College Map

From the College Headmaster

Welcome to Wollondilly!

Wollondilly Anglican College was conceived out of the need to provide Christian education, an environment encouraging excellence and an independent school alternative for families in the Wollondilly Shire and surrounding districts. Now entering our 22nd year, we continue to be the College of choice for over 1300 students and their families.

Our College is equipped with state of the art facilities, including airconditioned classrooms, beautiful grounds and active play areas, all designed to create a safe and supportive learning environment. Our focus is on Learning, Care and Culture.

We are committed to your children's success by providing outstanding teaching and learning opportunities, high levels of pastoral care, and reinforcing a strong student culture through high expectations of presentation, behaviour and work ethic. We want to partner with you to develop in each young person a great sense of personal responsibility and self-discipline; characteristics that we believe will prepare them for a life of success.

The College will continue to teach and promote the virtues of traditional Australian Christian values. These include a Christ-centred education, freedom for students to shine and develop God-given gifts and a high level of parent involvement and partnership.

We are blessed to have wonderful staff who are dedicated to their work; Admin, Grounds, Support and Teaching staff all work together to make Wollondilly the amazing place that it is.

I look forward to seeing your children grow and succeed at Wollondilly Anglican College.

God bless.

Mr Trevor Norman

College Headmaster

2026 College Term Dates

Term 1 – 30 January to 2 April	
Tuesday, 27 January	Staff Professional Development Day (<i>Pupil Free</i>)
Wednesday, 28 January	Staff Professional Development Day (<i>Pupil Free</i>)
Thursday, 29 January	Staff Professional Development Day (<i>Pupil Free</i>)
Friday, 30 January	First day Term 1 for T3, Kindergarten, Year 7, Year 11, Year 12
Monday, 2 February	All students
Thursday, 2 April	Last day of Term 1
Friday, 3 April	Good Friday Public Holiday
Sunday, 5 April	Easter Sunday Public Holiday
Monday, 6 April	Easter Monday Public Holiday
Term 2 – 20 April to 3 July	
Monday, 20 April	First day of Term 2
Saturday, 25 April	ANZAC Day Public Holiday
Friday, 5 June	Staff Professional Development (<i>Pupil Free</i>)
Monday, 8 June	King's Birthday Holiday
Friday, 3 July	Last day of Term 2

College Communication

Wollondilly Anglican College App

The Wollondilly Anglican College (WAC) App is our main source of day-to-day communications for our parents and students, is an extension of our Parent Portal and provides you with a number of functions conveniently on your mobile phone. These functions include:

- Ability to acknowledge & verify absences
- Approve excursions, camps & sporting events
- View events and tasks
- WAC Broadcasts (with Push Notifications)
- Your child's daily timetable
- Assessment information
- College Calendar
- The Waratah

Please note, instructions on how to download the App will be emailed to you prior to your child starting at the College. **Please do not attempt to login before receiving this email** as a particular username and password will be set.

Once you download the App, please go to 'Settings' and ensure the notifications are 'On'.

We will require at least one Parent/Carer, but preferably both, to download the App to ensure you receive all correspondence.

Please note – Edumate and the WAC App use the same username and password.

The College Diary

The College Diary is a primary form of communication between the teachers and parents relating to student matters. Students are to ensure they are showing parents their Diary and having it signed each week. The Diary contains information about homework, assessments, awards, events and discipline/uniform matters.

Emails

Emails will be reserved for official and formal communication that requires your careful attention. This includes welcome and information letters, critical College information, Parent-Teacher Interviews, updates to College policies and processes, permission note reminders etc. Teachers may also email you directly. You can be confident that every email you receive from the College is important and requires your attention.

Teacher Communication

Teachers will continue to use a range of means to communicate with parents. These include the College diary, phone calls and emails.

College Website & Social Media

Our website is updated regularly. Here you will find general information about the College which is tailored for prospective parents, quick links for current parents, employment opportunities, College policies, music tuition information and blog posts.

Find us online at www.wac.nsw.edu.au or on Facebook and Instagram for news and events.

The Waratah

The Waratah is a bi-termly (twice per term) digital magazine. This format is engaging and visually appealing, allowing us to showcase the vibrant life of our College. This publication is available on the College website and through the College App. The Waratah celebrates our community by featuring:

- student achievements;
- event photos;
- highlights from sports, arts, community gatherings;
- happenings in Learning, Care and Culture.

Please see the following page summary of the College communication platforms.

COLLEGE COMMUNICATION

Examples of College communications and channels listed below.

WAC APP

News Post - Broadcasts:

- Daily announcements
- Sport & co-curricular information
- Event changes
- Other need-to-know information relevant to your child

To-Do:

- Grant permissions for events and activities

Calendar:

- Access the College Calendar for events and term dates

Academic:

- View your child's reports & wellbeing information
- Access Secondary student assessment task due dates & results

THE WARATAH

A bi-termly publication showcasing:

- Student achievements
- Event photos
- Highlights from sports, arts, community gatherings
- Happenings in Learning, Care and Culture

EMAILS

- Welcome & information letters
- Critical College information
- Parent-Teacher Interviews
- Updates to College policies & processes
- Permission note reminders

TEACHER COMMUNICATION

Teachers will continue to use a range of means to communicate directly with parents. These include

- College Diary
- Phone calls
- Email

COLLEGE WEBSITE

- General information about the College tailored for prospective parents interested in the College
- Quicklinks for current parents
- Employment opportunities
- College policies
- Music tuition information
- Blog posts

SOCIAL MEDIA

- Used for celebrations and achievements of our students such as sport, musical performances & co-curricular activities etc
- Employment opportunities
- Platforms include Facebook and Instagram

Edumate Parent Portal

Parents need to become familiar with the Edumate Parent Portal so they can be informed about their child's learning. With their own Parent Portal, information is tailored to what they want to know about their child's wellbeing, actions and learning progress.

The information available is:

- Visibility of your child's assignments, performance and activities
- Management of College fees
- Monitoring attendance

Students should not be given access to the Parent Portal.

A quick guide to the Edumate Parent Portal is available on the College website under parent guide.

As noted above, the Parent Portal username and password will be the same as the WAC App, so **please do not attempt to login before receiving the email with instructions**, as particular login details will be set.

Edumate Student Portal

Students have access to their own Student Portal. Through this they have access to the College calendar, broadcast notifications, their timetable as well as formal assessment test results. Students will also use this to reflect on their learning and set goals. Students should check this daily during Term time.

College House Groups

Students are organised into five Houses.

Following the theme of the College crest, these are named after Australian native plants.

The Houses compete against each other in Swimming, Athletics and Cross Country Carnivals each year, as well as other non-sporting competitions.

ACACIA | GOLD

GREVILLEA | MAROON

SOLLYA | BLUE

TELOPEA | RED

WOLLEMI | GREEN

College Administration

Guest Reception and Student Reception are located at The Alfred Deakin Administration Centre.

Student Reception

Student Reception is open from 7.30 am to 4.00 pm, Monday to Friday.

Student Reception should be used for all student related enquiries eg student attendance, late arrivals, sick bay and first aid, lost property including uniform and text books, all student administration matters, appointments with the Deputy Headmaster, appointments with the Head of Secondary Years, appointments with the Head of Primary Years, administration of student medication, plus all day-to-day College administration.

Guest Reception

The Guest Reception is open from 8.00 am to 4.30 pm, Monday to Friday.

The Guest Reception should be used for all appointments and enquiries with the Headmaster, payment of fees, all enrolment enquiries and all marketing enquiries.

Student Information

Bell Times

K-6 students are allowed to arrive at the College from 7.30 am (Transition from 7.45 am).

8.10 am Roll Call (Care & Culture Group)

2.35 pm End of day Years T-12

Roll Call (Care & Culture Group)

If a student arrives after the Care & Culture Teacher, and after 8.10 am, they are considered to be late and will need to go to Student Reception to be signed in as late and have their diary stamped.

Absentee

If a student is absent from the College, parents are required to update the attendance data using the Parent Portal or Wollondilly Anglican College App to verify the student's absence. You do not need to call or email on the day to advise staff.

If a student is going to be absent for 6 or more days, an Application for Student Leave or Exemption form is required. This form can be collected from Student Reception. Once the form is signed by parent/carer and relevant teaching staff it is to be submitted to Student Reception 2 weeks prior to the leave start date.

Late Arrivals

Students arriving late are required to sign in at Student Reception.

Early Leavers

Students are required to sign out at Student Reception.

Verbal or written consent by the parent/carer is required prior to a student signing out.

Uniform Expectations

Term 1 and 4	Full Summer Uniform	Term 2 and 3	Full Winter Uniform
--------------	---------------------	--------------	---------------------

COLLEGE UNIFORM

Backpacks	Regulation College backpacks only accepted	

Student Medication

Medication is only given to students if parental permission has been given. For students in Years 5-12, medications such as Paracetamol, Ibuprofen, Antihistamine (the College will stock Loratadine only), and Ventolin can be pre authorised via the Parent Portal only, and given to your child if they are required whilst they are in our care. If your child requires any of these medications, the parent will be notified via SMS. Medication authority can be updated or amended at any time via the Edumate Parent Portal (not the WAC App).

For any other medications, a 'Medical Authorisation' form must accompany all medications kept at the College. Regular medications will be held and administered by College Nurses or Student Reception staff. Prescription medications must have a pharmacy label with the child's name and clear administration instructions.

In some circumstances medications will remain with the student (for example, EpiPens, Insulin and Ventolin). Loose tablets or medications such as Nurofen, Panadol should not be carried by students at any time.

It is the responsibility of the parent to ensure that all medications kept at the College are well within their expiry date. Parents must update any medical conditions, allergies or concerns (physical or psychological) via the Edumate Parent Portal (not the WAC App). Medical documents may need to be provided to help the College best support the child. Any Medical Action Plans will need to be given to Student Reception for the College Nurses to review and upload to Edumate. Any medical correspondence can be made to medical@wac.nsw.edu.au.

Please ensure you and your child's details including medical are updated or checked annually or when there are changes. This can be done via the Edumate Parent Portal (not the WAC App). Please also ensure your parent/carer details and emergency contacts are checked and updated.

Anaphylaxis

For students with anaphylaxis, one auto injector is required to be stored at Student Reception. The second auto injector will remain with the student (whilst in or out of home). This is per the recommendations from ASCIA.

In the upper Primary and Secondary Years (5-12), the student may feel more comfortable to carry their auto injector in a hip pouch. In this instance, care needs to be taken during activities such as sport or during breaks where the student may be involved with physical activity.

For students in Years K-4, the auto injector should be stored in the College backpack in an insulated pouch. This is beneficial if the student has altering transport arrangements such as bus transport or after College hours care.

Best practice would be that a student is able to carry their own auto injector according to their age, maturity and ability to use their device. If you do not wish your child to carry their auto injector, please contact the College Nurses for further discussion.

For students in Transition, their 'student carried' auto injector and Action Plan is to be left with the class teacher unless otherwise discussed with their teacher and the College Nurses. Updated ASCIA Action Plans should be renewed when a student is reassessed by their Doctor or Nurse Practitioner, and each time they obtain a new adrenaline auto injector prescription, which is approximately every 12 to 18 months.

Asthma

As per the recommendations from Asthma Australia, children with asthma should have immediate access to their reliever in the event that they may experience asthma symptoms, or if they require their puffer before attending sport. Students with asthma are required to carry their reliever, spacer and Asthma Action Plan in their College bag and this should remain in the student bag each day. If the student requires their reliever they will be assisted by College staff or will be sent to Student Reception for assistance or assessment due to exacerbation of asthma symptoms.

Updated Asthma Action Plans are requested annually. In the absence of an Asthma Action Plan, or if the Asthma Action Plan is outdated, College staff will follow the Nationally recognised Asthma First Aid Plan, that is, four separate puffs or a reliever via spacer, repeated three times if required. Please check your child's Ventolin regularly to ensure it is in date and has adequate available doses.

Diabetes

Students with diabetes are required to carry a fully stocked 'Hypo' kit packed in their College backpack each day.

Parents are to provide an additional diabetes kit to be stored in Student Reception if required. This should include Blood Glucose Strips, Ketone strips, Hypo Treatments and Glucagon. Diabetes Action and Management Plans prepared specifically for their child are required annually. This is to be prepared by the student's Diabetes Educator or treating Medical Team.

Student Travel Procedures

Wollondilly Anglican College is provided bus services by Berrima Buslines and Picton Buslines.

Bus drivers are not required to, and will not necessarily have, a first aid certificate. The bus driver will render assistance from emergency services if required.

The College recommends that students who use the public bus service with anaphylaxis, asthma or diabetes carry their own personal auto injector/Ventolin and/or diabetes hypo management kits in their College backpack, for use in an emergency while travelling to and from the College.

1. Students should carry their bus pass with them at all times and produce it when requested.
2. Sensible, safe behaviour is expected from students on all occasions.
3. Students must wherever possible be seated.
4. The College uniform is to be worn neatly by students to and from the College.

Student Identification Cards

1. Students from Years 3-12 are issued each year with an Identification Card.
2. These are required for borrowing books from the Libraries.
3. Students can use these for identification purposes when using public transport.

College Assembly Days

Primary	Communicated via WAC App/College calendar	
Secondary	Rotational in Stage groups	Monday

Sport Days

Years K-2	Monday sport day	Students wear their House coloured polo
Kindergarten	Friday PE Day	
Years 1-2	Thursday PE Day	
Year 3-6	Wednesday sport day	Students wear their white sport polo
	Monday PE Day	Students can wear their House coloured or white polo
Years 7-12	Tuesday sport day	Students wear their white polo
	PDHPE days	

K-12 students wear their House coloured polo shirt to the Swimming Carnival, Cross Country Carnival, Athletics Carnival and other House-based days.

Chapel Service Days

Chapel services occur for different groups across the two-week College timetable in age-appropriate format.

Allergy Aware College

Wollondilly Anglican College is an “Allergy Aware College”. We have a number of students at the College who are anaphylactic to different foods. In order to assist these families, the College has a number of risk minimisation strategies. These include adequate training for staff to be able to quickly recognise and treat an allergic reaction, including anaphylaxis, reminding students to wash their hands before and after eating, and not sharing food. Please remind your child never to share any food brought in from home or purchased from the canteen.

The College requests that parents clearly label lunch boxes/drink bottles and do not include the following foods in their child’s lunch:

- Nuts of any kind
- Peanut butter, Nutella or nut-based spreads
- Any food products that contain nuts i.e. Muesli bars or biscuits

Healthy Food Policy

Wollondilly Anglican College promotes healthy eating. We request that parents send healthy lunch options. The food a child eats will have an impact on their ability to learn and concentrate.

Again, the College requests that parents clearly label lunch boxes/drink bottles, and also request that parents do not include the following foods in their child's lunch:

- Chocolate or lollies
- Soft drinks

Sharing, Gifting Food and Birthday Cakes

As part of supporting the health and wellbeing of students we do not allow students to share food, give food gifts or bring birthday cakes. We will celebrate student birthdays in class without using cakes or food treats.

Teaching and Learning Assessment

Students in Years 7-12 will receive an assessment booklet at the beginning of the College year outlining the upcoming assessments and the College expectations around them. This can be found on the College website when available. It is important that students and parents familiarise themselves with these expectations. All formal assessment tasks will appear on the student's Edumate calendar.

Benchmark Testing

On enrolment students will undertake benchmark testing through the ACER PAT Tests. These help to establish a benchmark through which academic progress can be monitored. PAT testing occurs at regular intervals through your child's education at the College.

MyTech

MyTech is a program that involves secondary students bringing their own computer device to the College. Please refer to the brochure enclosed in this pack or our website <https://mytech.wac.nsw.edu.au/> for information and specification requirements.

Reports

Students will receive an academic progress report in Term 1 and full reports, including exam results where appropriate, in Terms 2 and 4 with the exception of Years 11 and 12. Reports are available on the Edumate Parent Portal. A printed report can be requested through Student Reception.

Parent-Teacher Evenings

Parent-Teacher Evenings are held in Term 1 for Primary, and at various other times in the year for Secondary. They provide valuable opportunities for teachers and parents to discuss the progress of students. Parents are welcome to book a time to speak to their child's teacher at any stage throughout the year.

Parent Helpers

Parent helpers are welcome at the College. If you are interested, please contact either your child's class teacher directly or the Advanced Learning & Learning Support Coordinator, who often needs assistance with reading groups, exam supervision and other duties within our Support Services curriculum.

All parent helpers must sign a parent helper agreement and volunteer undertaking form which are available from Student Reception. Parent helpers are also required to obtain a voluntary Working with Children Check. Once these forms are completed the parent will need to see the Business Manager prior to commencing.

After Hours Care

The After Hours College Care program is operated by Little Elves Childcare Centre.

After Hours Care operates out of the Warne Auditorium classrooms commencing after the College day until 6.00 pm.

To enquire or enrol with Little Elves for their After School Care program, please contact Jennifer at littleelvesoosh@gmail.com or call on 0487 001 779.

College Lockers

A locker is available for your child to hire for the duration of 2026. Lockers are compulsory for students in Years 7-10 and the cost is covered in your College Service Charges. For students in Years 11 and 12 lockers are optional and are available subject to the payment of the \$20.00 hire fee.

All lockers require your endorsement of your child's agreement with the Conditions of Hire set out below.

Conditions of Hire

- Students must use the locker provided by the College.
- Students understand that the locker and the lock remain the property of Wollondilly Anglican College and may be inspected from time-to-time by Senior Staff.
- At the end of each year, the locker must be emptied and locked in the open position. The lock should not be removed.
- Once lockers are issued, they are not able to be transferred or changed.
- Students must not leave items of value in lockers overnight.
- Students must not leave perishable items in the locker, damage the locker, write on or mark the locker in any way, or attach any item to the inside or outside of the locker.
- If the locker is damaged and/or the lock is damaged, kept or lost by the student, the cost for the repair or replacement of the respective item may be charged to the student's College Fees Debtor account.
- The Headmaster reserves the right to cancel a student's hire of a locker at any time.

Locker agreements for students in Years 7-10 will require parent/carers approval via the WAC App. Locker agreements together with payment for students in Year 11 are available at Student Reception.

Music Tuition

The Wollondilly Anglican College Music Tuition program offers quality tuition (dependent upon tutor availability) in:

- Guitar (Classical & Contemporary) and Bass Guitar
- Woodwind instruments - Flute, Clarinet, Saxophone, Oboe, Bassoon etc
- Piano and Keyboard
- Brass instruments - Trumpet, Trombone, Cornet, Euphonium, Tuba etc
- Strings - Violin, Viola, Cello
- Drums/Percussion

The program is timetabled throughout the College week, and allows students to attend instrumental lessons during non key learning class time (or during break times – availability is limited and for specific circumstances).

Times for Music Tuition will be displayed in the window of the FLOWERS Cafeteria (next to the Canteen).

Participation in the Music Tuition Program is considered a privilege with the following expectations:

- Students must catch up on all class work and homework set by their classroom teacher;
- It is the responsibility of the student to attend their instrumental lessons;
- Students must maintain suitable respect and behaviour whilst in their instrumental lesson.

Failure to comply will see the student lose this privilege.

All our current Music Tutors' biographies and digital application forms are available on the College website: <https://www.wac.nsw.edu.au/student-life/music-tuition/>

Flowers Canteen

Providing nutritious food in our Canteen is a vital step in helping kids set up healthy routines and habits for life, as such we proudly operate within the NSW Healthy Schools Canteen Guidelines.

The Canteen is open every day for recess and lunch. Ordering is through the easy-to-use Flexischools system, and must be placed by 7.30 am (or, if after 7.30 am, by 8.30 am with limited food options)

To access the Flexischools ordering system, download the Flexischools app and register an account.

For further information visit the Flexischools' website:

<https://www.flexischools.com.au/parents>.

Primary students in K-6 are only allowed to order recess and/or lunch via the Flexischools app. They are not allowed to purchase at the counter at any time.

Years 7-12 can order via the Flexischools app or purchase at the counter using cash or card. No purchasing is allowed using mobile phones.

Canteen Volunteers

Our Canteen is run with the help of a network of volunteers from our College community working together.

If you can spare any time to join our network and help prepare and serve food at our Canteen, we would very much appreciate a hand. It's easy and fun work with on-the-job training and you can dedicate as much or as little time as you like.

We have short shifts of one to two hours either in the morning or afternoon – just after College drop-off (8.10 am) or before College pick up (1.00 pm).

All the efforts of our volunteers are rewarded with a healthy snack and plenty of tea or coffee.

If you are interested, please drop an email to canteen@wac.nsw.edu.au.

Parents' & Friends' Association

*Welcome to the Wollondilly Anglican College
Parents' & Friends' Association*

I am proud to be associated with such a group of tireless workers and encouragers who all feel very much a part of our extended community. Our purpose is for Fundraising and Friend Raising and we work with the College Headmaster and College staff in a valued partnership. Some parents have little time to spend whilst others get quite involved (and build great friendships just through the P&F alone). Either way, all help is appreciated. We can't wait to welcome you in person!

Bill Norman – President

Clothing Pool

The Clothing Pool runs because of the wonderful generosity of parents who have donated a variety of uniform items over the years. The result is a thorough supply of good quality clothing and other uniform items for sale at a reduced price.

Please note:

- All clothing is donated and the condition of each item varies. The volunteers who operate the Clothing Pool try their hardest to provide the best quality item that is available at the time of request.
- All proceeds from sales go directly to the College Parents' & Friends' Association.
- Most items purchased through the Clothing Pool will have names of previous owners written on them, please write your child's name clearly on purchased items so that, if lost, they can be returned to you.

The following items are available for sale:

- Transition sports uniform
- Primary girls' summer/winter uniform
- Primary boys' summer/winter uniform
- Secondary girls' summer/winter uniform
- Secondary boys' summer/winter uniform
- Senior girls' uniform
- Senior boys' uniform
- Unisex sports uniform
- Shoes, socks hats, bags, ties, swimwear (socks and ties sold new and second-hand)

The Clothing Pool is located in White Cottage (go to the front windows on the west side of the building, behind the Canteen). Open Monday – Friday 7.45 am – 8.30 am.

This service is operated by volunteers who very generously donate their valuable time to serve the College community.
