Rules for Teachers

“Not much has changed in education for the last 100 years” said the teacher on the day-time chat show. Of course, such a statement was not meant to be taken literally. It was a throw-away line to exaggerate for effect and make a point, but it does raise an eyebrow. I searched with some interest for a reference point and found two articles – one from 1880 and one from 1915 (ironically approximately 100 years ago). The source, with thanks, was the Silverton School Museum.

In 1880, the bush school teacher had to be able to do a number of things. It was said that she (the article assumed a female), had to –

- Set a broken leg
- Patch the shingles on the school roof
- Cook lunch over an open fire
- Wallpaper the residence with newspaper to keep out the winter winds and snakes
- Stay fresh all day after a weekly swim in the dam
- Teach a class of children aged five to fifteen
- Ride a horse many miles to school
- Fight off the Swaggies who attempted to camp in the school house
- Keep the school property free from dust and cattle

In 1915 the burdens of responsibility had relaxed somewhat. In a document “Rules for Women Teachers … 1915; the instructions were quite specific –

- You will not marry during your term of contract
- You must not keep the company of men
- You must be home between the hours of 8.00 pm and 6.00 am unless attending a school function
- You may not travel beyond the city limits without permission of the Chairman of the Board
- You may not ride in a carriage or automobile with any man unless he is your father or brother
- You may not smoke cigarettes
- You may not dress in bright colours
- You may, under no circumstances, dye your hair
- You must wear at least two petticoats and your dresses must not be any shorter than 2 inches (about 5 cm) above the ankles

TO KEEP THE SCHOOL ROOM CLEAN YOU MUST -

- Sweep the floor at least once daily
- Scrub the floor with hot soapy water at least once a week
- Clean the blackboard once a day
- You must start the fire at 7.00 am so the room will be warm by 8.00 am

Much has changed in 100 years
Examinations 7-10
The examination period is from Monday, 31 October to Tuesday, 8 November.

In the Pastoral Care period next week, students were given some information on preparing for examinations and how to prepare study notes.

Students should also receive an examination outline and some study tips from their classroom teachers. The College Diary has some useful information on study and preparation for exams.

Students should have been issued with their examination timetable this week. If they haven’t received one, then they should contact their Year Patron.

PROCEDURES FOR STUDENTS DURING EXAMINATIONS FOR YEARs 7-10

Equipment - Students should line up outside the exam room and enter in a quiet and orderly fashion under the direction of a teacher. They should have all the necessary equipment needed for each exam – pens, pencils, ruler, eraser, BOSTES approved calculator. This equipment must be carried in a clear pencil case or clear A4 plastic sleeve. Students are NOT allowed to borrow equipment during an exam. They are required to bring their diary into the exam room and place it on the floor near their exam desk. NO novels of any kind are permitted in any exams.

Arriving - Students should line up outside the exam room in class groups. They are to enter in a quiet and orderly fashion.

Students should NOT:
- talk once inside the examination room;
- move around once they have sat at an examination table;
- borrow equipment;
- attempt to copy another student’s work or obtain an answer which is not their own work;
- bring in any notes, diagrams, etc.;
- bring novels of any kind into any exams;
- place completed pages on the floor beside them;
- bring in food or drink (other than water – see below) unless permitted for approved medical purposes (eg diabetes);
- go to the toilet during an examination – except in emergencies;
- leave the examination room before being dismissed;
- leave rubbish behind them;
- be late.

Mobile Phones are to be turned off and placed on the teacher’s desk or front of the Auditorium. All other electronic devices are banned except for BOSTES approved calculators.

Students should not talk or communicate until they have left the examination room.

Full College uniform is to be worn by students at all times. Uniform warnings will be issued at the completion of the exam.

Students may bring in a CLEAR, resealable water bottle containing water.

Students will have normal lessons when examinations are not operating during the day.

Annual P&F Golf Day Invitations enclosed

Date: Wednesday, 2 November

ALSO a special Non Golfers Ladies Morning Tea and Lunch (many prizes).

ALL WELCOME
Students Leaving WAC at the End of Year 10

RoSA rules and procedures
Students will generally be eligible for the RoSA after four years of secondary school. To qualify for the RoSA a student must have:

- attended a government school, an accredited non-government school or a recognised school outside NSW;
- completed courses of study that satisfy the BOSTES curriculum and assessment requirements for the RoSA;
- complied with all requirements imposed by the Minister or the BOSTES;
- Completed Year 10;
- Students leaving school who are not eligible for the RoSA will receive a Transcript of Study

The RoSA credential and the Transcript of Study will display a Grade from A to E (with A being the highest) for any completed Stage 5 and Preliminary courses (Years 10 and 11, typically). It will also show any VET or Life Skills courses you have completed up until you finish school.

Satisfactory course completion requirements

For the satisfactory completion of a course, it is your responsibility to:

- follow the course developed or endorsed by the BOSTES;
- apply yourself with diligence and sustained effort to the set tasks and experiences provided in the course by the school;
- achieve some or all of the course outcomes

Note: Students in Years 10 or 11 intending to leave the College at the end of Term 4 are required to provide a Term’s Notice. In NSW, students are legally required to be enrolled at and attending school until they are 17. After they complete Year 10, and until they turn 17 years of age, students then have the following options. They may also be in:

- full-time further education and training (eg TAFE, traineeship, apprenticeship);
- full time, paid employment of an average of 25 hours per week; or
- a combination of both of the above.

If students have not yet turned 17, the notice of enrolment termination from parents for school leavers, must contain evidence that the parents are complying with the above conditions.

Optional Literacy and Numeracy Tests for Year 10 and 11 School Leavers
Optional tests in literacy and numeracy are available for students who intend to leave high school before completing their HSC.

The test reports give an overview of a student’s level of achievement in literacy and numeracy, focusing on the skills required by school-leavers for employment and further education. Students who would like to sit this test should speak with their Year Patron.

QV Nursing Home Visits
Every Wednesday afternoon, students go and visit the elderly residents at the Queen Victoria Nursing Home in Thirlmere.

I would just like to highlight the benefits of visiting any residents at any home.
- For those considering a future career, it’s a great way to see if you’re interested in working with older adults.
- It will make you think more about we and a bit less about me.
- A nursing home is like a small town. It won’t be long before everyone is happy to see you and greets you by name.
- It puts your problems into perspective. It can be great for your own wellbeing as well as the wellbeing of the residents you spend time with.
- You can benefit from the experiences of others. Learning about life from those who have lived for a while is an invaluable gift.
- You’ll make invaluable friendships and promote a sense of connectedness with the people that you meet.
- You’ll hear living history, if you take the time to listen.
- It’s an incredibly flexible way to give to the elderly.
- We all have noticed that a “honey bee” sits on a flower to receive its sweet nectar. Similarly, when we sit and talk with the elderly people we too unknowingly receive the sweetest attribute that makes our lives and the world around us beautiful…that is the attribute of love.
- Their wise words of constant encouragement will act like the winds beneath the wings that will make you soar like an “eagle” to the heights that you may not have imagined.

We meet outside Mr Toland’s office at 2.45 pm, and return to school at 4.15 pm.

If you would like to come for a visit to the QVB, see Mr Toland for more details. The experience will open your eyes up in a positive way.

Resident of the Week
This week at the QVB Nursing Home, the ‘Resident of the Week’ is Betty Taylor. Betty is outgoing, bubbly, and is quite the ‘havachat’ - she is always prepared for a conversation with her memories and knowledge at the ready.

Betty was born in Hornsby NSW, and grew up in Epping NSW with her two sisters and brother. She has two beautiful children who she is very proud of: Julie and Christian. As a young girl Betty enjoyed playing tennis, doing hand embroidery, and reading her favourite book “The Gumnut Babies” by May Gibbs. Her first job was being an apprentice at a clothing factory in Epping, and worked there for 17 years, she also was a member of the CWA and did “Meals on Wheels” for 18 years. Her favourite movie is “Ben-Hur”, and enjoys musicals. Betty had to take a 45 minute walk to school, and her favourite subject at school was sewing. She also had a “Baby Betty Doll”, which was her favourite toy, which she passed down to her daughter Julie. Her daughter Julie comes to pick her up on Christmas Eve so she can celebrate with her family. Her family were quite religious, and Betty went to Sunday school as a girl. Betty’s favourite memory from her youth was when World War II ended, which was the event that impacted her life, and her brother came back home safe. Betty reckons that the secret to a happy marriage is to always trust each other.

She exclaimed that one of the disadvantages of growing old is losing your independence to a degree, and some advantages are that you accept that you grow old, and you get to look back on all your life experiences. Her biggest life challenge would have to be when she lost her husband, and she had to try and make a new life. She also had to learn to walk again after breaking her hip, but she was determined to push through because she is a Taurus Bull.
I asked Betty if someone asked her for any life advice, what it would be. She said:

“When you lose someone, you must find inner strength to carry on. You have to be there for each other and support them.”

**MISA Leadership Afternoon**

On Thursday, 3 November four Year 12 students will be involved in a MISA Leadership afternoon at Macarthur Anglican School. It is an opportunity for our students to network with and learn from students in leadership positions in like-minded schools. Our students will hear about the roles played by Captains/Prefects in other school environments and have the opportunity to share what is involved on leadership roles at WAC.

The students involved in the afternoon are Jessica Bethune, Maddy Traynor, Jamie Thain and Nick Fleming.

Students will leave the College at 12.45 pm and return at 4.15 pm.

**K-8 Buddies - Meet the Buddies**

Kyran King Year 8 and Dylan Jones Year 3.

**What do you enjoy about the Buddies program?**

Playing fun games with each other.

**What do you look forward to?**

We look forward to seeing each other, spending some time together and hanging out.

**What have you learnt about each other?**

Kyran has learnt that Dylan is very energetic. Dylan has learnt that Kyran is fun to be around.

**How do we provide support for each other?**

We help each other do things that we can't do very well.

Mr Liam Toland

Director Pastoral Care (T-12)
MADDD NIGHT

We would like to extend our congratulations to all performers, exhibitors and stage crew who participated in MADDD Night this year, and also to the staff, friends and family who attended to support them. It was an excellent night. Please enjoy the photos.

**GRANDPARENTS DAY**

Grandparents Day is tomorrow (Friday, 28 October) and we have had a fantastic response to our invites.

Due to the numbers there might be some changes to the arrangements of how we are visiting the classes. Further details will be available tomorrow morning.

All children in Years K - 2 will still be required to wear normal sports uniform tomorrow. Summer uniforms will not be required for these grades.

Mr Stuart McIntosh  
Pastoral Care Coordinator T-4

**VALID**

VALID (Validation of Assessment 4 Learning & Individual Development) is an online Science assessment for Year 8 (and Years 6 and 10 earlier in the year, replacing ESSA). It is optional for private schools for Year 8. In 2016, Year 8 students from Wollondilly Anglican College will be doing the examination.

This examination allows the College to evaluate our Science programs, although students will also receive individual reports as well. Students will do a 20 minute Sample Test during class time next week on **Thursday 3 November, Period 3**, requiring them to bring their earphones.

If students are away (or choose to spend extra time acquainting themselves with the Practice Test), they can go to the website [http://sample.valid.nsw.edu.au](http://sample.valid.nsw.edu.au), with username = sample and password = sample. The actual VALID examination will be run on **Tuesday, 8 November, Periods 1 & 2 (Week 5)**. Students will receive further information closer to the sitting date through the Daily Notices.

NEWS FROM THE PRIMARY LIBRARIES

The WAC Book Fair is here!
The fair is set up in the Elizabeth library (upstairs) and begins today, **Thursday, 27 October**, *finishing on Tuesday, 1 November* at 3.30 pm. Students may purchase books at lunchtimes, after College until 3.30 pm each day (with their families), on Grandparents’ Day (28 October) and during O Day (29 October).

This is a great opportunity to purchase birthday and Christmas gifts, add to your family’s home library and/or donate to our College library collection.

All students will have the opportunity to walk through the Fair with their class teachers and view the books on sale. Payment may be made with cash or EFTPOS. The ‘wish list’ for the students to fill in has an online payment option. If you wish to use this, please ensure you write the receipt number on the back of the wish list. This allows us to give your child the books you have paid for. The photo below further explains this system.

The Primary Library Staff look forward to seeing you and your family at the Book Fair.

Mrs Gail Staples
Primary Teacher-Librarian

MYTECH

Information evening
On Tuesday, 15 November at 7.00 pm we will be holding an information evening to explain the ‘MyTech’ program. The evening will be aimed primarily at those parents with students currently in Years 7 and 8 who are wishing to buy a device for their child in the near future. At the evening we will explain why we are introducing ‘MyTech’, specifications for devices, how the purchasing portal will work and what the College expectations will be around the use of devices. We will also go through some of the most frequently asked questions about ‘MyTech’.

This same information evening will be repeated next year in Term 1 closer to the launch of ‘MyTech’ in Term 3.

If you have any specific questions regarding any part of the ‘MyTech’ program or device specifications please check the ‘MyTech’ section of the school website http://mytech.wac.nsw.edu.au or feel free to email mytech@wac.nsw.edu.au

We are often told that to be successful we need to be independent, strong and self reliant. We tell our boys to toughen up and ‘man up’. This is the image of what it means to be masculine. How different it is with God. Instead of being independent and self reliant God wants us to be totally dependent and reliant upon him. Instead of wanting to be strong God wants us to realise that without him we are very weak and that we need him to work his power through us.

Thank God
- That much has changed in 100 years with all the advances in working conditions, equality and health
- That we live in a free country – safe from persecution
- For His mighty hand of protection over this place

Ask God
- That we may respond to a rapidly changing and advancing civilisation with wisdom and discernment
- For His continued blessing over us
- To be with our HSC students and still the nerves.
