Call that a "Tough" Day?

It was a blessing the other day to welcome three guests from India to Wollondilly. These were no ordinary guests. Suresh, Preety and Esther are all teachers from India. They operate a school next to a smelly rubbish dump (which is several storeys high) where they go out collecting orphans and homeless kids to take them to their little school and to give them uniforms and educate them. This is their main purpose in life. They are Missionaries. They loved their visit to Wollondilly. They loved the ride on Sparky. They loved the sporting fields, the buses and the dance studio. They loved the fruit, cheese, cakes and party pies. Most of all, they loved the classrooms. They just wanted to sit and listen to the teachers teach.

Sometimes children on the rubbish dump die. It is a dangerous and dirty place. They have four main problems – finding food; finding a drink; finding shelter and finding an education. I thought it would be interesting to contrast what the top 50 reasons for a tough day were for westerners. Here they are –

1. Having a runny nose / 2. Calls from unknown numbers / 3. Being left on hold when calling a company / 4. Receiving a ‘we missed you’ card for a failed parcel delivery / 5. People who ignore queuing etiquette / 6. Having no WiFi / 7. Having to pay to carry your own shopping home / 8. Door-to-door salespeople / 9. Having a bad phone signal / 10. Not being able to find the end of the Sellotape / 11. Having to stand on public transport / 12. Wanting to log into an account but being unable to remember the password / 13. Not finding anything you like when clothes shopping / 14. Having to use a tin opener when the tin doesn't have a ring pull / 15. No-one replaced the toilet roll / 16. Running out of milk / 17. Online deliveries arriving late / 18. Unexpected items in the bagging area at self-checkouts / 19. Dunking a biscuit and losing half of it in the cup of tea / 20. Satsumas that have loads of pips in / 21. Blisters from new shoes / 22. Not being able to fast forward live TV / 23. Your neighbour parking outside your house when they already have more parking space than you / 24. When public transport doesn't turn up on time / 25. A Sky+ recording clash / 26. Tea going cold / 27. A wardrobe full of clothes but nothing to wear / 28. Hotels with plug sockets too far from the mirror / bed / 29. Not having 4G signal, merely 3G / 30. Sitting in front of or near children on a plane / 31. Forgetting your gloves on a cold day / 32. Crème eggs not being on sale all year round / 33. Takeaway takes too long to be delivered / 34. Important emails go into the junk folder / 35. Having so much ice in a drink you can't get to the actual drink / 36. When there is a power cut and you can't watch TV or make a cup of tea / 37. Deliveries or meter reading visits at awkward times / 38. It's freezing outside but boiling in the office / 39. Having to package up and return clothes you bought online and don't want / 40. Chipped nail polish

Source: http://www.dailymail.co.uk

Imagine a Magical Mystery tour: Image that we were somehow transported to the rubbish dump in India to trade places with the everyday life of the orphans. Imagine how quickly those top 50 issues above would disappear in a place where a tough day meant …

Barely surviving.
FROM THE DEPUTY’S DESK

Staff Professional Development Days – Thursday, 10 November and Friday, 11 November
These are pupil free days where the staff have an opportunity to undertake professional development activities. Areas included:

- Planning and Programming for 2017
- Professional Learning – 21 Century Learning – Information Technology and Learning, Canvas.
- Critical Incident Planning
- Pastoral Care planning 2017

‘MyTech’ Information Evening – Tuesday 15 November Warne Auditorium 7.00 pm
This is an opportunity for the parents of the current Year 7 and 8 students to hear further information about the College’s roll out of our MyTech program (Bring your own device).

Students will bring home an information booklet that parents should read before attending the event. It isn’t compulsory to attend the evening. It is simply an opportunity for parents to hear information or gain clarification regarding the process.

Examination Periods Conclude – But it is ‘Business as Usual’
Parents would be aware that examination periods for the HSC and 7-10 students have now concluded. Students in Years 7-10 will receive feedback on their examinations.
We will be reinforcing with the students that although the exams have concluded it is ‘business as usual’. The learning doesn’t stop just because the exams are over. Students will be expected to continue to participate and engage in their learning. Informal assessment will continue and all the usual expectations regarding student conduct and the College Guidelines apply.

Seven ways parents can manage web-connected devices in the home
Almost one in three teens are accessing the internet between 10.00 pm and midnight*.

1. Thirty-nine per cent of teens use a tablet to go online. Parental control tools are available for Apple’s iOS and Android.
2. Forty-seven per cent of teens play games and PC’s online. Playstation, Xbox, Wii and Steam have parental controls.
3. Sixty-four per cent of teens stream video on YouTube and TV. YouTube and YouTube Kids have a safety mode; YouTube Red offers ad-free videos. Netflix and Stan offer age-based settings.
4. Seventy-four per cent of teens use a computer to go online. Microsoft Windows and Apple’s MAC OSX offer family restrictions and monitoring.
5. Seventy-eight per cent of teens research and browse on the internet. Safe search settings are available for Google Safe Search, Google Chrome and Yahoo7.
6. Eighty per cent use a smartphone. Telstra Mobile Protect, Vodafone Guardian, Apple iOS and Android have safety options.
7. Eight-six per cent have home broadband access. Telstra provides parental control tools and homework time blackouts; Optus and Vodafone provide guidance on tools.

Parental controls can keep kids safe on many screens. They can block sexually explicit sites, set screen time limits, block in-app purchases, block numbers and SMS, allow or block websites, restrict chat features and allow parental monitoring.

Remember: No parental control is one hundred per cent fail safe. Keep children’s trust by using these tools openly at home. https://esafety.gov.au/education-resources/parent-resources

Mr Ian Croger
Deputy Headmaster

Year 11 Preliminary Final Report 2016
2016 Year 11 reports will be handed to students next Tuesday, 15 November.
Five healthy ways to manage anger
Managing anger is the biggest emotional issue that many children face. Boys, in particular, seem so angry at the moment, and I’m not sure why.

Currently, our community is undecided about how to handle anger. In fact, anger is discouraged as we see no place for it in homes, schools or the community. 'People in a civil society don’t get angry' seems to be the conventional wisdom, so we bottle it up rather than express it healthily.

The trouble is anger handled in this way simmers away making a person unhappy and depressed or it bursts forth in awful, uncontrolled ways.

Here are five ways to help boys (and girls) manage anger in healthy ways:

1. **Recognise it**  The first step is to help kids recognise that they are angry. What are the signs? What are they thinking? We are all different but tension in the shoulders, restricted breathing and clenched teeth are common signs of anger. The Mood Meter offers a visual way for kids to recognise their emotions.

2. **Name it**  Developing a vocabulary around anger is important. The more nuanced kids' language is, the better. Annoyed, angry and enraged are very different emotions but are often described as the same.

3. **Choose it**  Help children recognise that they have a choice to stay in control or lose control when they get angry.

4. **Say it**  Encouraging children to express how they feel is okay as long as no one is hurt. The use of 'I Statements' is one way of letting others know how they feel. “I feel really mad when you say nasty things about me..” is one way of being heard.

5. **Shift it**  Help children shift their anger to a more pleasant and less energised place. Kids can shift their moods by modifying their thinking or altering their physiology. They may go for a run, play a physical game or pour their anger into a protest letter to let their frustrations out.

The maxim of managing anger in healthy ways is: “There’s nothing so bad that we can’t talk about it. However, there are behaviours that we don’t engage in when we are angry.”

**Student Leadership**
Student leadership at the College is currently in the process of being finalised for 2017. On the Secondary Assembly this week five boys and five girls were announced to the student body as the students who have been identified through voting as the students who progress to the next stage of the process.

In the current Year 12, 16 girls nominated for a leadership position and nine boys nominated for a leadership position. The quality of the students who applied was outstanding. The five boys and five girls who appear listed below have been identified through the process. All students who applied are to be commended on their applications and all could capably fill a leadership role at the College. This was a sentiment shared by their peers and the staff of the College.

The students listed below will now have an interview with College Executive staff. The College Prefects will then be announced at the Senior Formal Assembly and College Captains as part of College Presentation Night.

**Girls**
Ellie Purnell, Lucy Mills, Caitlin Konzen, Maddy Traynor and Jessica Bethune

**Boys**
Max Noakes, Nick Fleming, Morgan Allan, Jamie Bell and David Clark
End of Year Events

Senior Formal Assembly
On Monday, 5 December Year 9-12 will be involved in the Senior Formal Assembly. This will take place in Warne Auditorium commencing at 8.30 am. Award recipients will be notified prior to the event and are reminded that they are able to attend the Morning Tea following the assembly with their parents. Formal Assemblies are a great opportunity to recognise student achievement across a range of areas in College life. It would be great to see parents and grandparents of award recipients there on 5 December. College Prefects for 2017 will be announced at this Assembly.

College Presentation Night
On Wednesday, 7 December the College Community will join together for College Presentation Evening 2016. This is an opportunity to recognise very significant achievements in College life across 2016. Students from a variety of Year groups will be recognised at this event and will be invited to attend by invitation. All students in Years 9-12 are to attend the Evening as the dedicated Presentation Evening for their Pastoral grouping (Senior years). College and Senior Captains for 2017 will be announced on the Evening.

Mr Liam Toland
Director Pastoral Care (T-12)

TERM 4 WORKING BEE

Our Term 4 Working Bee is happening from 8.00 am on Saturday, 19 November and it would be great if you could come and help us knock over some of the jobs which need completing. We expect to get all the work done by the lunch time BBQ at 1.00 pm. After lunch we pack up and head home for a well-earned rest.

We are planning to remove some lamandras around the College as they have taken some gardens. The tractor will assist with this.

The Gardens around the College can be tidied up by weeding and mulching.

The College carpark gutters can be swept or blown using the College back pack blower to rid them of leaves which can then be put on the gardens as compost.

Rubbish can be picked up around the College field as well as other areas.

There are lots of books to cover in Flynn 2 across the bridge from 9.00 am.

Between now and then there could be more jobs found that need attending to so don’t forget as we only have a limited supply of gardening tools and equipment it is important that you bring your own that you think might help on the day.

Come along on the day and enjoy the company of others while working to make our College shine for another term. Even if you can only stay for an hour or two it is greatly appreciated.

As always Morning Tea will be provided by the Wollondilly Anglican Community Church and lunch will be provided by the P&F so come along with your tools and smiles with the intention of enjoying yourselves on the day.

Mr Fred Schroder
Property Manager
**MY TECH**

**Information evening**
On Tuesday, 15 November at 7.00 pm we will be holding an information evening to explain the ‘MyTech’ program. The evening will be aimed primarily at those parents with students currently in Years 7 and 8 who are wishing to buy a device for their child in the near future. At the evening we will explain why we are introducing ‘MyTech’, specifications for devices, how the purchasing portal will work and what the College expectations will be around the use of devices. We will also go through some of the most frequently asked questions about ‘MyTech’. If you do have specific questions that you would like answered on the night, please send them to mytech@wac.nsw.edu.au

This same information evening will be repeated next year in Term 1 closer to the launch of ‘MyTech’ in Term 3.

Mr Wayne Baulch  
Secondary Learning Innovations Coordinator

**YEAR 7 GEOGRAPHY EXCURSION TO MINNAMURRA RAINFOREST**

On Wednesday, 16 November all students in Year 7 will be travelling to the Minnamurra Rainforest Centre to view and study what is a rare remnant of rainforest in the Illawarra region. Minnamurra is particularly special because of the diversity of rainforest types, the range of ferns, and the diversity of wildlife that exists within a relatively small area. This excursion fulfils part of the Stage 4 Geography syllabus requirement for fieldwork.

Permission notes have been distributed and are due back to your teacher by Monday, 14 November.

Important information:
- Leaving at 8.10 am and returning by 2.30 pm
- Wear full sports uniform (inclusive of cap)
- Bring College diary, stationery, clipboard (if possible)
- NO canteen facilities available so BRING all food and drink
- Cost is included in the College Service Fee

Mrs Trudy Miller  
Secondary Teacher

**SUCCESS AT 2016 YOUNG SCIENTIST AWARDS**

William Harris (Year 11) has been awarded 3rd Place in the Rowe Scientific Equipment Prize at the 2016 STANSW Young Scientist Awards. This prize recognises the best use of scientific equipment in solving a scientific or technological problem by secondary students. William compared the use of datalogger probes to more conventional Streamwatch methods when examining the Bargo River water quality. Congratulations to William on this wonderful accomplishment.

Dr Andrew Eaton  
Science Coordinator
DIGITAL SKILLS FOR THE FUTURE… ARE YOU INTERESTED? (YEARS 10 AND 11, 2017)

The College was recently approached by a company (XCERIO) who offer training (online, self-paced) and certification in a variety of digital skills. The certifications are based on evidence of competencies achieved in Microsoft Office, Adobe and Autodesk programs.

At this stage it is envisaged that students in Years 10 and 11 in 2017 would be eligible to undertake the courses which are additional to work covered at the College. That is to say, they will not be taught as part of the learning curriculum. The College would not be supporting the learning process, instead XCERIO materials will need to be relied upon.

What the College would consider doing is acting as an authorised examination centre for the XCERIO. In this regard, the College is facilitating the relationship between XCERIO and students.

Certifications are available as a Microsoft Office Specialist, Microsoft Technology Specialist, Adobe Certified Associate and Autodesk Certified User. These certifications are recognised in industry and provide job ready skills for students.

Courses cost around $195.00 each. This cost includes the exam (single attempt only), practise software and a workbook.

At this stage we are looking for expressions of interest, not firm commitments. We will take this forward if there is enough interest. Please email Mr Hart (j.hart@wac.nsw.edu.au) before Friday, 11 November 2016 if you would like to participate in this opportunity.

Mr Jay Hart
Humanities Coordinator

STAGE 2 WORKING HARD
**STUDENT BANKING**

As the end of the College year is fast approaching we would like to inform you that the last day of student banking for this year will be Wednesday, 30 November.

Mrs Deborah Cook  
Deputy Headmaster’s Secretary

**P&F FOOD SALE**

Leftover foods from the Country Fair will be on sale on Friday, 18 November at Lunchtime. Foods available are:

- Hot dogs $3.00  
- Hot chips $3.50  
- Pulled pork roll $5.00  
- Limited show bags $4.00

Mrs Deborah Cook  
Deputy Headmaster’s Secretary

**NEWS FROM THE INFORMATION RESOURCE CENTRES**

**Scholastic Book Club:**  
Issue 7 has been distributed to the students. Please let me know if there are any problems with your order.

**Contact:** Each year we offer parents the opportunity to purchase the book covering contact that we use in the library. If you would like to purchase this contact please fill out the enclosed order form and return order and money to the College office. Orders need to be placed by Thursday, 17 November. The contact is not available to be purchased at the start of next year.

**New displays in Flynn IRC:** by Miss Bailey *Cross Cultures - Product Stories*  
The aim was to research the influence that other cultures have had on Australian textile design and production. Students were required to investigate textile design and production traditional to a chosen culture and design a set of three furnishing items which effectively combine traditional elements of their chosen culture with aspects of modern Australian textile design and production. The items were also required to stylistically fit together to create a ‘product story’. Attention to detail has been a real feature of these works and they look spectacular. Some of the works are featured here and these are currently on display in Flynn.

Africa by Ruby Wenman  
Fiji by Rachael Freeman  
French Boudoir by Sabina Potter

Mrs Louise Saint-John  
K-12 Information Resource Coordinator  
Secondary Teacher-Librarian
News from the Primary Libraries

Primary Library Book Fair
Thanks to the WAC community’s wonderful support we will be able to purchase over $3000.00 worth of resources for the Primary libraries. It was a fun-filled few days as students and their families chose books together. Sincere thanks to Mrs Moller, the Primary staff, the Administration team and the library monitors for their enthusiastic support, and the families who donated books to our collection.

WAC library bags
Students in T-Year 4 in 2017 will need library bags for borrowing AND returning items. Please retain the green College library bags if your child will be in those classes in 2017 - also check that your child’s name is clearly marked on the outside of the bag, preferably in texta.

Public libraries
Public libraries provide an excellent free service to us all - as we finish our borrowing from the College libraries it may be the perfect time to join - if you are not already a member! Your family will be able to enjoy selecting from the shelves of books, talking books, DVD’s and magazines. Many libraries run holiday workshops for children, so you may want to check those out too.

Final borrowing this week
This week has been the final week for student borrowing - all resources are due back by Friday, Week 7 so we can begin the end of year stock take process. Please return any WAC items promptly.

Overdue notices
Due to the Book Fair, we are running one week behind with the overdue notices. Please check your child’s diary for any overdue reminders.

Mrs Gail Staples
Primary Teacher-Librarian

Christmas Hampers
Wollondilly Anglican Community Cares (WACCares) supports families and individuals with home cooked meals and comfort during times of illness, disability or bereavement. With the wonderful support Wollondilly Anglican College, Anglicare and local churches, WACCares, once again, would like to distribute some Christmas cheer in the form of hampers. If you would like to help, Christmas goodies (non-perishables) can be left at the College office.

They are seeking donations of Christmas Treats to supplement their store cupboard hampers and would welcome items such as Christmas puddings, Christmas cake, fruit mince pies, custard, chocolates, biscuits, lollies, Christmas bonbons - anything that would bring some Christmas cheer to our families.

A collection box is in the College Reception.

Mrs Lynnette Buick
WACCares Coordinator
**PRIMARY MATTERS**

Meet The Teacher Afternoon T-5
Date: Monday, 5 December
Time: 2.00 pm - 2.30 pm

Students from T-5 will have the opportunity to meet their 2017 teachers and classmates. New students are invited to come along. This is a very exciting day. Some students may feel a bit disappointed about not being with a particular teacher or not having a particular friend in their class. A positive response from parents usually helps deal with this. However if your child is very upset feel free to email me at j.huxtable@wac.nsw.edu.au.

Ms Jacqui Huxtable
Director of Teaching and Learning T-6

**TRANSITION**

Graduation Day
The Transition students are very excited as we move ever closer to being in Kindergarten. Some very important events will be coming up at the end of this term, so parents get out your diaries and make sure your camera batteries are charged!

Toto are graduating on Thursday, 24 November and Tembo are graduating on Friday, 25 November. Both ceremonies will commence at 1.40 pm in the Warne Auditorium. They will conclude with an afternoon tea in the Warne Forecourt.

Each child will need to bring their green hat AND a college black sports hat for Graduation day. The hats play a very important part in the ceremony so please make sure you note this down. Please check that hats are clearly labelled with the current students’ name so that we do not misplace any. Please send in labelled black sports cap before the end of Week 6 (Friday, 20 November). The hats will be collected in a box ready for graduation day.

Transition are enjoying practising for their graduation, and are very excited! We hope you will be able to attend.

*A mind once stretched by a new idea never regains its original dimensions. -- Anonymous*

Thank you for your support.

Mrs Rebecca Napier
Primary Teacher

**3-6 PUBLIC SPEAKING AFTERNOON**

This year the Final of the 3-6 Speaking Competition will be held on Tuesday, 15 November in the Warne Auditorium. It promises to be an entertaining afternoon where students will present their prepared speeches on a variety of topics. A Stage 3 student will be performing an item as well. Parents and friends are welcome to attend this event. It will commence at 1.45 pm and will conclude at 2.25 pm. We hope to see you there.

Mr Michael Matthews
Assistant Director of Teaching and Learning T-6
**DESIGN AN AD WINNERS**

The College would like to congratulate the 2016 winners of the Wollondilly Advertiser ‘Design an Ad’ Competition. First prize was awarded to Jessica Fraser and Reanna Thornton winning $700.00, 2nd place to Samantha Cefai winning $200.00 and 3rd place to Joshua Castle winning $100.00.

The ‘Design an Ad’ Competition has been awarded for the past 30 years, involving the participation of the community, students and local businesses. Students are given a design brief for a local business and were asked to create an advertisement without using a computer. The designs had to be made completely by hand using pencil, crayons, felt pens or any form of 2D art, other than digital graphics.

We would like to thank the Wollondilly Advertiser for inviting us to take part in the competition and Glencore for sponsoring and supporting the local newspaper, local schools and other local businesses. Thank you also to all the students who participated in this years ‘Design an Ad Competition’. This is an annual graphic design competition and I hope you give it a go next year.

Mrs Ware and Mrs Taylor  
Secondary Visual Arts

**WOLLONDILLY CREATE 2033 ART COMPETITION**

Wollondilly Council would like to see what is on your wish list for Wollondilly in 2033. Would you like a new school or playground, more local jobs, farms & rolling hills, better transport? What do you love about Wollondilly & what would you like to see in Wollondilly in the future? Submit an entry in the ‘Create Wollondilly 2033’ Art Competition to illustrate “what you want Wollondilly to look like in 2033.” Your entry could be any form of artwork like a photo, drawing, painting, sculpture, or diorama etc.

Prizes include 15 years & under 1st: $150.00 Voucher 2nd: $75.00 Voucher and 16 years & above 1st: $150.00 Voucher 2nd: $75.00 Voucher.

Entries close 4 December if the student submits the entry direct to Council or entries can be given to Mrs Taylor until 2 December. For more information please go to the Council website listed below or speak with Mrs Taylor for an entry form. [http://www.wollondilly.nsw.gov.au/lifestyle/create-wollondilly-2033-art-competition/](http://www.wollondilly.nsw.gov.au/lifestyle/create-wollondilly-2033-art-competition/) I look forward to seeing your creative works of art.

Mrs Belinda Taylor  
Secondary Visual Arts
A GREAT GIFT FOR CHRISTMAS

OUR FAMILY Table

Wollondilly Anglican College Cook Book

Available to purchase now.
$30 EACH OR TWO FOR $50

Pick up from the College office from Monday 28 November.

www.wac.nsw.edu.au/cookbook
The Annual P&F Golf Day was a great success last Wednesday, 2 November 2016. We had 42 golfers playing and 26 ladies enjoying morning tea and lunch. Congratulations to the winning golfers: Mr Warren Dyer, Mr Carl Craddick, Mr Greg Deller and Mr Ross McLean.

A big thank you to Mrs Karen Johnson who coordinated the day.

Thank you also to our Gold Sponsors for the Golf Day:

- Stanton, Dahl Architects
- Nu Era Homes
- Lowes
- Taverner Landscapes
- Elders Real Estate
- Pinnacle Tax Accountants

Mrs Rhonda Hay
Headmaster’s Secretary
Wollondilly Cares
From time to time, families undergo trauma such as severe or terminal illness. There are short term support structures in place at the College to assist families during these times. Parents have kindly offered practical support such as meals for other families. Please contact Mrs Hay or Mr Shaw at the College, to assist. Confidentiality will be respected when requested.

Kids@Mac
Kids@Mac, the out-of-this-world club for kids K-4 is on again! Join us for ‘Spaced Out’, an action packed program full of games, craft, songs, arvo tea, great leaders and Bible stories. It costs $3.00/week or $20.00/term, and is on Tuesday term time from 3.30 pm - 5.00 pm at Mittagong Anglican Church (Main Street Mittagong). www.mittang.com.au 4871 1947.

Wollondilly Women in Business Network
Annual event 2016 Saturday, 12 November. Tickets $70.00 each. Doors open 6.30 pm seated 7.15 pm (price includes canapés on arrival and a two course dinner - formal dress). Guest speaker Tracey Spicer. Bargo Sports Club, 3580 Remembrance Drive, Bargo. Get your tickets www.wwib.com.au

Carols by Streetlight
Come All Ye Faithful and sing your Joy to the World. Carols by streetlight is a movement within Christian churches across Australia, singing the Christmas story into the heart of the community. Organise one or more groups to take the Christmas story from the seats of your church to the streets of your suburb anytime between 18 December until 24 December, anywhere around Australia. Visit www.carolsbystreetlight.org for more information.

Cycle for Active Transport
Free workshops to help you cycle confidently and safely this summer. Join a fun session to improve cycle skills, learn about bike safety and improve rider confidence. 10 November Bowral Library, 24 November Moss Vale Library and 1 December Mittagong Library from 11.00 am until 12 midday. For bookings or more details contact: Wingecarribee Shire Council 4868 0888 or visit www.wsc.nsw.gov.au/events.onyourbike

Narellan December 2016 School Holiday Cartooning Program

Please visit our NEW Sponsor Page on the College website at www.wac.nsw.edu.au/college-sponsors
Wollondilly Anglican Community Church (WACC) meets in the Clifford Warne Auditorium every Sunday at 9.00 am. Contact: Rev Kevin Flanagan 0418 281 430 or (02) 4681 8742.

When the world seems like it’s in chaos and life seems out of control it’s good to be reminded of these basic truths from the Bible. “The king’s heart is in the hands of the Lord; he directs it like a water course wherever he pleases.” (Proverbs 21:1). “The lot is cast into the lap but its every decision is from the Lord” (Proverbs 16:33)
Thank God

- For those who selflessly serve as missionaries.
- That we have an opportunity to truly appreciate what we have at our College through the eyes of visitors.
- That He watches over our College and protects us.

Ask God

- To keep the kids who live on the dump in India safe.
- That we may keep our “tough” days in perspective.
- For His continued patience and perseverance with us.

Psalm 127:1 Unless the Lord builds the house, its builders labour in vain.

Excellence, Endurance, Eternity
