

STUDENT TRANSPORT

All applications for travel passes under the School Student Transport Scheme are to be made online.

The online application form can be found at:
www.transportnsw.info/school-students

When completing your application, you should consult the bus operator for assistance in determining the correct route for your child's journey. The bus operators which currently serve the College are:

Picton Buslines

Tel: (02) 4677 1564
www.buslinesgroup.com.au/picton

Berrima Buslines

Tel: (02) 4871 3211
www.buslinesgroup.com.au/berrima

Once your application has been lodged online, there is no need to print your application. The College will receive an email notification and will then validate your application. Validated applications are then processed by Transport for NSW within two to three business days. The travel pass will be issued by mail to your home address.

Students who need to travel by bus whilst their application is being processed should ensure they purchase a valid ticket for all bus journeys where applicable.

For further information please visit Transport for NSW at www.transportnsw.info/school-students or call 131500.
