July - Friday, 15 July
- Morning Sessions from 9.00 am to 1.00 pm
- Afternoon Sessions from 1.30 pm to 4.30 pm.

**What’s New?**
This year an exam centre will be set up in Deakin to provide students with the opportunity to complete practice papers, under exam conditions. The practice exams will run each afternoon from 1.30 pm until 4.30 pm with teacher supervision.

This is a voluntary activity for the students. It will provide them with a great opportunity to test their revision and prepare for the demands of working in a time limit.

All Year 12 students have been issued a Study Camp outline and timetable. They will need to fill out a registration form specifying the days and time they wish to attend. These forms need to be returned to Mrs Croger by Friday, 24 June.

**KINDERGARTEN EXCURSION**

Kindergarten students are excited to be going on excursion this term to support their learning of ‘Paddock to Plate’. The excursion will take us to Gavana Holsteins Dairy farm, Glenmore. The date of the excursion will be Friday, 17 June.

The students will be required to wear full winter sports uniform. The excursion will run during normal College hours so there will not be any anticipated interruptions to normal drop off and collection routines.

We look forward to this exciting event!

*Mrs Kathrine Frost*

TERM SERVICE

Students and parents are invited to attend our second Term Service for the year in the Warne Auditorium at 7.00 pm on Thursday, 23 June.

Stage 1 will be singing for us and are therefore being asked to meet their teacher at 6.50 pm for a 7.00 pm start.

All children need to wear their full winter College uniform (hats are not required).

The Reverend Rob Meischke is our guest speaker and the music will be provided by Jordan Worner.

We look forward to seeing you there.

Mr Stuart McIntosh
Junior Pastoral Care Coordinator (T-4)

OPERATION CHRISTMAS CHILD

All of the students have been looking at service this term. We will be participating in Operation Christmas Child and all of the students have been asked to contribute to the boxes, which will be packed at the College with Middle School students on Monday, 20 June.

The students have been allocated the following items:

- Transition  Something to love
- Kindergarten  Something to wear
- Year 1  Something to play with
- Year 2  Something for school
- Year 3  Something special
- Year 4  Something for personal hygiene

Further details have been sent home and can be found at the following link.

In addition Braith Mahr in Year 7 received our first ever Elite Award. Plus we had 11 Gold, 7 Silver, 22 Bronze and 36 Credit awards. What an amazing effort from our students, well done we are very proud of you!

Students will receive their credit awards once they arrive at the College. The other awards will be given out at various assemblies.

German Breakfast
Year 8 are invited to a German breakfast on Monday, 6 June in the courtyard area outside the new German Room, Johnson 7 at the start of the school day. After breakfast Year 8 will be returning to their normal English lessons with their teachers.

Students will be served a variety of cold meats, cheese and bread rolls in line with a traditional German breakfast. Some of our Year 11 students will be serving the students and Year 8 will have to use their German speaking skills to place their breakfast requests with our senior students!

There will be gluten free, nut free and dairy free options available for those students with special dietary requirements.

Remember "Monolingualism is curable. Learn a second language!"

DEBATING NEWS

On Tuesday, 14 June our HICES Debating teams will be competing in the 4th round of this year's competition. This round will be hosted at the College.

The Junior team will be debating the negative side of the topic: 
*That our Politicians should be paid more*

Our Middle team will be the affirmative in the debate:  *That a commitment to ethical behaviour is the most important quality in a leader.*

The subject area for the Senior and Open division debaters for this round is *Leadership*.

Over the years the HICES competition has grown. This year we are expecting seven schools with a total of 32 teams to compete in Round 4

The Middle and Junior debates should commence at 3.30 pm followed by the Open and Senior Divisions at 4.40 pm. All the debates should be completed by 6.00 pm. Interested parents and friends are welcome to come and watch the series of debates. It is sure to be an entertaining evening.

IPSSO

On Wednesday, games were completed against St Peter's Anglican School. Unfortunately the Netball games were cancelled due to the wet court. All other games went ahead. Senior AFL and Volleyball teams had strong victories. Congratulations to Klarisza Ricciarelli, who in her first season of AFL, has scored 13 goals in the first three games.

Next week there will be no IPSSO games due to the athletics carnival.

The Stage 3 College sport groups began their gymnastics program this week. This program will not run next week due to the Athletics Carnival.

*IPSSO Sports Coordinator*
**SECONDARY COLLEGE SPORT**

**Sports Uniform - Tights**
There has been a tendency over the last few weeks for girls to be wearing tights instead of the College sport shorts. These are not part of the College Uniform guidelines and as such uniform infringements will be enforced for students who continue to wear tights for sport and PE lessons.

**NASSA Cross Country**
On Thursday, 26 May Wollondilly sent a team of 80 students to the NASSA Cross Country Championships. This year was one of our best results based on previous years coming in 4th overall! This is a fantastic achievement! In total we had 14 students qualify for the NASSA team to compete at AICES this week. In that group it included gold medalist Samantha Cefai as well as silver medalists Alexandra Gaidzionis and Alexandra Rollason. Congratulations to all students on their achievements and their efforts on the day.

**MISA Golf Championships**
On Wednesday, 25 May we sent five students to compete in the MISA Golf Championships at Camden Lakeside. In the Senior Cup Division Tim Ryan was named MISA Champion with a huge six shot lead. This included being named scratch winner as well as the overall winner for the day. In the Senior Plate Division Jacob Rockwell was also placed. Congratulations to each member from the WAC Golf team.

**MISA**
This week we played Magdalene Catholic High School. The 10-12 Boys' Softball side continued their unbeaten run this season with a 12-3 win. Once again they were aided by strong pitching from Ryan King however the entire team was faultless in their performance and are on track for the MISA premiership. Our Girls side scored runs but could not win their match, going down.

In Soccer, Magdelene Catholic High School were very strong winning all three matches. The Year 7 Boys played a tight game losing 2-1 which is their first loss for the season. The only goal coming from a solid strike by Liam Nelson. The Intermediate team struggled to find the back of the net in their 0-4 loss whilst a penalty from Nick Keable in the Senior division was not enough in their 1-5 loss.

Both our Netball teams are continuing to improve each week however could not compete with the level of skill displayed by the Magdalene teams. Both teams were defeated despite their strong efforts.

Next week we play Macarthur Anglican School in all sports.

**NASSA Athletics**
Students are reminded to check the sports noticeboard to see if they have been selected to represent WAC at the NASSA Athletics Carnival. Unfortunately, there has been a technical delay that has slowed this process, however, it should be fixed by the end of the week. Students can collect the permission note from Mr Goldsbrough as well as a print out of each event the students are competing in.

**Upcoming Events:**
- AICES Cross Country 2 June
- CSSA Gymnastics 9 June
- NASSA Athletics 15 June

‘I Got This Hat’ National Simultaneous Storytime 2016

Last Wednesday, 25 May arrived - the sense of anticipation was high, balloons were fluttering out the front of Cook Library and there were hats aplenty of all shapes and sizes.

Students across the classes enjoyed the story in a variety of formats from an online reading, to readings in the classrooms and two readings in Cook library. We enjoyed the story of hats from pirates, miners, racing cars drivers, the Scottish Highlands, deep sea divers, China and so many more.

On Thursday we were fortunate to have two very interactive and creative performances, by the Year 9 drama students led by Mrs Talbot. The accompanying photos share the essence of the two days of celebrations. Thank you to all the students and staff for their enthusiastic support of this Australia wide event.

**EXTRA CURRICULAR ACTIVITIES**

Ryan King (Year 12) was selected in the NSW All Schools boys softball team, after playing in the CIS team. The Australian All Schools nationals was held in Melbourne from 1 May to 7 May (inclusive). They played numerous round games before semi finals. The NSW All Schools team WON the Australian Nationals against QLD, 8-0. There was also a special mention by the Australian All Schools Sport committee that the NSW team was very well behaved, showed great sportsmanship, and was a credit to their schools.

Ryan has also been selected in the Macarthur representative under 19 Mens’ Softball team.

Dealing with doubt. A person said, “How can my heart rejoice in God if there are things my rational mind cannot accept?” There may be big questions and doubts that hold us back from a fulfilling spiritual life. But doubt can be a good thing. The good news is that there are answers, and if we do some homework we can find answers to our questions and our rational mind can be satisfied. We can also pray. A dad once prayed, “I do believe; help me overcome my unbelief!” Mark 9:24

“Thanks Vinnie and Minka - the card and balloons were a lovely surprise.” - Dr Quarmby.

PRAYER POINTS

Thank God

- For His answers to prayer here at the College
- For the safe return of Dr Quarmby and for those who stepped up over the past few weeks.

Ask God

- That we might be better at seeing heavenly opportunities rather than deadlines
- For wisdom and discernment as we commence the process of staffing for 2017
