THE WARATAH WEEKLY

Endless is the Victory

Welcome and Welcome Back

Continued Record Growth

Once again, Day 1 finds us facing unprecedented growth. There are 172 new smiling student faces and 16 nervous new staff, or existing staff with broader responsibilities which started on Day 1 here in 2020. Again, this is partly on the strength of academic results but

life success is more than just numbers; more than just success in sporting and cultural activities; it is the recognition that the Christian values that underpin much of our way of life should not be shelved, but instead be examined afresh as we seek to make a difference for the better in an often confusing world.

Thanks to the firefighters

Thanks to the firefighters; the RFS, the SES and the Police and to all others who worked so hard to save as many homes and businesses as they could over the break. Thanks to those who worked so hard to save our College.

Thanks to Phil Costa (past Mayor) and Les McMahon (past General Manager of Wollondilly Shire Council)

Years ago, Phil and Les made a decision to support commonsense when the College was seeking to change the old farm tip up the back into an oval. It was not easy for them as there were strong voices not linked to the College, who wanted to plant a forest of trees instead. Our College kangaroos, wombats, echidnas would thank you Phil and Les, (if they could) for your decision which saved their lives (and our College) as the fire brigade were able to use the fire-break that the oval provided to hold the fire back so our animals could flee to safety.

Pleasing 2019 HSC Results: 11 Students on the "Distinguished Achievers' List" 16 Band 6 Results and 84 Band 5 Results from 58 students eligible for an ATAR.

In addition, Ethan Seidel, Riley Boon, Zara Luxford and Brianna Ollis all had performances or projects that earned nomination by the examiners for exhibition as benchmark works for excellence for the HSC - Ethan (Music "Encore Exhibition") and Riley, Zara, Brianna (Design and Technology "Shape Exhibition")

Students with ATAR 90+ Riley Boon (Dux); Brianna Ollis; Nina Hvejsel and William Chadwick "We are very proud of our class of 2019 and we are particularly proud of the virtues and character of these upstanding ladies and gentlemen.

At Wollondilly Anglican College we celebrate excellence against externally measured benchmarks. Of equal importance to us is the measure of personal best and the extraordinary tales of our externally measured "value added" benchmarked results between Year 10 and Year 12 which attest to the hard work of staff and a positive learning tone for students who will now, as a result, enjoy expanded career and course options. There is both an academic and enduring character return on such a wise investment". - Dr S J Quarmby.

Congratulations, Class of 2019

Gold Duke of Edinburgh's Award Adventurous Journey - Kepler Track in New Zealand
The Gold journey on the Kepler Track was one of the highlights of the year. There were 14 students
and four adults who completed the four day hike over 60 kilometres from 14 December to
17 December. This is a spectacular walk and one of the Great Walks in New Zealand. The hike covers
vast tussock-covered ridgelines and spectacular alpine vistas that contrast with peaceful lakeside and
valley beech forests.

On the second day the group hiked for three hours in the alpine area while it was snowing.

Congratulations to Sarah Clark, Iulitta Ng, Abby Miller, Zachary Smith, Nicholas Jefferys, Isabella Norman, Mitchell Youman, Julia Fouche, Bradley Madgwick, Jasmine Kelly, Zach Napier, Georgia Tapp, Kyran King and Harrison Apps for completing their Gold Qualifying Journey.

Thank you to Mrs Cochrane, Mrs Miller and Mr Davis for volunteering their time to support the students on the trip.

Bushfire Support Resources

The following resources have been shared with staff at the College to assist in supporting and managing the impact of a tough Summer in the local area and beyond. As a community there may be value in looking through the resources both for those affected directly or indirectly or those who are supporting people impacted by this situation.

Staff at the College will be observing students as they return to the College and will look to support them as they try and move forward from the events of the Summer. This may prove challenging for some that have been impacted, however the College stands ready to play their part in supporting these students and families. More will come to light regarding various circumstances on return to the College, with the included information only some of the resources that have been developed to support individuals, families and communities in this matter.

PASTORAL MATTERS - JUNIOR YEARS T-4

Welcome to 2020

Another year is upon us and to hit the ground running here are a few key pieces of information for parents of T-4 students.

Morning Arrival

Morning drop off for Years K-4 is on the front playing field. Students put their bags down at their room and head to the field. There is no teacher on duty on the field until

7.50 am so if students are arriving before this time they need to stay under the Shoulder to Shoulder Shelter, where there is a teacher on duty from 7.30 am. The teacher who is commencing duty on the oval will collect the students from under the shelter on their way to the field.

All children in Years K-4 need to be on the field and not standing with their parents on the Deakin Terrace. Parents, please support us in this area. This makes it easier for teachers to know where all students are. Parents we also ask that you keep the terrace clear to allow for ease of movement for staff and students.

We understand morning drop off can be tricky for some students particularly if your child is upset or they are unsure of where their friends are. If this is happening, please take them to the teacher on duty, kiss them goodbye and leave the playground. We promise you they settle much more quickly when Mum or Dad are not present. Parents are welcome to wait under the sails, near the equipment to wave goodbye to the children as they walk to the classroom.

Afternoon Dismissal

Students in Years T-2 are dismissed at 2.25 pm under the Shoulder to Shoulder Shelter. There is a section in the T-4 Diary for parents to complete outlining your child's travel arrangements for each afternoon. Please ensure this is filled out as soon as possible so your child is in the right place for afternoon dismissal.

Students in Years 3 and 4 will be dismissed from their classrooms. Please keep off the verandahs and away from the classrooms to enable students to pack their bags and ready themselves to leave for the day. Parents can wait for their children in the BBQ area or under the Shoulder to Shoulder Shelter.

At the end of the College day, there are many activities which run after the College day. Parents are asked to closely supervise their children once they have been dismissed from their class lines. Students should stay with their parents and not be running around the College. Your support in this area is appreciated.

Chapel

Please note the change of day for Junior Chapel this year to every Friday afternoon in the Warne Auditorium, commencing at 1.40 pm. Parents are most welcome to attend. It is a very lively and fun afternoon.

Mrs Lisa Maher
Pastoral Care Coordinator T-4

Please Note:

A reminder to parents and grandparents; please DO NOT park in the designated "Staff Parking" Area in the corner near the Deakin Admin Building at any time.

Thank you

College Music Tutors

Welcome back to a busy year in Music at the College. We have so many exciting opportunities for your child to develop their Creative skills this year. Our list of Music Tutors has grown to include a specialist Cello tutor, Catherine Barnett, as well as our regular tutors:

College Music Tutors for 2020

Jillian Bridge	Violin and Viola	
Catherine Barnett	Cello	
Michael Watkin	Piano and Woodwind (Clarinet and Saxophones)	
Richard Gawned	Flute	
Michael Griffiths	Drums	
Daniel Wilms	Guitar and Bass Guitar	
Tammy Nelson	Voice	
David Helmann	Drums	

If you would like your child to learn a musical instrument please contact Mrs Leanne Molluso or any of the College's Office staff for the application forms to learn an instrument and the tutor's Terms and Conditions. Just a reminder that parents pay the tutor directly and we ask that all invoices are paid within three weeks of being issued, non-payment may result in the lessons not being provided until the fees are up to date.

The procedures for students attending lessons are as follows: Once all the paperwork is returned to the office parents are then asked to contact the tutor directly to discuss their child's lessons. Once this has taken place the tutor contacts the College Office and has the student placed on their tuition list. We ask parents not to request specific times or days for their child's lessons as this makes the lesson roster unworkable. Music tuition times are published in the daily Broadcasts and displayed on the Melba staffroom notice screen. Each tutor also has a set of Terms and Conditions that parents are asked to sign prior to their child commencing lessons.

The benefits of learning a musical instrument are very well documented, with literacy and numeracy benefits being just the start of the academic and social benefits for your child. If you are unsure about what instrument your child should play, please make an appointment with Mr Denley to discuss what might be suitable for your child.

To learn more about the music for your child, please view the following TED Talk: https://www.ted.com/talks/anita_collins_how_playing_an_instrument_benefits_your_brain? language=en#t-2655

Have a great musical Year, be interesting learn an Instrument, have fun with music and enjoy being creative.

If you have any questions about music and the benefits of learning an instrument contact Mr Denley at s.denley@wac.nsw.edu.au or 4623 0226 for a chat.

YEARS 3-4 STRING PROGRAM AND YEARS 5-6 BAND AND STRING EXTENSION PROGRAM 2020

Teacher Expectations

As parents we all want to help our children succeed at whatever they turn their minds to. So as a teacher and a parent I wanted to detail for you the expectations for the Year 3 and Year 4 String Program and the Year 5 and Year 6 Band and Extension String Program.

The cognitive benefits of learning a musical instrument, in a structured environment, cannot be over stated. Improved literacy and numeracy outcomes, greater engagement in classroom activities and an enhanced sense of self-worth are just a few to mention.

These positive results do not just happen. We as teachers need your help as parents. For students in Years 3 and 4 I would like you to remind your child to practise their instrument at least four times per week for a minimum of 10 to 15 minutes. Each week our music tutors will have given your child clear learning expectations and routines to follow to enhance their learning capabilities on their chosen instrument. So, just as you would train for a sport you need to encourage your child to practise or train on their musical instrument. A little and often is the motto here.

Encourage them and if possible listen to them play their pieces weekly. You will be amazed at the progress they make.

In Years 5 and 6 the expectation is a little more. If possible we would like your child to undertake four 20-minute practice sessions per week. Again consistency is the key here. We all have busy schedules, but a regular study routine can really help your child feel in control of the tasks set for them by the music tutors and their practice will be rewarded with positive results as the year progresses.

One last request, if I may. I would like you to sign your child's College diary to tell our music tutors and classroom teachers that your child has done their practice during the week. This will help us maintain the high standards we have come to expect from our superb Music programs at the College.

I hope that you as parents get great joy from seeing your children achieve their best by putting in the effort and dedication required in any subject, but the pleasure one gets from hearing the progress made in music by a consistent and conscientious effort is indescribable. I hope that you as parents really get on-board and give your child the best chance of achieving by supporting teaching staff in this great program.

If you have any questions please do not hesitate to email me at s.denley@wac.nsw.edu.au or call on 4623 0226.

Have a great musical year.

INFORMATION FROM THE CAREERS ROOM

Welcome to Careers in 2020!

University of Wollongong Discovery Day

This is a reminder for Year 12 students and their parents. On Tuesday, 4 February 2020 Year 12 students will be taking an excursion to attend Discovery Day at the University of Wollongong. This event will occupy the entire day.

Students will be transported to and from the venue by Roadcoach Bus. Students will depart from the College at 8.00 am, and will return to the College by 3.45 pm. As this is later than the usual bus times, alternative arrangements for home travel may need to be made. Students have previously identified which of the three drop off locations they require: Picton (behind the George V Hotel), Tahmoor (near the Gentle Dental Clinic) or the College.

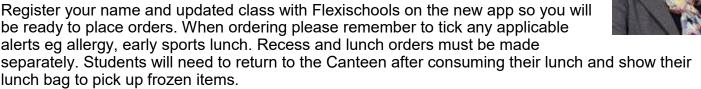

Students will not be actively supervised on the University campus but will be required to attend several information sessions for which they have previously enrolled. For safety reasons, the university has requested that all students should wear **closed footwear** (i.e. no thongs, slides or sandals). They should also **bring a hat, sunscreen and water bottle**. Students may bring morning tea and lunch, but food is also available for sale on the campus.

Please ensure that your son/daughter has any required medications with them.

FLOWERS News

Welcome to a new year everyone, we look forward to serving you fresh and healthy food and drinks in 2020.

Calling all volunteers - we need your assistance for Term 1, 2020. If you are available to help out in Canteen please collect and complete a form from Student Reception. Any help will be greatly appreciated. We had one Mum come in after helping out with class readers each week and do some jobs for an hour or so last Term, so yes, times can be flexible if you are unable to stay all day.

Thank you to all my wonderful volunteers over the past year. Your help has been invaluable. I hope to see you all during 2020 along with some new faces.

PRIMARY MATTERS

Welcome

Hello everyone. Welcome back to our returning students and welcome to our new students. We hope and pray that 2020 will be a great year of learning for all at Wollondilly.

Information Evening

We would like to invite all T-6 parents to our Information Evening or one of the Transition information afternoons. This evening is a chance to find out a bit more about how we teach and what we teach. You will also have the opportunity to meet your child's teacher.

Tuesday, 4 February at 7.00 pm

The evening will start in the Warne Auditorium. After an introductory session there will be two sessions for parents to meet the Stage teachers. For Transition parents we also have two afternoon information sessions;

Tuesday, 4 February at 2.00 pm Wednesday, 5 February 2.00 pm.

Transition parents with older children may like to attend an afternoon session before picking up their child and then attend the evening session to meet other teachers.

We look forward to meeting you.

Director of Teaching and Learning T-6

YEAR 6 PROGRESS DINNER 2019

At the end of 2019 we celebrated the end of Year 6 students' time in Primary education, through their Progress Dinner. The event was initially postponed due to fires, however, that did not dampen the celebration. Students looked amazing in their outfits and their transformation from College wear to dinner wear was incredible. After the awards ceremony and many photos it was time for the scrumptious dinner prepared and cooked by Mrs Evans, Mrs Cochrane and the students.

The sticky date pudding was a huge hit. We wish the students all the best for Year 7 and their future endeavours.

Thank you to all the teachers who attended the dinner to celebrate with the Year 6 students. A special thank you to Mrs Molluso for organising the event and for all her hard work is much appreciated.

Enjoy the pictures of the night below taken by Mrs Colombo.
