## THE WARATAH WEEKLY

*Begin with the End in Mind*

### The WASP Academy

WOLLONDILLY ANGLICAN  
SPORTS PERFORMANCE ACADEMY

WOLLONDILLY ANGLICAN  
SPORTS PERFORMANCE ACADEMY

This week we launched the Wollondilly Anglican Sports Performance Academy (WASP Academy). There is a separate logo for the male teams and female teams.

The Academy will launch with four sports in 2020 - AFL this term and then Football (Soccer), Netball, Athletics and Cross Country next term. WASP days will be held after College hours (3.00 pm to 4.15 pm) and students participating in the program will be expected to participate with exemplary behaviour, willingness to learn and develop and, of course, sportsmanship.

Mrs Mozejko (Secondary) and Mr Hopkins (Primary) have offered to assist Mr Goldsbrough and Mr Gooden with the smooth operation of the program which is expected to assist students with the development of sporting skills and life skills that come as part of a group working towards a goal together.

Please keep an eye on the Waratah Weekly for more updates and future announcements. Next Term we are expecting delivery of WASP polo shirts and drink bottles which students will bring to WASP afternoons.

You could say that things are off to a flying start

Sorry. No more Wasp puns ....

.... they really bug me.

## Duke of Edinburgh's Award - Training and Preparation Day

On Saturday, 21 March a Training and Preparation Day will be held to prepare students for their first expedition which will occur on Friday, 28 and Saturday, 29 March.

Due to the risks inherent with the Duke of Edinburgh Award Hiking Program **parents are required to attend the first 30 minutes** of the briefing with their son or daughter. Parents will also receive information regarding discounts for equipment.

Details are as follows:

- Commences at 8.30 am at the College at Flynn Ampitheatre and concludes 2.00 pm
- Students will need to bring - hat, sunscreen, water bottle, clothes for walking in bush, suitable shoes for bush walking, a pen and food for recess and lunch if they don't plan to have a sausage sandwich from the Working Bee BBQ. The students will be supervised and instructed by Mr Croger, Mr Hicks and Mrs Cochrane.
- Activities will include instruction on safety, first aid, navigating using a map and compass, equipment to take, route planning for the expedition, requirements and expectations for an expedition, cooking and camping skills.

Students will need to be registered with the Duke of Edinburgh's Award program to attend the day.

**It is important that students attend this training before they participate in the adventurous journeys.**

## Duke of Edinburgh's Award - Practice Adventurous Journey

The Bronze Level Practice AJ will take place on Saturday, 28 March and Sunday, 29 March 2020 from Minnamurra River to Gerringong.

Specific details are below:

**Saturday, 28 March** Departure from Wollondilly Anglican College at 8.00 am by College bus to James Oates Reserve near Minnamurra River. Walk to Easts Beach Caravan Park

**Sunday, 29 March** Easts Beach Caravan Park to Gerringong. Return to College. Parents pick up students at WAC at approx 2.00 pm.

**Equipment:** Students will need to carry all their own food, equipment, water, sleeping gear and tent. This was covered at the pre-expedition training in March. Students will need to use a fuel stove for cooking. An equipment list is in the Expedition Handbook issued to students.

**Note:** **Students will need to carry at least 2 litres of water. Cooking fires are not permitted. There may be an opportunity to swim. Students may choose to bring swimmers.**

**Toilets and showers are available at the campsite.**

**Costs:** Caravan Park fees of \$25.00 to will be charged to your account.

**Equipment Hire:** The College has some backpacks and two person tents available for hire at \$10.00, Trangia Cookers \$10.00, Good Quality Rain Jackets \$10.00. Hire fees will be charged to your account.

**Medical:** It should also be noted that if your child has anaphylaxis or asthma they must take their own EpiPen and/or Ventolin to this event.

Mr Croger, Mrs Cochrane, Mr Hicks, Mrs Croger and Mr Hart will be supervising the students. Emergency contact details will be made available. Mr Schroder will be an emergency contact person.

Students are reminded that all College rules regarding behaviour and College expectations apply.

**Students will only be able to attend the event if they have completed all the necessary documentation regarding their Bronze Award. Notes are available from Mr Baulch.**

The permission forms and medical forms are due to Student Reception by Wednesday, 18 March.

**Mr Ian Croger**

## Year 10 HSC Minimum Standard Testing

Over the next few weeks Year 10 students will be completing their HSC minimum standards tests. All Year 10 students should now have installed the NESA lockdown browser onto their computers. This software is located on the student cloud, following the MyTech link. Once students complete the Minimum Standards tests, students results will be emailed to parents progressively as they are released. The writing test results can take up to 20 days.

## Year 11 2020 Information Evening

The Year 11 Information evening will be held in the Warne Auditorium on Thursday, 5 March. This is an important evening for all Year 11 students and it would be appreciated if at least one parent is able to attend with their child. There will be information about Assessment, NESA requirements, as well as developing good coping strategies to thrive in Year 11. Students are expected to attend in their College Uniform.

## Creative and Critical Thinking

Learning needs to be both purposeful and is reflective. In class students will be asked to explore questions about existing knowledge and seek to build on this, challenge their own and others positions and evaluate the validity of an argument or point of view.

As we seek to develop critical thinking skills, teachers will routinely ask students to:

- Make inferences from stimuli.
- Elaborate or expand on what they have said.
- Justify with evidence an argument or point of view.
- Relate issues or content to their own knowledge and experience.
- Give examples to clarify or support what they have said.
- Make connections between related concepts.

Director of Teaching and Learning 7-12

## WORLD'S GREATEST SHAVE

---

The College is again holding the World's Greatest Shave on Friday, 13 March during lunch on the Deakin Terrace.

The following people are involved so far:

- Dr Stuart Quarmby (Staff)
- Ian Croger (Staff)
- Andrew Eaton (Staff)
- Craig Stevens (Staff)
- Grant Williams (Staff)
- Zach Napier (Student)
- Georgina Armstrong (Student)
- Harrison Apps (Student)
- Tomas Zrnica (Student)
- Josiah Jacobs (Student)

One of our ex-students J'Cobbi Kelly from Attitude Hair & Beauty volunteers her time and brings along a couple of hairdressers to support this event.

If you would like to sponsor the team, please go to [worldsgreatestshave.com](http://worldsgreatestshave.com) and sponsor WacTeam20.

# PASTORAL MATTERS - SENIOR YEARS 9-12

---

## Years 9-12 Pastoral Care: Personal Wellbeing Practice

As part of the PC program this term students (and staff) will be challenged to consider not only the different elements of wellbeing but the way in which habits and practices can influence and enhance their ability to cope with the struggles and enjoy the highlights of life.

Embedded into Pastoral Care lessons and Roll Call are 'Personal Wellbeing Practices (PWP's)'- simple evidence-based exercises aimed to engage and equip students, whilst providing a positive effect on wellbeing. The PWP's have a specific focus on either positive emotions, engagement, relationships, meaning, accomplishment or health.

Exercises incorporate goal setting, sharing, mindfulness, gratitude and acts of kindness. It is hoped that students will continue to use the practice that they find most effective and helpful for them in their daily lives.

## Peer Support: Connect Groups

To enhance a sense of belonging the College aims to provide a range of opportunities for students to interact, build rapport, form connections and gain support whilst they navigate their way through their particular year level. In the next couple of weeks we will be implementing an additional Peer Support program for Year 8. Students will partner with Year 11 and form small 'Connect Groups'.

This will take place each fortnight during a roll call session. The main objective being the opportunity for Year 8 to 'connect' with an older student, develop skills in conversation and discuss some relevant topics such as friendships, social media use, choices and personal responsibility, positive mindsets and attitude, and subject selection. Furthermore, Year 11 students will be enabled to develop their own skills in communication, mentoring and leadership.

## Years 11-12 Lunchtime Volleyball Competition

Every Friday lunchtime senior students have the opportunity to compete in a Volleyball Competition. This is a great opportunity for students to make connections, be part of a team and enjoy a friendly competition. The weekly fundraiser for 'Hope Street Mission' also takes place during this time, where students are able to purchase a soft drink and support a worthy cause. I look forward to reporting on how the teams progress throughout the Term.

## Team WAC!

Throughout the month staff will be hitting the pavement (and WAC Cross Country track) to clock some kms, reach some fitness goals but most importantly raise awareness and necessary funds for the Cancer Council. If you would like to offer a donation please use the following link:

<https://www.themarchcharge.com.au/fundraisers/wacstaff>

Your donation will help our local Cancer Council support those affected right now and fund world changing research to help more people survive. Thank you for your support.

# PERFORMANCE NEWS

---

## Musical

We have nearly rehearsed all of the scenes and songs from the show and are hoping to get to the end of the script at next week's rehearsals! This means that it is time for cast to be working "off book". It is important for cast to start to focus on their performance and not just the delivery of lines, so we are asking all cast to be "off book" (or as close as they can be to this) by Monday, 16 March.

This will require some at-home rehearsal of choreography, lines and songs. Please consult CANVAS for choreographic videos or backing tracks (students in Years 7-11) to practice with at home.

Cast members are reminded of the importance of attending every rehearsal. Should your child be unable to attend for some reason, please email Mrs Talbot at [s.talbot@wac.nsw.edu.au](mailto:s.talbot@wac.nsw.edu.au) at the earliest possible moment so that we can attempt to adjust our planned rehearsals. Please note that it is the responsibility of the absent students to catch up on any adjustments or newly taught singing, choreography, blocking or general direction.

Students who are interested in participating in this year's Musical Stage Crew are invited to begin attending rehearsals from Monday, 9 March. We will use this time to train and prepare students for their roles within the Musical.

## World Day of Prayer

On Friday, 6 March, our College Choir will participate in the local World Day of Prayer celebrations. This year the nominated country is Zimbabwe. Our College Choir are preparing an African hymn to sing as part of the celebratory service to be held at Tahmoor Presbyterian Church .

## Year 11 and Year 12 Drama Excursion - The Shape of Things

The Shape of Things is one of the set texts our HSC students study as part of their investigation into the Black Comedy theatrical style. On the evening of Friday, 13 March our Year 11 students will have the rare and highly valuable opportunity to view this play in live production. Likewise, on the evening of Friday, 20 March our HSC students will have the same opportunity.

The performance will be held at *Wollongong Workshop Theatre* in Gwynneville. Students have received permission notes about this event and need to return permission slips to Mrs Talbot at the earliest opportunity.

# ONLINE SCIENCE RESOURCES FOR YEARS 7-10

---

Students in Years 7 to 10 have a number of excellent online Science resources available to them, including **PearsonPlaces**, **Canvas** and **Stile. Education Perfect**, from the same organisation that supplies Language Perfect for German, offers students access for \$30.00 per student per year.

If parents are interested in this resource for their children, please arrange for your child to obtain a note from their Science teacher.

## NASSA SECONDARY TENNIS GALA DAY

---

Last Friday, I had the pleasure of taking 10 students to Wests Tennis Club in Leumeah to compete at the NASSA Secondary Tennis Gala Day.

Our boys' team came 3rd overall, beating Thomas Hassall Anglican College in a very close consolation final. It was three sets all so it came down to the number of games won by each team (WAC prevailed 20 games to 18).

Our girls' team tried their best, and played some good tennis but came up against some strong opposition so unfortunately did not progress past the round robin stage.

I want to commend all 10 students on the way that they performed on the day and for their great sportsmanship towards each other and their opposition.

**Mr Josh Stewart**  
**Secondary Teacher**

## DEBATING NEWS

---

The first round of the HICES Debating competition was held at The Illawarra Grammar School on Tuesday, 25 February.

Five teams from the College participated in round one. The Junior Years team debated the topic *That meditation and mindfulness classes should be taught to all primary school students* presenting the affirmative side. The Middle Years team also argued as the affirmative for the topic *That training in fighting bushfires should be mandatory for all high school students*. The Senior and Opens teams, made up of students from Years 9, 10 and 11, received one hour to prepare a case on issues related to the environment and defence.

A squad of over 30 of our students travelled to Wollongong to participate in their own debate and then watch and support other teams from the College. A number of schools including Broughton Anglican College, Shellharbour Anglican College, The Illawarra Grammar School and Oxley College also competed.

Our results for Round One were very encouraging with our Junior and Middle Years teams being successful. Our Senior and Opens teams built strong cases but they were narrowly defeated on the day.

All our debaters deserve congratulations for the time and effort they put into their research and preparation. Special thanks must go to Mr Davis and Mr Croger who drove the College buses to the debates. Round Two will be held at Wollondilly Anglican College on Thursday, 12 March from 3.30 pm onwards. Parents are welcome to attend and watch the debates.

**Mrs Wendy Croger**  
**Debating Coordinator**

# LIBRARY NEWS

## Book Club orders due Friday, 20 March

Book Club starts this week. All orders are to be made online or through the LOOP app. See the catalogue for details. For Secondary, Book Club catalogues are available in Johnson, Flynn and the office. Choose the class 'Secondary' when ordering. Orders due Friday, 20 March.

## Year 6 Library Monitors

The Libraries are excited to announce that we have had 30 students from Year 6 apply to be Library Monitors this Semester. The Library Monitors were presented with their badges at the Stage 3 Jam Session on Monday. Being a Library Monitor is lots of fun but also a great service to the College. The Primary Libraries are open every day Lunch 2.

Your Library Monitors are:

Olivia Bentham, Evelyn Biggs, Harry Boland, Tia Boyd, Isabelle Lewis-Bryant, Amelie Burke, Blake Dalrymple, Tameka Den, Grace Donaghey, Sienna Farrugia, Lisa Fouche, Scarlett Frost, Alyssa Galea, Megan Gilbert, Molly Hayes, Gemma Hoare, Annie Huang, Shannon Kelsey, Gabrielle McIntosh, Bracken Mercer, Abbey MacDonald, Isabella Morgan, Sofia Novak, Jema Palenzuela, Kirsten Robinson, Katie Russell, Olivia Smith, Lana Telford, Jemima Warland and Kaitlyn Williams.

## Premier's Reading Challenge 2020

The PRC has started again for 2020. Years K-2 participate during Library lessons and have their books entered online by library staff. Years 3-6 will be receiving their login details over the next two weeks during Library lessons. Logins stay the same from year to year.

## From Year 3 it is the responsibility of the student to enter their own books online.

Logging of books is not done by Library Staff from Year 3 onwards. The procedure will be explained in Library class. Parents, please assist your child at home (if necessary) to enter their PRC books online. Library staff can also assist at lunchtimes.

## Years 7-9 need to contact Library staff to receive their login details.

Email [library@wac.nsw.edu.au](mailto:library@wac.nsw.edu.au) for further details or speak to staff.

## WASP Academy - More sports coming soon...

In 2020 the College is excited to launch the Wollondilly Anglican Sports Performance (WASP) Academy. The WASP Academy aims to improve students sporting skills as well as develop players for our Representative College sides. The WASP AFL program is already up and running this Term. If you still wish to get involved for the remaining weeks, please speak with Mrs Mozejko.

In Term 2, we will have three WASP Academy Sports running; Netball, Athletics/Cross Country and Soccer. Flyers and permission notes will be distributed in the next few weeks. I would encourage every student to consider involving themselves in one of these sports, particularly those students who wish to train for the upcoming College and NASSA carnivals. For more information please speak with Mrs Mozejko.

## MISA Round 4

This week we had five teams with matches against either Oran Park Anglican College or St Francis Catholic College. It was a gallant effort for all of our younger students in the Years 7-9 teams. A big thank you to all those students who helped replace our Year 9 students who were away on camp. It was great to still be able to field full sides in all matches.

In Hockey, the Years 7-9 Girls' side had an impressive 6-0 win over Oran Park Anglican. Goal scorers this week were Tiah Addison (3), Laura Jefferys (2) and Ava Sweeney (1). The Open Girls' Basketball side also had a notable 6-point win with some excellent shooting from Paris Obakpolo and Kamryn Reid.

In Volleyball our Girls' team had a fantastic 3-0 win, despite only having three players available from the original team. The win was aided by some excellent serving from Elaina Orr and Cydney Todd. In the Boys' match it was a 0-3 defeat. The Years 7-9 Boys' Softball side also had a loss 3-10.

## NASSA Swimming

On Wednesday, 26 February, we sent a team of 33 students to compete at the NASSA Secondary Swimming Championships. It was a fantastic night and all the students represented the College proudly. Congratulations to Isabella Norman, Holly Ray, Murray Ray, Bronte Benson and Grace Turkington who were all selected in the NASSA team to compete at the upcoming AICES Championships.

## IPSSO

Unfortunately, due to inclement weather, all IPSSO games had to be abandoned on Wednesday. Our games next week are away against St Peter's Anglican Primary School.

Our Cricket, Soccer and Oz Tag matches are at Campbelltown Showground. The Basketball games will be at St Peter's Campus.

## NASSA Primary Football (Soccer) Gala Day

On Monday, 9 March, a Stage 3 Boys' team and a Stage 3 Girls' team will be going to Blacktown Football Park to compete in the NASSA Primary Football Gala Day. The Girls' side have made a strong start in the Term 1 IPSSO competition and it is hoped they will maintain this success for the Gala Day. This will be the Stage 3 Boys' side first kick of the season.

Selected players are reminded to return their permission notes to Mr Gooden as soon as possible. Please eat a hearty meal on Sunday night, get a good night's rest and meet the coaches bright and early on the College front lawn on Monday morning. The buses will be leaving at 6.30 am sharp.

Please remember to bring drink bottles, sunscreen, shin pads, hats and any necessary medication.

## BLESSED ARE THE CHAINS SMALLEST LINKS#

There exists a rather unknown character in Jewish history named Hathach - he 'saved' Israel. Have you heard of him?

We are apt to overlook the minor actors in Scripture stories through our absorbed interest in the prominent ones. Yet oft-times these lesser people are just as important in their own place, and their service is just as essential to the final success of the whole as the greater ones.

Consider these minor Biblical actors:

1. The unnamed little girl in the story of Naaman the leper is scarcely seen among the splendors of the Syrian court; but without her part we would never have had this story of stubborn pride and miraculous healing.
2. The anonymous young lad with the small basket of loaves and fish is hardly thought of when we read the account of that miracle; but they were his loaves and his fish with which the Master fed all those hungry thousands that day upon the fresh green grass.
3. Mordecai gave Hathach a copy of the decree issued in Susa that called for the death of all Jews, and he asked Hathach to show it to Esther. He also asked Hathach to explain it to her and to urge her to go to the king to beg for mercy and plead for her people - Israel. So Hathach returned to Esther with Mordecai's message. Then Esther told Hathach to go back and relay this message to Mordecai.

Hathach was one of these obscure characters. But his part was by no means unimportant. Without his being a trustworthy messenger Mordecai's communication with Esther would have been impossible, and the whole Jewish nation would have perished!

***The smallest links in a chain are oft-times quite as important as the greatest links.***

If we cannot do brave things like Esther or offer wise counsel as Mordecai, we may at least be useful as Hathach and the two unknown children were - strong in faithful service.

And, perhaps our lowly part may some day prove to have been as essential as the great deeds which all men praise.

We may at least assist some others in doing the wonderful things that they are set to do in this world.#

***Refuse to seek your due rewards upon earth. Rejoice in anonymity for the rewards in heaven are unspeakably superior to all the combined and finest fleeting honors men can muster.***

# PRETEND HEADMASTERS

**Pretend Headmasters - Nathaniel Fussell (KH) and Maddison Holton (KH) cannot wait for the 2020 World's Greatest Shave on Friday, 13 March where Dr Quarmby, Mr Croger, Staff and Students will take part to help raise funds for this worthy charity.**

## Prayer Points

### College Points - Please thank God:

- For the gifts of our kids and the ability in this country to exercise those gifts
- For the privilege of serving Him in this place.
- That with Jesus, faith means victory for eternity.

### Please ask God:

- For clarity with decisions regarding the Coronavirus.
- That He continues to watch over our College and to lavishly bless us.
- To be with the Anglican Schools' Corporation and the Wollondilly Anglican College Council as they conduct a search for the next College leader

### Prayer Points from our link missionaries: Rev Kevin and Karen Flannagan -

#### Please thank God:

- For the way he has led us to particular people.
- That both work and residence permits have been approved!!
- For our faithful supporters, their ongoing prayers and financial support.

#### Please ask God that:

- Trusting relationships will continue to grow.
- A growing understanding of people will enable us to teach the Bible appropriately.
- He will continue to guide with regards to planning and preparation for the year ahead.

*Psalm 127:1 Unless the Lord builds the house, its builders labour in vain.*

Excellence, Endurance, Eternity.
