Wollondilly Anglican College – Scholarships 2028/2029

Thank you for your enquiry regarding scholarships at Wollondilly Anglican College. I am pleased to enclose our Scholarship Information Pack and Application Form for 2028/2029.

Wollondilly Anglican College recognises that all people are made in God's image and have the capacity for curiosity, critical thinking and creativity. As image bearers, all students have been blessed with gifts and talents and the College is committed to the provision of strong academic and pastoral care foundations necessary to encourage students with academic and creative gifts to excel. The awarding of scholarships is intended to provide families with financial support to further a student's education and reward achievement and effort.

Wollondilly Anglican College is a participant in the Australian Council for Educational Research (ACER) Scholarship Test Program. The ACER Scholarship Tests consist of a series of academic ability tests used by independent schools to select students for the award of a scholarship. All academic candidates must complete the academic scholarship test.

A number of Music and Dance scholarships are also offered at the College with candidates required to audition before a panel.
