UNIFORM GUIDELINES

The correct wearing of the College uniform is an agreed condition of enrolment at the College. Our uniform assists in the maintenance of certain minimum standards of personal presentation. The College has a well-designed, smart looking uniform which should be worn by all students with pride. At Wollondilly, we accept that the College uniform is one expression of – "This is where I belong and that I am proud of where I belong."

All Pre-Kindergarten (Transition) to Year 12 uniform items (including sport uniform) are available for purchase from the Noone on-campus uniform store, with the term trading hours below:

Student Safety Process – Modified Footwear

The College is committed to ensuring a safe learning environment for all students in accordance with Work Health and Safety (WHS) standards.

If a student is unable to wear the standard shoes in accordance with these Uniform Guidelines due to a medically diagnosed injury (e.g. requiring a leg cast or moon boot), parents/carers must make contact with the College Nurse prior to the student's return to the College.

To ensure appropriate support and safety for students, formal medical documentation must be provided specifying the following:

- the nature of the injury,
- the exact type of prescribed footwear, and
- the expected duration of the recovery period.

This documentation must be in the form of a letter from a qualified medical professional.

For safety reasons, slide-style shoes, Crocs, thongs or wearing socks only, are strictly prohibited on College grounds as they do not provide the necessary support or foot protection.

Furthermore, students wearing modified footwear or casts require a safety assessment for practical subjects such as Science, Technology subjects or PDHPE/PASS.

In instances where a student's footwear does not comply with the WHS safety requirements for these high-risk environments, alternative arrangements or classes may be necessary until they can safely return to standard protective footwear.
